

SALAV 44AMZ

SALAV Professional Garment Steamer with Built-in Ironing Board (Model 44AMZ) - Instruction Manual

Brand: SALAV | Model: 44AMZ

1. INTRODUCTION

Thank you for choosing the SALAV Professional Garment Steamer. This manual provides essential information for the safe and efficient operation of your new appliance. Please read all instructions carefully before use and retain for future reference.

This powerful 1500W garment steamer features a built-in rotating ironing board, 4 steam settings, and a removable 1.8L water tank, designed for effective wrinkle removal and fabric refreshing.

2. IMPORTANT SAFETY INSTRUCTIONS

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons, including the following:

- Read all instructions before using the appliance.
- Use the appliance only for its intended use.
- To protect against a risk of electric shock, do not immerse the appliance in water or other liquids.
- Never yank cord to disconnect from outlet; instead, grasp plug and pull to disconnect.
- Do not allow cord to touch hot surfaces. Let appliance cool completely before putting away.
- Always disconnect appliance from electrical outlet when filling with water or emptying, and when not in use.
- Do not operate appliance with a damaged cord or if the appliance has been dropped or damaged.
- Do not direct steam at people, animals, or electrical appliances.
- Hot metal parts, hot water, and steam can cause burns. Exercise caution when you turn a steam appliance upside down – there may be hot water in the reservoir.
- Use only distilled or de-mineralized water. Tap water may cause mineral buildup and damage the unit.

3. PACKAGE CONTENTS

Your SALAV Professional Garment Steamer package includes the following components:

- SALAV Professional Garment Steamer Base with 1.8L Removable Water Tank
- Adjustable Dual-Bar Support Frame
- Steam Hose with Steam Nozzle
- Built-in Rotating Ironing Board
- Collar Rounder & Hanger
- Creaser

4. SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Assemble Pole:** Insert the adjustable dual-bar support frame into the base unit. Secure any locking mechanisms.
3. **Attach Hanger/Board:** Place the folding hanger and built-in ironing board assembly onto the top of the support frame. Ensure it is securely seated.
4. **Connect Hose:** Connect the steam hose to the steam outlet on the base unit. Turn clockwise until it double-locks securely.
5. **Fill Water Tank:** Remove the 1.8L water tank from the base. Unscrew the cap, fill with distilled or demineralized water, and securely replace the cap. Insert the filled tank back into the base.
6. **Attach Accessories:** Attach desired accessories (creaser, fabric brush, collar rounder) to the steam nozzle as needed.

5. OPERATING INSTRUCTIONS

1. **Power On:** Plug the steamer into a 120V AC electrical outlet. Press the power button located on the base unit. The indicator light will illuminate.
2. **Heat Up:** Allow approximately 45 seconds for the steamer to heat up and produce continuous steam.
3. **Select Steam Setting:** Rotate the steam control dial to select the appropriate setting for your fabric type: Silk, Wool, Cotton, or Linen.
4. **Prepare Garment:** Hang the garment on the integrated hanger or use the clips on the ironing board. For best results, gently pull the fabric taut.
5. **Steam:** Hold the steam nozzle a few inches from the fabric. Move the nozzle in a downward motion, allowing the steam to penetrate the fibers. For stubborn wrinkles, press the nozzle gently against the fabric while steaming.
6. **Use Ironing Board:** Utilize the built-in rotating ironing board for a flat pressing surface. Adjust the board to your desired angle (180° horizontal to 90° vertical) for collars, sleeves, and hems.
7. **Using Accessories:**
 - **Fabric Brush:** Use to lift lint and penetrate fibers for deeper steam absorption.
 - **Creaser:** Attach to create sharp, professional pleats and folds.
 - **Collar Rounder:** Use to support collars and provide a hanging base.
8. **Power Off:** When finished, press the power button to turn off the unit. Unplug from the outlet and allow to cool before storing.

6. MAINTENANCE

- **Descaling:** To prevent mineral buildup, especially if using non-distilled water, descale the unit regularly (e.g., monthly). Use a commercial descaling solution designed for steamers or a mixture of white vinegar and water. Follow the descaling product's instructions carefully.
- **Cleaning:** Wipe the exterior of the steamer with a soft, damp cloth. Do not use abrasive cleaners. Clean the steam nozzle by wiping away any residue.
- **Storage:** Empty the water tank after each use. Allow the unit to cool completely before storing. Collapse the

adjustable pole for compact storage.

THREE INCLUDED ACCESSORIES

To help you achieve lint-free, perfectly creased, and well-shaped garments

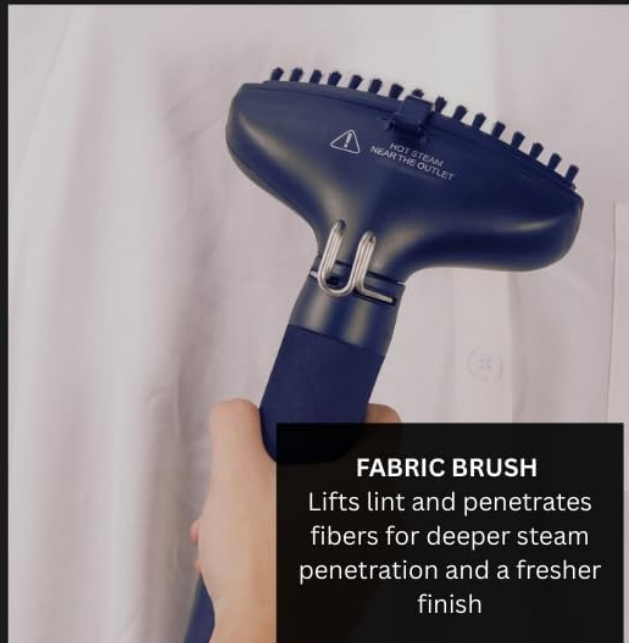

COLLAR ROUNDER & HANGER
Molded to support your collar and provide a hanging base for the steam head and hangers

CREASER
