ForeverPRO 241684801

ForeverPRO 241684801 Refrigerator Spacer Instruction Manual

Model: 241684801

1. PRODUCT OVERVIEW

The ForeverPRO 241684801 Refrigerator Spacer is a replacement component designed for various refrigerator models. This spacer helps maintain proper alignment and spacing within the appliance, which is crucial for its efficient operation and structural integrity. It is manufactured to meet or exceed OEM specifications, ensuring a reliable fit and performance.

2. COMPATIBILITY

This replacement spacer, part number 241684801, is compatible with a wide range of refrigerator models from various manufacturers. It replaces several other part numbers, including 1196673, 5304404351, AH1526409, EA1526409, and PS1526409.

Compatible Brands:

- Frigidaire
- Electrolux
- Gibson
- Kelvinator
- Westinghouse
- And others

Partial List of Compatible Frigidaire Models:

Please verify your specific refrigerator model number against the full compatibility list provided by the manufacturer or retailer to ensure proper fit. Examples include, but are not limited to:

- BFHS2611LM0, BFHS2611LM1, BFHS2611LM2
- BGHS2634KE0, BGHS2634KE1, BGHS2634KE2
- BGHS2634KP0, BGHS2634KP1, BGHS2634KP2
- BGHS2644KF0, BGHS2644KF1, BGHS2644KF2
- CFD26WIS0, CFD26WIS1, CFD26WIS3, CFD26WIS4, CFD26WIS5, CFD26WIS6
- CFD28WIB5, CFD28WIB6, CFD28WIB8
- CFD28WIQB0, CFD28WIQB1, CFD28WIQB6
- CFD28WIQS0, CFD28WIQS1, CFD28WIQS6
- CFD28WIQW0, CFD28WIQW1, CFD28WIQW6
- CFD28WIS0, CFD28WIS1, CFD28WIS2, CFD28WIS3, CFD28WIS5, CFD28WIS6, CFD28WIS8
- CFD28WIW5, CFD28WIW6, CFD28WIW8
- CRSE230KW0, CRSE233TB0, CRSE233TS0, CRSE233TW0
- CRSE234FB0, CRSE234FB1, CRSE234FB2, CRSE234FB3, CRSE234FB4
- CRSE234FQ0, CRSE234FQ1, CRSE234FQ2, CRSE234FQ3, CRSE234FQ4
- CRSE234FSM0, CRSE234FSM1, CRSE234FSM2, CRSE234FSM3, CRSE234FSM4
- CRSE234FW0, CRSE234FW1, CRSE234FW2, CRSE234FW3, CRSE234FW4
- CRSE234JB0, CRSE234JB1, CRSE234JB2, CRSE234JB3
- CRSE234JQ0, CRSE234JQ1, CRSE234JQ2, CRSE234JQ3
- CRSE234JSM0, CRSE234JSM1, CRSE234JSM2, CRSE234JSM3
- CRSE234JW0, CRSE234JW1, CRSE234JW2, CRSE234JW3
- CRSE263TB0, CRSE263TD0, CRSE263TS0, CRSE263TW0
- CRSE264FB0, CRSE264FB1, CRSE264FB3
- CRSE264FQ0, CRSE264FQ1, CRSE264FQ3

3. INSTALLATION GUIDE

This section provides general guidance for installing the refrigerator spacer. Always refer to your specific

refrigerator model's service manual for detailed, model-specific instructions and safety precautions. If you are unsure about any step, it is recommended to consult a qualified appliance technician.

Safety Precautions:

- **Disconnect Power:** Before beginning any repair or installation, always unplug the refrigerator from the power outlet to prevent electrical shock.
- **Wear Protective Gear:** Use gloves to protect your hands from sharp edges or components.
- **Secure the Appliance:** Ensure the refrigerator is stable and cannot tip over during the repair process.
- **Handle with Care:** Refrigerator components can be heavy or have sharp edges. Exercise caution.

General Installation Steps:

1. **Identify the Location:** Locate the area where the old spacer needs to be replaced or where a new spacer is to be installed. Spacers are often found between panels, near hinges, or supporting shelves/drawers.
2. **Remove Old Spacer (if applicable):** Carefully remove the existing spacer. This may involve unscrewing, prying, or simply pulling it out, depending on its design and location. Note how it was oriented.
3. **Clean the Area:** Clean any debris or residue from the installation area to ensure a proper fit for the new spacer.
4. **Install New Spacer:** Position the ForeverPRO 241684801 spacer in the correct orientation. Gently press or secure it into place. If screws or clips were involved in the removal, reattach them.
5. **Verify Fit:** Ensure the new spacer is securely seated and does not wobble. It should provide the intended spacing or support.
6. **Reassemble:** Reassemble any panels or components that were removed during the process.
7. **Restore Power:** Once all components are securely in place, plug the refrigerator back into the power outlet.
8. **Test Functionality:** Observe the refrigerator to ensure it operates correctly and the new spacer has resolved the original issue.

4. MAINTENANCE

The ForeverPRO 241684801 Refrigerator Spacer is a durable component designed for long-term use with minimal maintenance. However, periodic inspection can help ensure its continued effectiveness.

- **Visual Inspection:** During routine cleaning or other maintenance, visually inspect the spacer for any signs of wear, cracking, or damage.
- **Cleaning:** If the spacer becomes dirty, wipe it clean with a damp cloth and mild detergent. Ensure it is dry before reassembly if removed for cleaning.
- **Proper Alignment:** Ensure that the spacer remains in its correct position and continues to provide proper alignment for the refrigerator components it supports.

5. TROUBLESHOOTING

If you encounter issues after installing the ForeverPRO 241684801 spacer, consider the following troubleshooting steps:

- **Incorrect Fit:** Double-check that the spacer is installed in the correct location and orientation. Refer to your refrigerator's service manual for precise placement.

- **Spacer Not Seated Properly:** Ensure the spacer is fully seated and secured. A loose spacer may not provide the intended support or spacing.
- **Issue Persists:** If the original problem (e.g., misalignment, rattling) persists after replacing the spacer, the spacer may not have been the root cause of the issue. Further diagnosis of the refrigerator may be required.
- **Damage During Installation:** Inspect the spacer for any damage that might have occurred during installation. A damaged spacer should be replaced.

If troubleshooting does not resolve the issue, it is recommended to contact a qualified appliance technician for further assistance.

6. SPECIFICATIONS

Part Number	241684801
Replaces Part Numbers	1196673, 5304404351, AH1526409, EA1526409, PS1526409
Included Components	Spacer (1 unit)
Manufacturer	ForeverPRO
Compatibility	Frigidaire, Electrolux, Gibson, Kelvinator, Westinghouse, and others

7. WARRANTY AND SUPPORT

ForeverPRO is a USA-based company committed to providing high-quality, durable OEM-spec parts. While specific warranty details for this individual component are not provided in the product information, ForeverPRO typically stands behind the quality of its products.

For detailed warranty information, technical support, or assistance with installation, please contact ForeverPRO directly through their official website or the retailer from whom the product was purchased. When contacting support, please have your product's part number (241684801) and your refrigerator's model number readily available.

Contact Information:

- Refer to the packaging or the retailer's website for the most current contact details.
- Visit the [ForeverPRO brand page on Amazon](#) for general brand information.
