

Nerf Warden DB-8

Nerf Elite 2.0 Warden DB-8 Blaster Instruction Manual

Instruction Manual

1. INTRODUCTION

This manual provides essential information for the safe and effective operation of your **Nerf Elite 2.0 Warden DB-8 Blaster**. Please read these instructions thoroughly before use and retain for future reference.

The **Warden DB-8** is designed for recreational use and features a pump-action mechanism capable of firing two darts simultaneously or eight darts rapidly with slam-fire action. It includes built-in dart storage and a tactical rail for accessory customization.

2. SAFETY INFORMATION

WARNING: Not suitable for children under 8 years. To avoid eye injuries, do not aim at eyes or face. Use of eyewear is recommended for players and people within range. Use only official NERF darts. Do not modify darts or blaster.

- Always wear protective eyewear during play.
- Do not aim or shoot at people or animals.
- Do not modify the blaster or darts.
- Ensure the play area is clear of obstacles and hazards.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1x Nerf Elite 2.0 Warden DB-8 Blaster
- 16x Official Nerf Darts

NERF ELITE 2.0

8+

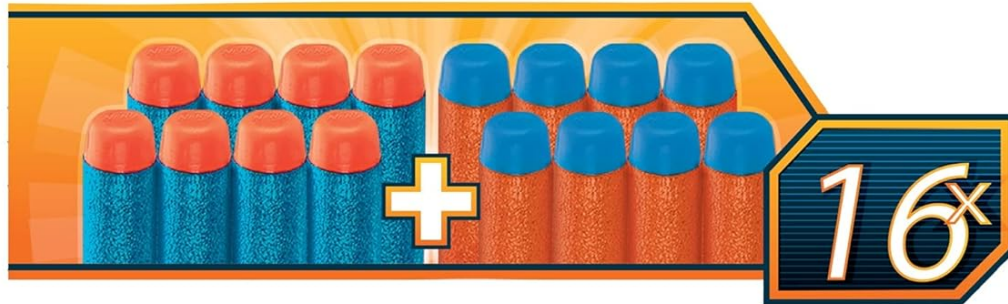

Figure 1: Package contents including the Nerf Elite 2.0 Warden DB-8 Blaster and 16 official Nerf darts, indicating an age rating of 8+.

4. SETUP

4.1 Loading Darts

1. Insert one dart into each of the 8 barrels at the front of the blaster.
2. Store the remaining 8 darts in the integrated dart storage slots located on the sides of the blaster for quick reloading.

Figure 2: Darts loaded into the 8 barrels of the blaster, ready for action.

