

Breo iDream3

Breo iDream3 Rechargeable Head Massager User Manual

Model: iDream3

Brand: Breo

INTRODUCTION

Welcome to the Breo iDream3 Rechargeable Head Massager user manual. This device is designed to provide a comprehensive massage experience for your head, eyes, and scalp, promoting relaxation and comfort. Please read this manual thoroughly before using the product to ensure safe and effective operation.

IMPORTANT SAFETY INFORMATION

WARNING: Enabled with pressure and heat compression, use caution to avoid injury. Pressure and heat compression may pose risks for certain individuals; consult a healthcare professional if you have concerns.

- Do not use this product in environments with excessively high temperature or humidity.
- Ensure no barrettes, hair accessories, or contact lenses are worn before using the head massager.
- This massager is applicable for adults with head circumferences ranging from 56cm-64cm.
- Individuals with inflammation, blood stasis, or recent head surgery are prohibited from using this product.
- Sluggish patients or people with physical, mental, or intellectual disabilities should not use this product without supervision.
- Use only the stabilized DC 5V adapter provided by Breo.
- Always push the power switch to "OFF" when not in use.
- This is a household electric health care product and is not intended for diagnosing, curing, or preventing any disease.
- For cleaning, wipe with cotton soaked in medicinal alcohol. Do not wash the device with water.
- The massager has a hot compressing function with a temperature reaching up to 42°C. Users not sensitive to temperature changes should exercise caution.

PRODUCT FEATURES

- **3-in-1 Massage:** Offers comprehensive massage for the eyes, neck, and scalp.
- **Adjustable Size:** Easily adjustable using two size adjusting knobs to ensure a comfortable fit for various head sizes (56cm-64cm circumference).
- **Hands-Free Operation:** Designed for hands-free use, allowing for an uninterrupted relaxation experience.
- **See-through Visor:** Allows visibility during eye massage.
- **Remote Control:** Conveniently control settings and modes with the included remote.
- **Pressure Massage:** Utilizes air pressure and 106 massage needles for effective scalp stimulation.
- **Heat Function:** Provides soothing heat up to 42°C for enhanced relaxation.
- **Soothing Music:** Features optional built-in music for an immersive experience.
- **Release Button:** A dedicated button to quickly release air pressure.
- **Durable Material:** Constructed with protein leather for softness, durability, and easy cleaning.

Contents of the Breo iDream3 package, including the massager, remote control, user manual, charging cable, and earphones.

SETUP

1. **Unpack:** Carefully remove all components from the packaging: the Breo iDream3 Head Massager, remote control, USB charging cable, and user manual.
2. **Charge the Device:** Before first use, fully charge the massager. Connect the USB charging cable to the massager's charging port and a compatible 5V DC power adapter. The charging indicator will show the charging status.
3. **Insert Remote Batteries:** Open the battery compartment on the remote control and insert the required batteries (usually AAA, check remote for specific type).
4. **Adjust Fit:** Before turning on, place the massager on your head. Use the two size adjusting knobs located on the sides to comfortably fit the device to your head circumference (recommended 56cm-64cm). Ensure it is snug but not

overly tight.

5. **Prepare for Use:** Ensure no hair accessories, barrettes, or contact lenses are worn that could interfere with the massage or cause discomfort.

Detailed view of the power button on the Breo iDream3, showing the 'ON OFF' slider. The massager begins operation 8 seconds after power-on.

OPERATING INSTRUCTIONS

1. **Power On:** Locate the power switch at the back of the device. Slide it to the "ON" position. The device will pause for 10 seconds to allow you to adjust its position before starting the massage.
2. **Remote Control Functions:** Use the remote control to select your desired settings.
 - **Time:** Adjust massage duration (typically 5-15 minutes).
 - **Air Pressure:** Select from 5 different pressure modes.
 - **Heat:** Turn the heating function on/off or adjust between low/high heat.
 - **Music:** Toggle the built-in soothing music on/off.
 - **Switch Function Buttons (Up/Down Arrows):** Navigate through different settings.
 - **Intensity Buttons (+/-):** Adjust the intensity of selected functions (e.g., pressure level).

3. **During Massage:** Relax and enjoy the massage. The see-through visor allows for visibility if needed.
4. **Release Air Pressure:** If you need to quickly release the air pressure, constantly press the dedicated "Release Button" four to five times.
5. **Power Off:** After use, slide the power switch to the "OFF" position.

MAINTENANCE AND CARE

- **Cleaning:** To clean the device, wipe it gently with a cotton cloth lightly dampened with medicinal alcohol.
- **Do NOT Wash:** Never immerse the device in water or wash it directly with water.
- **Storage:** Store the massager in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** If the device will not be used for an extended period, ensure it is fully charged before storage and recharge periodically to maintain battery health. Remove batteries from the remote if storing for long periods.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not power on.	Low battery; Power switch is OFF.	Charge the device fully; Ensure the power switch is in the "ON" position.
No massage action or weak pressure.	Air pressure setting is too low; Device not properly fitted.	Increase air pressure intensity using the remote; Adjust the fit using the size knobs.
Heat function not working.	Heat function is off; Device malfunction.	Activate heat function via remote; Contact customer support if issue persists.
Remote control not responding.	Remote batteries are low or incorrectly inserted; Obstruction between remote and device.	Replace remote batteries; Ensure clear line of sight to the device's receiver.
Discomfort during use.	Device too tight; Incorrect settings; Hair accessories interfering.	Adjust the fit using the knobs; Lower intensity settings; Remove all hair accessories before use.

If the problem persists after attempting these solutions, please contact Breo customer support.
