3. WEARING INSTRUCTIONS

The Kalenji Running Beanie is designed for a snug yet comfortable fit. To wear:

1. Ensure the beanie is oriented correctly with the Kalenji logo facing forward.
2. Gently pull the beanie over your head, ensuring it covers your ears for maximum warmth.
3. Adjust the fit to ensure it is comfortable and does not obstruct your vision. The stretchy material will conform to your head shape.

4. USAGE GUIDELINES

This beanie is specifically designed for active use in cold weather conditions. It is suitable for:

- Running in cool to cold temperatures.
- Cycling, especially under a helmet (due to its thin profile).

- Hiking and trekking in chilly environments.
- General outdoor sports where head warmth and breathability are desired.

Avoid using the beanie in extreme heat or conditions where head covering is not recommended for safety.

5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your Kalenji Running Beanie. Follow these guidelines:

- **Washing:** Machine wash cold with similar colors. Use a gentle cycle.
- **Detergent:** Use a mild detergent. Avoid bleach or harsh chemicals.
- **Drying:** Air dry flat or hang to dry. Do not tumble dry, as high heat can damage the fabric and elasticity.
- **Ironing:** Do not iron.
- **Storage:** Store in a clean, dry place away from direct sunlight when not in use.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Beanie feels too tight or too loose.	Individual head size variation.	The beanie is designed to be stretchy and adapt. If discomfort persists, ensure it is positioned correctly.
Not providing enough warmth.	Extreme cold conditions; improper layering.	This beanie is for lightweight warmth. For extreme cold, consider additional headwear or a thicker alternative. Ensure ears are fully covered.
Retains moisture/sweat.	Very high exertion levels; saturated fabric.	While quick-drying, intense sweating can saturate any fabric. Allow to air dry completely after use. Consider taking breaks to cool down.