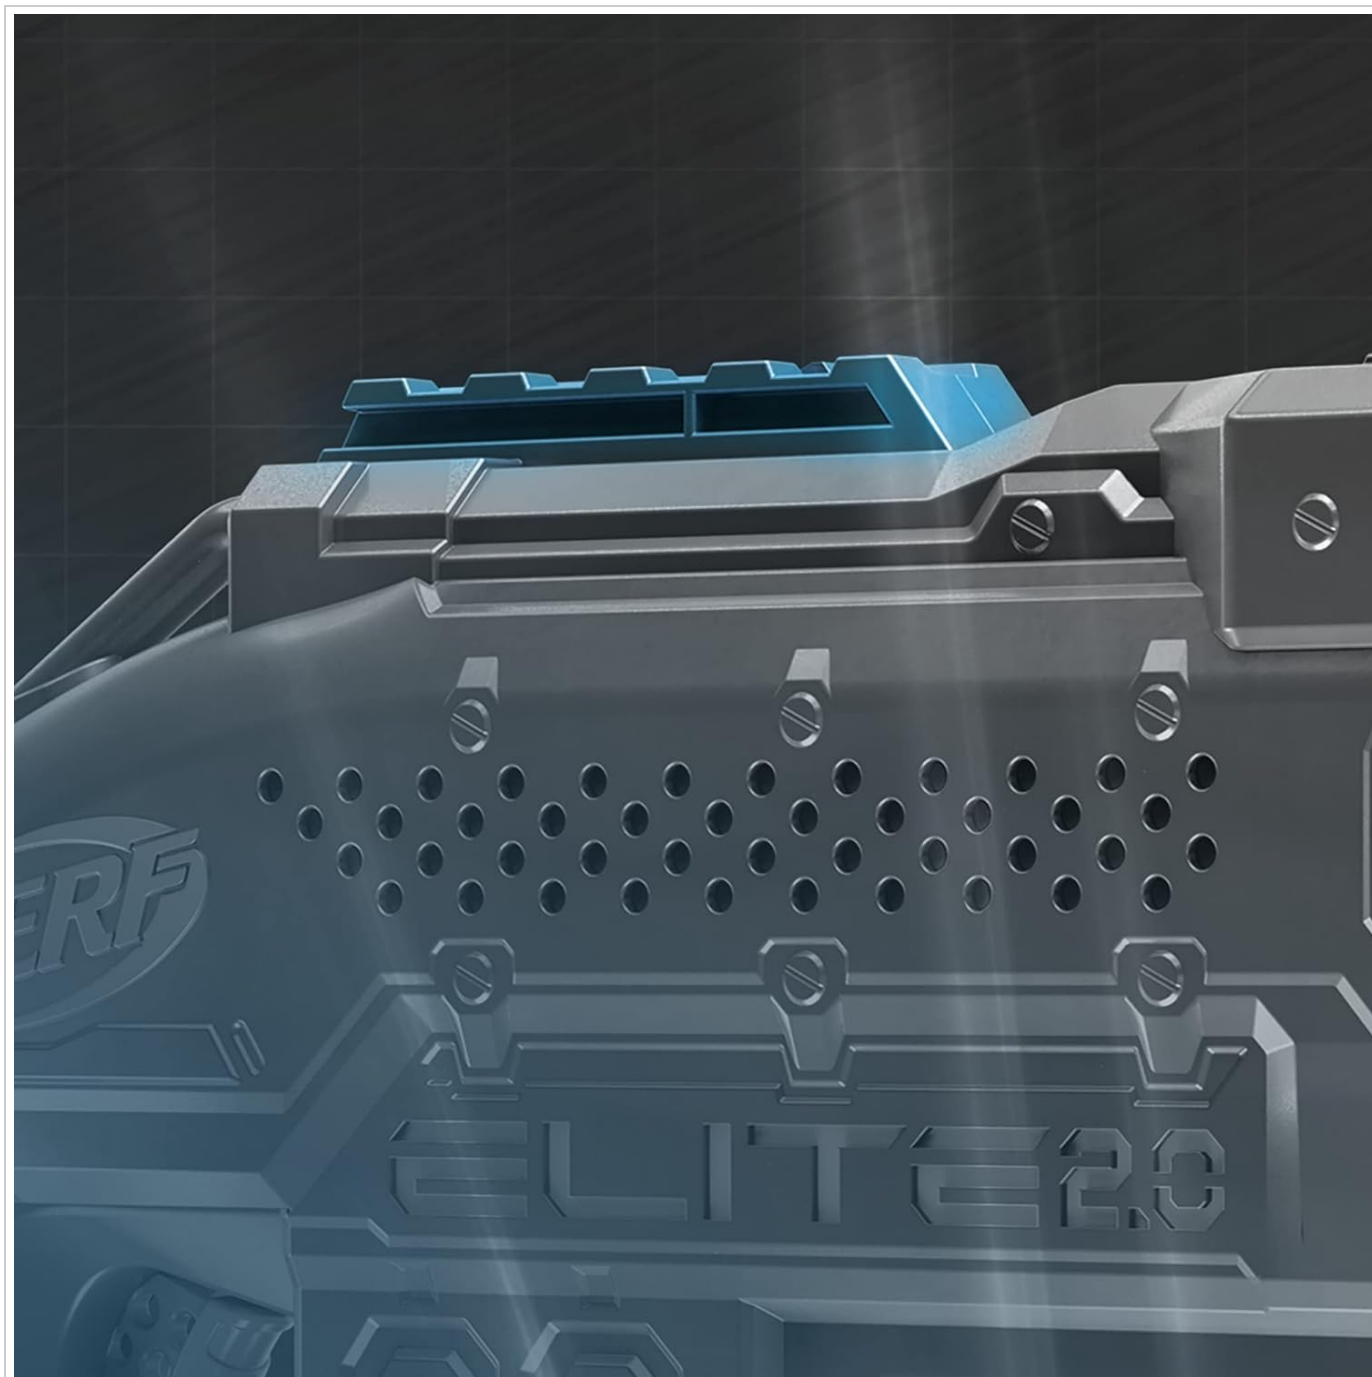

Figure 3: Additional darts stored on the side of the blaster for easy access during play.

