Relaxdays Ironing Tidy Stand Foldable (Model 10027292) User Manual

INTRODUCTION

This manual provides instructions for the safe and efficient use of your Relaxdays Ironing Tidy Stand Foldable, Model 10027292. Please read these instructions carefully before initial use and retain them for future reference.

PRODUCT OVERVIEW

The Relaxdays Ironing Tidy Stand is a versatile, foldable tripod rack designed for hanging clothes on hangers. It features three arms with multiple notches to accommodate various garments for drying or airing.

SETUP INSTRUCTIONS

This product requires no assembly. It arrives in a folded state and can be deployed by following these steps:

1. Carefully remove the stand from its packaging.
2. Locate the folding mechanism at the base and the arms.
3. Gently extend the tripod legs until they are fully spread and stable.
4. Unfold the three arms upwards and outwards until they lock into their horizontal position. Ensure all arms are securely extended before use.

OPERATING INSTRUCTIONS

Once the stand is set up, it is ready for use. The stand is designed to hold up to 33 hangers across its three arms.

- **Hanging Garments:** Place clothes hangers into the notches provided on each arm. Distribute the weight evenly across all three arms to maintain stability.
- **Capacity:** The stand has a total capacity of approximately 12 kg (26.4 lbs), with each arm supporting up to 4 kg (8.8 lbs). Do not exceed these weight limits.
- **Placement:** The stand is suitable for indoor use, balconies, or patios. Avoid placing it in areas with strong winds when loaded with clothes, as this may affect stability.
- **Folding for Storage:** To fold the stand, reverse the setup steps. Fold the arms downwards, then collapse the tripod legs. This allows for compact storage.

MAINTENANCE

To ensure the longevity and proper function of your Ironing Tidy Stand, follow these maintenance guidelines:

- **Cleaning:** Wipe the stand with a damp cloth and mild detergent as needed. Avoid abrasive cleaners or solvents that could damage the material.
- **Storage:** When not in use, fold the stand and store it in a dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check all parts for any signs of wear or damage. Ensure the folding mechanisms operate smoothly.

TROUBLESHOOTING

- **Stand is unstable:**

- Ensure the tripod legs are fully extended and locked into position.
- Verify that the weight of the clothes is distributed evenly across all three arms.
- Do not exceed the maximum weight capacity of 12 kg (4 kg per arm).
- Avoid placing the stand on uneven surfaces.

- **Arms do not fold/unfold smoothly:**

- Check for any obstructions in the folding mechanism.
- Ensure no dirt or debris is lodged in the joints.
