ASSEMBLY INSTRUCTIONS

Please ensure all parts are present and undamaged before beginning assembly. It is recommended to assemble the desk on a soft, clean surface to prevent scratches. Two people are recommended for assembly.

Step 1: Unpacking and Inventory

1. Carefully unpack all components from the packaging.
2. Refer to the included hardware list and instruction manual to verify all parts and hardware are present.
3. Separate and organize hardware by type to simplify the assembly process.

Step 2: Frame Assembly

1. Begin by assembling the metal frame components. Connect the horizontal bars to the vertical legs using the provided screws.
2. Ensure all connections are finger-tightened initially. Do not fully tighten screws until the entire frame is assembled to allow for adjustments.
3. Attach the V-shaped support bars to the main frame sections for enhanced stability.

Step 3: Attaching Tabletops

1. Carefully place the tabletop sections onto the assembled metal frame.
2. Align the pre-drilled holes in the tabletop with the holes in the frame.
3. Secure the tabletops to the frame using the designated screws.

Step 4: Reversible Configuration

The L-shaped desk is designed to be reversible. During Step 2 and 3, you can choose to assemble the longer section of the L-shape on either the right or left side, depending on your preference and room layout. The frame components are designed to accommodate both configurations.

1. Before fully tightening all screws, position the desk in your desired orientation (right-hand or left-hand L-shape).
2. Once satisfied with the orientation, proceed to fully tighten all screws on the frame and tabletop connections. Ensure all connections are secure for optimal stability.

Right Hand Side Assembly

Two Assembly Suit All Sites

Left Hand Side Assembly

OPERATING INSTRUCTIONS

The HSH L-Shaped Computer Desk is designed for versatile use in various settings such as home offices, bedrooms, or living rooms. Its primary function is to provide a stable and spacious work surface.

- **Workstation Setup:** Utilize the expansive L-shaped surface to comfortably accommodate multiple monitors, a laptop, keyboard, mouse, and other office supplies.
- **Reversible Configuration:** As detailed in the assembly section, the desk can be set up with the longer section on either the left or right side. This allows for optimal placement within your room and adapts to your workflow preferences.
- **Weight Capacity:** Ensure that the total weight placed on the tabletop does not exceed 300 lbs to maintain stability and prevent damage.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your HSH L-Shaped Computer Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.

- **Spills:** Clean up spills immediately to prevent staining or damage to the wood grain finish.
- **Protection:** Use coasters for beverages and desk pads for writing or heavy objects to protect the tabletop from scratches and heat.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the tabletop finish.

TROUBLESHOOTING

If you encounter any issues with your HSH L-Shaped Computer Desk, refer to the following common solutions:

- **Desk Wobbles:**
 - Ensure all screws are fully tightened. Loosen slightly, adjust the desk to a level position, then re-tighten firmly.
 - Check if the floor surface is even. Use furniture pads or shims under the legs if necessary to level the desk.
- **Parts Missing or Damaged:**
 - Before assembly, verify all parts against the included hardware list. If any parts are missing or damaged, contact HSH customer service immediately for assistance.
- **Difficulty with Reversible Assembly:**
 - Review Step 4 of the Assembly Instructions. The frame is designed to be symmetrical for both left and right configurations. Ensure you are aligning the tabletop sections correctly for your desired orientation.

WARRANTY AND SUPPORT

HSH is committed to providing high-quality products and customer satisfaction.

- **Quality Warranty:** This product comes with a 12-Month Quality Warranty from the date of purchase. This warranty covers manufacturing defects and material flaws under normal use.
- **Customer Service:** For any questions, concerns, or warranty claims, please contact HSH customer service. We offer 24-hour friendly customer service to assist you.
- **Returns:** A 30-Day Free Return policy is available for eligible purchases. Please refer to your retailer's return policy for specific details.

For further assistance, please visit the HSH Store online or contact our support team.
