## Sceptre C325B-185RD

# Sceptre 32-inch Curved Gaming Monitor (C325B-185RD) Instruction Manual

Model: C325B-185RD

## 1. PRODUCT OVERVIEW

---

The Sceptre C325B-185RD is a 32-inch curved gaming monitor designed to provide an immersive visual experience. It features a Full HD (1920x1080) resolution, a high refresh rate of up to 240Hz, and AMD FreeSync technology for smooth gameplay. The monitor also includes built-in speakers and multiple connectivity options.

## 2. WHAT'S INCLUDED

---

Upon unpacking your Sceptre C325B-185RD monitor, please ensure all the following items are present:

- Sceptre 32-inch Curved Gaming Monitor
- Monitor Stand (Base and Neck)
- Power Adapter and Cable
- HDMI Cable
- DisplayPort Cable
- Screwdriver (for assembly)
- User Manual (this document)
- VESA Mount Adapter (for wall mounting)

### 3. SETUP INSTRUCTIONS

---

#### 3.1 Assembling the Stand

1. Carefully remove the monitor from its packaging, keeping it protected on a soft surface.
2. Attach the stand neck to the monitor using the provided screws.
3. Secure the stand base to the neck, ensuring all screws are tightened.
4. Place the assembled monitor on a stable, flat surface.

#### 3.2 Connecting the Monitor

The monitor offers multiple connectivity options. Choose the appropriate cable for your device (HDMI or DisplayPort).

- **Power Connection:** Connect the power adapter to the monitor's power input and then to a power outlet.
- **Video Connection:** Connect one end of the HDMI or DisplayPort cable to the corresponding port on the

monitor and the other end to your computer or gaming console.

- **Audio Connection:** If using external speakers or headphones, connect them to the 3.5mm audio out port on the monitor.

### 3.3 VESA Wall Mounting (Optional)

The monitor is VESA wall mountable, allowing for flexible placement. Use the provided VESA mount adapter and follow the instructions of your VESA-compatible wall mount kit for installation. This helps eliminate cable clutter and saves desk space.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Powering On/Off

Locate the power button on the right-hand side of the monitor's rear panel. Press it to turn the monitor on or off.

## 4.2 Adjusting Settings

The monitor features an intuitive on-screen display (OSD) menu for adjusting various settings. Use the control buttons, typically located on the rear or bottom edge of the monitor, to navigate the menu and customize display options such as brightness, contrast, color temperature, and input source.

## 4.3 Tilt Adjustment

The monitor stand allows for a tilt adjustment of 15° backward and 5° forward. Gently adjust the monitor panel to your preferred viewing angle for optimal comfort and clarity.

## 5. KEY FEATURES

---

- **High Refresh Rate:** Experience ultra-smooth visuals with an overdrive refresh rate of up to 240Hz (DisplayPort) or 165Hz/144Hz (HDMI). This significantly reduces motion blur, providing a competitive edge in fast-paced games.
- **AMD FreeSync:** This technology synchronizes the monitor's refresh rate with your graphics card's frame rate, eliminating screen tearing and stuttering for fluid gameplay.
- **1ms MPRT (Moving Picture Response Time):** Achieve crisp, clear images even during intense action sequences with a rapid 1ms MPRT, minimizing ghosting and blurring.
- **Built-in Speakers:** Integrated speakers provide convenient audio for general use, such as conference calls or casual media consumption.
- **Blue Light Shift:** Reduce eye strain and fatigue during extended use by activating the Blue Light Shift feature, which filters out harmful blue light emissions.
- **FPS-RTS Game Modes:** Pre-calibrated display settings optimized for First Person Shooter (FPS) and Real-Time Strategy (RTS) games enhance visibility and provide a more engaging gaming experience.
- **Anti-Flicker:** This feature provides a crisper picture by preventing the backlight from flickering periodically, further reducing eye discomfort.

## 6. MEDIA INTEGRATION

---

### 6.1 Product Videos

Video 1: An overview of Sceptre monitors, showcasing various models and their features. This video highlights the brand's commitment to quality and style in their product packaging and design.

Video 2: A promotional video for Sceptre Gaming Monitors, emphasizing their performance and design for an enhanced gaming experience.

## 7. MAINTENANCE

---

To ensure the longevity and optimal performance of your Sceptre monitor, follow these maintenance guidelines:

- **Cleaning the Screen:** Use a soft, lint-free cloth specifically designed for electronics. Lightly dampen the cloth with water or a screen-cleaning solution (avoid harsh chemicals) and gently wipe the screen.

- **Cleaning the Casing:** Wipe the monitor's casing with a soft, dry cloth.
- **Ventilation:** Ensure the monitor's ventilation openings are not blocked to prevent overheating.
- **Power Off When Not in Use:** Turn off the monitor when not in use for extended periods to conserve energy and prolong its lifespan.

## 8. TROUBLESHOOTING

---

If you encounter issues with your Sceptre monitor, refer to the following common troubleshooting steps:

- **No Power:** Check if the power cable is securely connected to both the monitor and the power outlet. Ensure the power adapter is functioning correctly.
- **No Signal:** Verify that the video cable (HDMI or DisplayPort) is firmly connected to both the monitor and your computer/console. Ensure the correct input source is selected on the monitor's OSD menu.
- **Flickering Screen:** Check the video cable for damage. Ensure your graphics card drivers are up to date. Enable the Anti-Flicker feature in the OSD menu if it's not already active.
- **Poor Picture Quality:** Adjust brightness, contrast, and color settings via the OSD menu. Ensure the display resolution and refresh rate are correctly configured in your device's display settings.
- **No Audio from Built-in Speakers:** Check the volume settings on both the monitor and your connected device. Ensure the audio output is correctly routed to the monitor.

For more complex issues, consult the Sceptre support website or contact customer service.
