Carrera CA8026/S

Carrera CA8026/S Square Sunglasses Instruction Manual

Model: CA8026/S

1. INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your Carrera CA8026/S Square Sunglasses. Please read these instructions carefully to ensure optimal performance and longevity of your eyewear.

2. PRODUCT OVERVIEW

The Carrera CA8026/S sunglasses feature a classic square-lens silhouette designed for men. They are constructed with a durable metal frame and offer 100% UV protection. A branded case is included for protection.

Figure 2.1: Carrera Men's CA8026/S Square Sunglasses in Matte Black. The image displays the sunglasses with green lenses and a metal frame on a white background.

Key Features:

- **RX-able:** Compatible with prescription lenses.
- **Metal Frame:** Durable and lightweight construction.
- **Non-polarized:** Standard lens type.
- **100% UV Protection Coating:** Shields eyes from harmful UV rays.
- **Branded Case Included:** Provides protection and storage.

Video 2.1: Overview of Carrera Men's CA8026/S Square Sunglasses. This 30-second video demonstrates the design and features of the sunglasses, including the metal frame and square-lens silhouette.

3. SETUP

3.1 Unpacking and First Use

1. Carefully remove the sunglasses from their packaging and included branded case.
2. Inspect the sunglasses for any visible damage or manufacturing defects.
3. Gently unfold the temples (arms) of the sunglasses.
4. Place the sunglasses on your face, ensuring a comfortable and secure fit.

3.2 Adjusting the Fit

The nose pads can be gently adjusted to achieve a more comfortable fit on your nose bridge. If the temples feel too loose or too tight, it is recommended to visit a professional optician for proper adjustment to avoid damaging the frame.

4. OPERATING INSTRUCTIONS

4.1 Wearing the Sunglasses

Place the sunglasses on your face, ensuring the lenses cover your eyes completely to provide optimal UV protection. The temples should rest comfortably over your ears, and the nose pads should sit securely on your nose without causing pressure points.

4.2 UV Protection

These sunglasses provide 100% UV protection, safeguarding your eyes from harmful UVA and UVB rays. They are suitable for general use in bright sunlight.

4.3 Storage

When not in use, always store your sunglasses in the provided branded case to protect them from scratches, dust, and accidental damage. Avoid leaving them in direct sunlight for extended periods, especially in hot environments like a car dashboard, as extreme heat can damage the frame and lenses.

5. MAINTENANCE

5.1 Cleaning Instructions

To maintain the clarity and longevity of your sunglasses, follow these cleaning guidelines:

- Use a soft, clean microfiber cloth (preferably the one provided with your sunglasses) to gently wipe the lenses and frame.
- For stubborn smudges or dirt, lightly dampen the cloth with clean water or a specialized eyewear cleaning solution.
- *Avoid harsh chemicals, abrasive cleaners, or paper towels* as these can scratch the lenses or damage the frame finish.
- Do not use household cleaning products, as they may contain ammonia or other substances harmful to lens coatings.

5.2 General Care

- Always handle your sunglasses by the frame, not the lenses.
- Avoid placing sunglasses face down on hard surfaces.
- Regularly check screws for tightness. If loose, gently tighten with a small screwdriver designed for eyewear.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Lenses are smudged or dirty.	Fingerprints, dust, or environmental debris.	Clean with a soft microfiber cloth and, if necessary, a specialized eyewear cleaning solution or water. Refer to Section 5.1.
Sunglasses feel loose on face.	Nose pads or temples require adjustment.	Gently adjust nose pads. For temple adjustments, consult a professional optician.
Scratches on lenses.	Improper cleaning, dropping, or abrasive contact.	Scratches are generally permanent. Prevent by always storing in the case and cleaning properly. Replacement lenses may be available from authorized dealers.

7. SPECIFICATIONS
