Yaheetech YT-0009560601 Freestanding Storage Cabinet Instruction Manual

Model: YT-0009560601

1. INTRODUCTION

Thank you for choosing the Yaheetech Freestanding Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference.

Important Safety Information

- Always secure the cabinet to the wall using the provided anti-toppling fittings to prevent tipping. This is crucial for safety, especially in households with children or pets.
- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or broken.
- Do not overload the shelves or the top surface. The top surface has a load capacity of up to 15kg (33lb), and each adjustable shelf has a capacity of 12kg (26.5lb).
- Use appropriate tools as specified in the assembly guide. Do not overtighten screws.
- Keep small parts and packaging materials away from children to prevent choking hazards.

2. PARTS LIST

Before assembly, verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (Top, Bottom, Sides, Back)
- Adjustable Shelves
- Cabinet Doors
- Door Knobs (Bronze)
- Hinges and Magnetic Catches

- Anti-toppling Fittings
- Assembly Hardware (Screws, dowels, etc.)

Magnetic Self-locking Device

P2 MDF Board

Bronze Knob

3. ASSEMBLY INSTRUCTIONS (SETUP)

Follow these steps carefully to assemble your Yaheetech storage cabinet. It is recommended to assemble the cabinet on a soft, clean surface to prevent scratches.

- 1. Unpack and Identify:** Carefully unpack all components and hardware. Compare them with the parts list to ensure everything is present.
- 2. Assemble Side Panels:** Attach the side panels to the bottom panel using the provided hardware. Ensure they are securely fastened.
- 3. Install Back Panel:** Slide or fasten the back panel into the grooves or attach it to the rear of the cabinet structure.
- 4. Attach Top Panel:** Secure the top panel to the assembled structure.
- 5. Install Shelves:** Insert the adjustable shelf pins into the desired holes on the side panels. Place the adjustable shelves onto these pins.
- 6. Attach Doors:** Mount the hinges to the cabinet doors and then attach the doors to the cabinet frame. Ensure the magnetic catches align for proper closure.
- 7. Install Door Knobs:** Fasten the bronze door knobs to the cabinet doors.

8. **Secure Anti-Toppling Fittings:** Position the cabinet in its final location. Attach the anti-toppling fittings to the top rear of the cabinet and secure them firmly to a wall stud or appropriate wall anchor. This step is critical for stability and safety.

4. OPERATING INSTRUCTIONS

Using Your Cabinet

The Yaheetech storage cabinet is designed for versatile storage in various rooms. The double doors are equipped with magnetic devices for effortless opening and secure closing. Simply pull the bronze knobs to open and gently push the doors to close until the magnetic catch engages.

Adjusting Shelves

The cabinet features adjustable shelves, allowing you to customize the storage space according to your needs. To adjust a shelf:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and remove the four shelf pins from their current positions.

3. Reinsert the shelf pins into the desired holes on the side panels. Ensure all four pins are at the same height to keep the shelf level.
4. Place the shelf back onto the pins, ensuring it rests securely.

5. MAINTENANCE

Care and Cleaning

To maintain the appearance and longevity of your cabinet, follow these simple care instructions:

- Wipe the cabinet clean with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the painted veneer finish.
- Promptly wipe up any spills to prevent water damage, as the surface is water-resistant but not waterproof.
- Regularly check all hardware and tighten any loose screws to ensure the cabinet remains stable.

Image: Demonstrating the ease of cleaning the water-resistant surface with a soft cloth.

6. TROUBLESHOOTING

If you encounter any issues with your cabinet, please refer to the following common problems and solutions:

- **Cabinet is Wobbly:** Ensure all screws are tightened. Verify that the cabinet is placed on a level surface. If necessary, use shims under the legs. Confirm the anti-toppling fittings are securely installed to the wall.
- **Doors Do Not Close Properly:** Check if the hinges are correctly aligned and tightened. Ensure the magnetic catches are properly installed and aligned with the door. Adjust hinges if needed.
- **Missing or Damaged Parts:** Do not attempt to assemble the cabinet with missing or damaged parts. Contact Yaheetech customer service immediately for replacements.
- **Difficulty During Assembly:** Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. Do not force parts together.

7. SPECIFICATIONS

Detailed specifications for the Yaheetech Freestanding Storage Cabinet:

Feature	Detail
Brand	Yaheetech
Model Number	YT-0009560601
Color	Espresso
Product Dimensions	12"D x 24"W x 32"H (30.5cm D x 61cm W x 81.3cm H)
Item Weight	24.96 Pounds (11.32 kg)