5. OPERATING INSTRUCTIONS

5.1 Priming the Blaster

To prime the blaster, grasp the pump handle located beneath the barrel. Pull the handle fully backward, then push it fully forward until it clicks into place. The blaster is now primed and ready to fire.

Figure 4: Demonstrating the pump-action priming mechanism with arrows indicating movement.

5.2 Firing Darts

- **Single Shot (2 Darts):** After priming, aim the blaster and pull the trigger to fire two darts simultaneously.
- **Slam-Fire (8 Darts Rapidly):** Hold down the trigger and continuously pump the handle backward and forward to rapidly fire all 8 loaded darts.

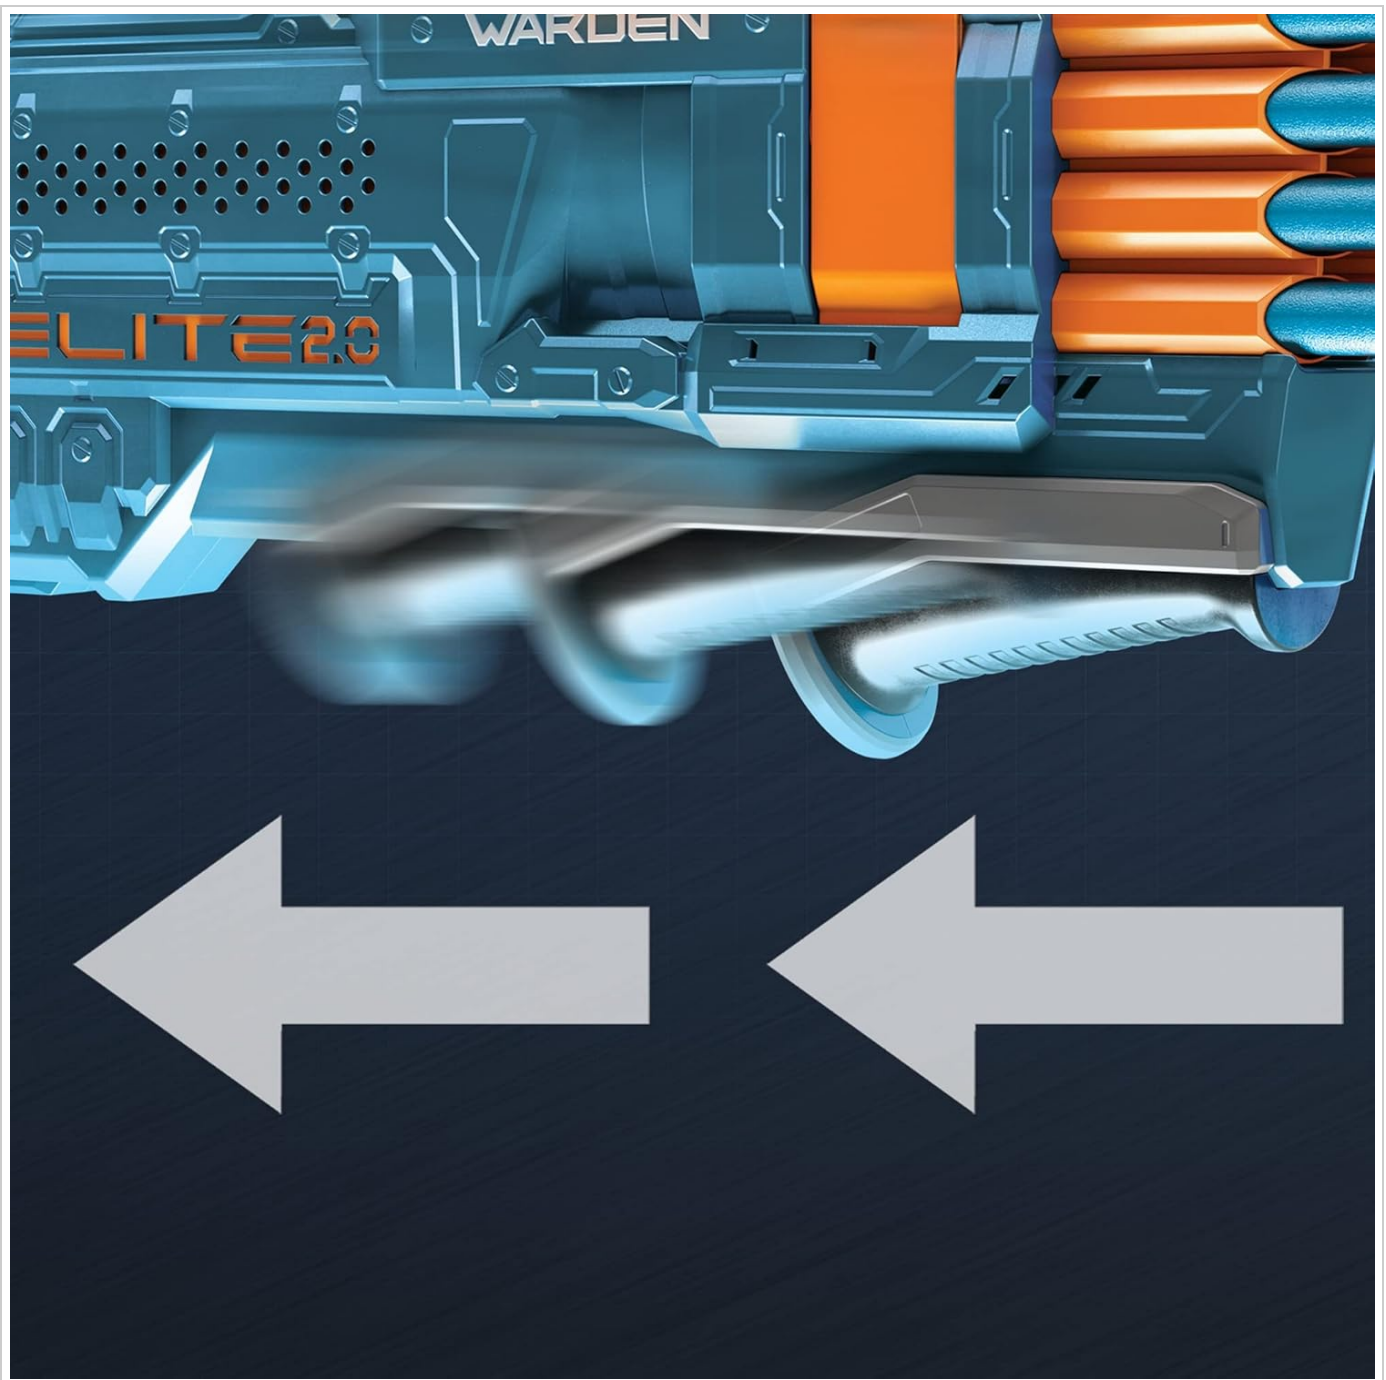

Figure 5: The blaster fires two darts at once for increased impact, indicated by '2x'.

5.3 Tactical Rail

The blaster features a tactical rail on top, allowing for the attachment of compatible Nerf accessories (sold separately) to customize your blaster for different play scenarios.

Figure 6: The tactical rail on top of the blaster for accessory attachment, highlighted in blue.

6. MAINTENANCE

- Keep the blaster clean by wiping it with a dry cloth.
- Store darts in a cool, dry place to maintain their shape and performance.
- Avoid exposing the blaster to extreme temperatures or direct sunlight for prolonged periods.

7. TROUBLESHOOTING

Problem	Solution
Darts not firing or jamming.	Ensure darts are fully inserted into the barrels. Check for damaged or bent darts and replace if necessary. Ensure the pump handle is fully pulled back and pushed forward until it clicks.
Blaster feels stiff or difficult to prime.	Ensure no foreign objects are obstructing the pump mechanism. Avoid forcing the mechanism.

8. SPECIFICATIONS

- **Model Number:** E9959
- **Brand:** Nerf
- **Dart Capacity:** 8 (fires 2 at once)
- **Dart Storage:** 8 additional darts
- **Firing Range:** Up to 85 feet (26 meters)
