Drying Procedure:

1. After water play, gently shake the doll to remove excess water.
2. Use the included towel or another soft, absorbent cloth to thoroughly dry the doll's exterior.
3. Ensure all drainage holes are clear and allow the doll to air dry completely in a well-ventilated area before storing.

5. TROUBLESHOOTING

The Baby Alive Splash 'n Snuggle Doll is a simple, durable toy. If you encounter any issues, please consider the following:

- **Water Retention:** If water remains inside the doll, ensure all drainage holes are clear. Gently shake or tilt the doll to help water exit. Allow ample time for air drying.
- **Damage:** In case of physical damage, discontinue use and contact customer support.
