Carrera CA1004S

Carrera Men's Ca1004/S Pilot Sunglasses Instruction Manual

Model: CA1004S

1. INTRODUCTION

This instruction manual provides essential information for the proper use, care, and maintenance of your Carrera Men's Ca1004/S Pilot Sunglasses. Please read this manual thoroughly to ensure optimal performance and longevity of your eyewear. Retain this manual for future reference.

2. PRODUCT OVERVIEW

The Carrera Men's Ca1004/S Pilot Sunglasses are designed for style and protection. They feature a durable plastic frame and polycarbonate lenses, offering 100% UV protection. The non-polarized lenses provide clear vision while reducing glare from the sun.

Key Features:

- RX-able frame, allowing for prescription lens integration.
- Robust plastic frame construction.
- High-quality polycarbonate lenses.
- Non-polarized lens type.
- Provides 100% UV protection coating.
- Includes a branded protective case for storage.

Product Images:

Figure 2.2: Front view of the Carrera Ca1004/S Pilot Sunglasses, highlighting the lens shape and bridge design.

Figure 2.3: Side view of the Carrera Ca1004/S Pilot Sunglasses, showing the temple arm with Carrera branding.

3. SETUP

Your Carrera sunglasses come ready for immediate use. Upon unboxing, you will find:

- One pair of Carrera Men's Ca1004/S Pilot Sunglasses.
- One branded protective case.
- One cleaning cloth.

Carefully remove the sunglasses from their packaging. Inspect them for any signs of damage during transit. If any damage is observed, please contact customer support immediately.

4. OPERATING INSTRUCTIONS

To use your Carrera sunglasses, simply place them on your face, ensuring the temple arms rest comfortably over your ears and the nose pads sit securely on your nose bridge. The sunglasses are designed to provide optimal visual clarity and protection from harmful UV rays.

UV Protection:

These sunglasses offer 100% UV protection, shielding your eyes from both UVA and UVB radiation. This is crucial for eye health, especially during prolonged exposure to sunlight.

Handling:

Always handle your sunglasses by the frame, avoiding direct contact with the lenses to prevent smudges and scratches. When not in use, store them in the provided protective case.

5. MAINTENANCE

Proper maintenance will extend the life and preserve the appearance of your Carrera sunglasses.

Cleaning:

- Use the provided cleaning cloth to gently wipe the lenses and frame.
- For more thorough cleaning, rinse the sunglasses under lukewarm water.
- Apply a small drop of mild, non-abrasive soap (e.g., dish soap) to the lenses and gently rub with your fingertips.
- Rinse thoroughly to remove all soap residue.
- Dry with the cleaning cloth or a soft, lint-free cloth. Avoid paper towels, which can scratch lenses.

Storage:

Always store your sunglasses in their original protective case when not in use. Avoid leaving them in direct sunlight or extreme heat (e.g., on a car dashboard), as this can damage the frame and lens coatings.

Avoid:

- Using harsh chemicals, solvents, or alcohol-based cleaners on the lenses or frame.
- Placing sunglasses face down on hard surfaces.
- Exposing them to saltwater for extended periods without rinsing.

6. TROUBLESHOOTING

Below are common issues and their potential solutions:

- **Loose Screws:** If the temple arms feel loose, gently tighten the small screws at the hinges using a precision screwdriver. Do not overtighten.

- **Smudged Lenses:** Clean lenses as described in the Maintenance section. Ensure the cleaning cloth is free of debris.
- **Minor Scratches:** Small scratches on lenses are often cosmetic and do not significantly impair vision. For deeper scratches, lens replacement may be necessary. Contact an optical professional.
- **Poor Fit:** If the sunglasses feel too loose or too tight, or sit unevenly, an optical professional can adjust the frame for a better fit. Avoid attempting to bend the frame yourself, as this can cause damage.

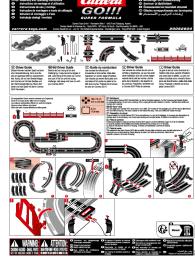

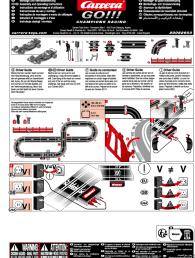

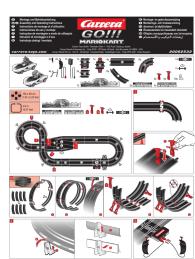

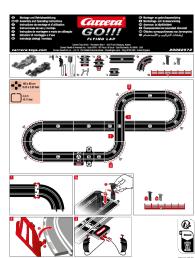

7. SPECIFICATIONS

Feature	Detail
Model Number	CA1004S
Brand	Carrera
Department	Men's
Frame Material	Plastic
Lens Material	Polycarbonate
Lens Type	Non-polarized, 100% UV protection coating

8. WARRANTY AND SUPPORT

Carrera products are manufactured to high-quality standards. For specific warranty information regarding your Carrera Ca1004/S Pilot Sunglasses, please refer to the warranty card included with your purchase or visit the official Carrera website. Warranty terms typically cover manufacturing defects.

If you require assistance, have questions, or need to report an issue, please contact Carrera customer support through their official website or authorized retailers. Do not attempt repairs yourself, as this may void your warranty.
