Casaria Paul Set

Casaria Paul Set 5-Piece Dining Table with 4 Chairs - Faggio

Model: Paul Set | Brand: Casaria

INTRODUCTION

This manual provides comprehensive instructions for the assembly, safe use, and proper maintenance of your Casaria Paul Set 5-Piece Dining Table with 4 Chairs. Please read this manual thoroughly before assembly and use to ensure optimal performance and longevity of your product.

Image: The Casaria Paul Set, featuring a rectangular Faggio-colored table and four matching chairs with metal frames, arranged in a contemporary dining space.

SAFETY INSTRUCTIONS

- **Weight Capacity:** Do not exceed the stated weight capacity for the table or chairs. Overloading can lead to structural damage or injury.
- **Stable Surface:** Always place the table and chairs on a flat, stable, and level surface to prevent tipping.
- **Children:** Supervise children around the furniture to prevent accidents. Do not allow children to climb on the table or chairs.
- **Assembly:** Ensure all components are correctly assembled and all fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Moving Furniture:** When moving the table or chairs, lift them rather than dragging to prevent damage to the furniture or flooring.

PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts

are missing or damaged, please contact customer support.

- 1 x Dining Table (Faggio color top, metal frame)
- 4 x Dining Chairs (Faggio color seats, metal frames)
- 1 x Assembly Materials (screws, bolts, washers, Allen key, etc.)
- 1 x Assembly Instructions Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for the Casaria Paul Set. Please follow the detailed assembly instructions provided in the package. For best results, we recommend the following:

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware. Keep the assembly instructions manual handy.
2. **Tools:** An electric screwdriver is recommended to expedite the assembly process due to the number of screws involved.
3. **Teamwork:** Assembly may be easier with two people, especially when aligning components where screw holes may not perfectly match initially. One person can hold and align while the other fastens.
4. **Fasteners:** Do not fully tighten all screws until all components are loosely assembled. This allows for minor adjustments. Once all parts are in place, tighten all fasteners securely.
5. **Protective Feet:** Ensure all protective feet are attached to the bottom of the table and chair legs to prevent scratching floors.

OPERATING INSTRUCTIONS (USAGE)

The Casaria Paul Set is designed for use as a dining set in various indoor environments such as kitchens, dining rooms, and living rooms. Its compact and modern design makes it suitable for spaces of different sizes.

- **Seating:** The chairs are designed for single-person use. Avoid standing on the chairs or using them as step stools.
- **Table Use:** The table provides a stable surface for meals, work, or other activities. Avoid placing excessively hot items directly on the tabletop without protection.
- **Placement:** Position the set in a location that allows for comfortable movement around the table and chairs.

MAINTENANCE

Regular maintenance will help preserve the appearance and extend the lifespan of your dining set.

- **Cleaning:** Clean the table and chair surfaces with a damp cloth. For stubborn stains, a mild soap solution can be used, followed by wiping with a clean, dry cloth. The surfaces are water-repellent and

easy to clean.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or solvents, as these can damage the finish of the MDF and metal components.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Protection:** Avoid prolonged exposure to direct sunlight or extreme humidity, which can affect the material over time.

TROUBLESHOOTING

If you encounter any issues with your Casaria Paul Set, refer to the following common problems and solutions:

- **Wobbly Table/Chairs:**
 - Ensure all assembly screws and bolts are fully tightened.
 - Verify the furniture is placed on a level surface. Adjust floor glides if present.
- **Damaged Packaging / Missing Parts:**
 - If the packaging arrives damaged, carefully inspect all contents. Refer to the package contents list to confirm all parts are present. Contact customer support immediately if parts are missing or damaged.
- **Difficulty with Screw Alignment during Assembly:**
 - Apply gentle pressure to align components. Do not force screws, as this can strip threads. Loosely assemble all parts before fully tightening any screws.

SPECIFICATIONS

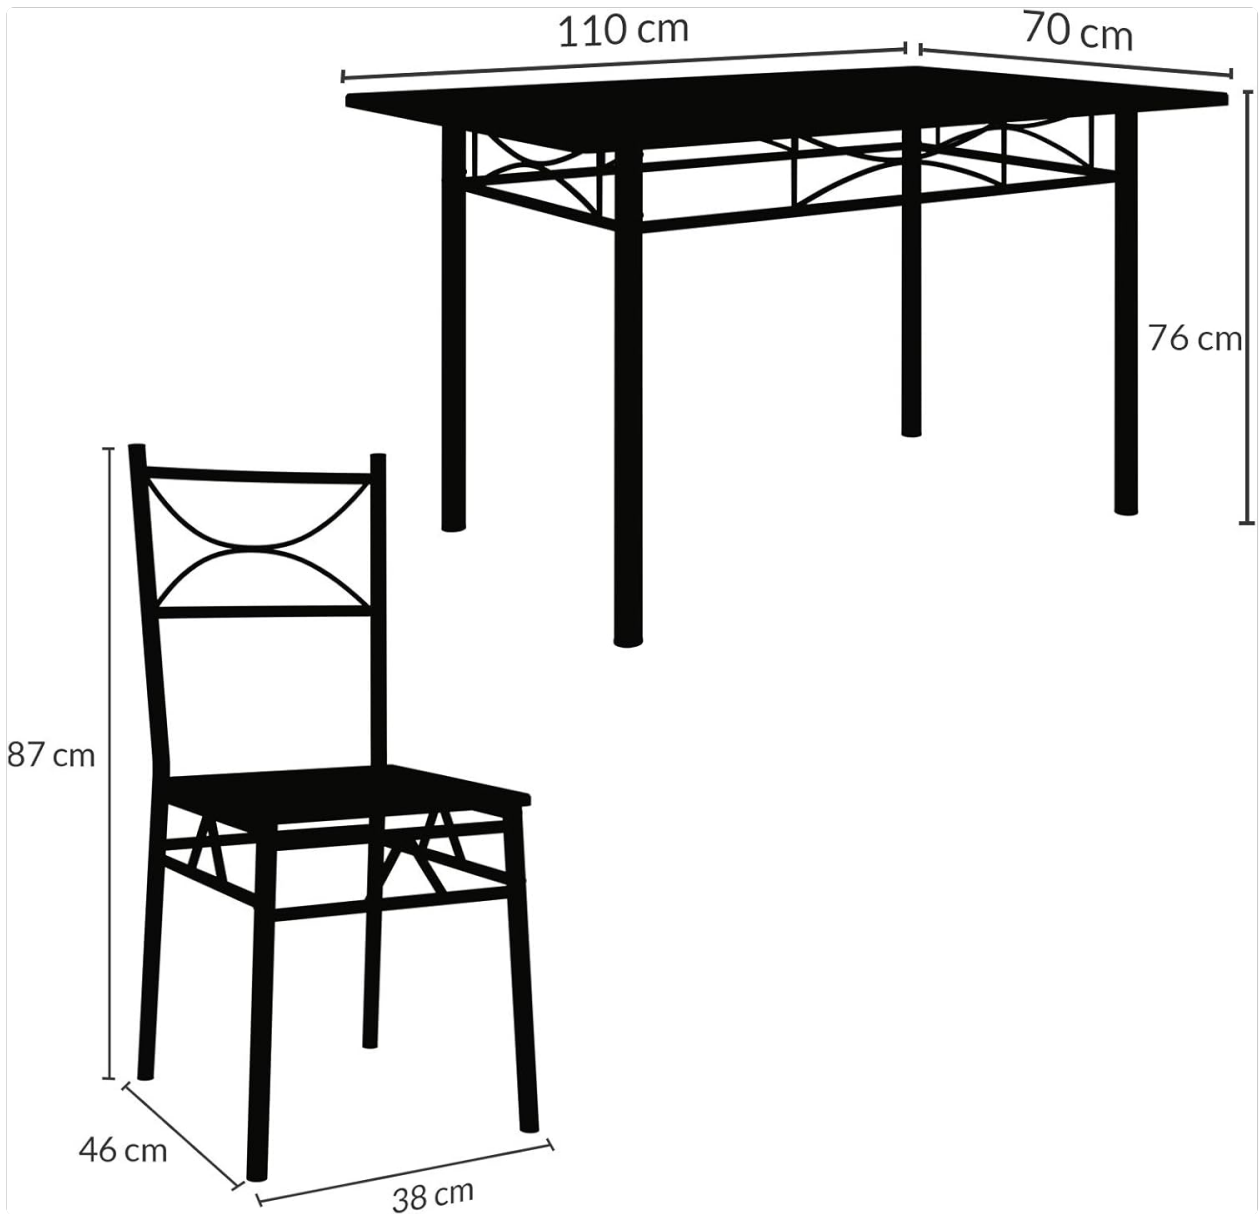

Image: Dimensional diagram for the Casaria Paul Set, illustrating table and chair measurements.

Feature	Detail
