Image: Front view of both AIRAUX AA-UM2 earbuds.

Earbud Components:

- **Multi-function Button:** For power, playback, calls, and voice assistant.
- **LED Indicator:** Shows power, pairing, and charging status.
- **Microphone:** For calls.

- **Charging Contacts:** For charging inside the case.
- **Ear Hook:** Provides a secure fit, especially during physical activity.

Charging Case Components:

- **Earbud Charging Slots:** Securely holds and charges the earbuds.
- **Charging Port:** For connecting the USB charging cable to charge the case.
- **Case LED Indicator:** Shows charging status of the case.

4. SETUP

4.1 Charging the Earbuds and Case

1. **Initial Charge:** Before first use, fully charge both the earbuds and the charging case.
2. **Charging Earbuds:** Place the earbuds into their respective slots in the charging case. The earbud LED indicators will show charging status (e.g., red while charging, off when fully charged).
3. **Charging Case:** Connect the USB charging cable to the charging port on the case and to a power source (e.g., USB wall adapter, computer USB port). The case LED indicator will show charging status.

Note: Ensure the charging contacts on the earbuds and in the case are clean and dry for optimal charging.

4.2 Powering On/Off

- **Power On:** The earbuds will automatically power on when removed from the charging case. Alternatively, press and hold the Multi-function Button on each earbud for approximately 3 seconds until the LED indicator flashes.
- **Power Off:** Place the earbuds back into the charging case to automatically power off. Alternatively, press and hold the Multi-function Button on each earbud for approximately 5 seconds until the LED indicator flashes red and then turns off.

4.3 Bluetooth Pairing

1. First-time Pairing (Stereo Mode):

- Remove both earbuds from the charging case. They will automatically power on and attempt to pair with each other.
- Once paired with each other (one earbud's LED will flash red/blue, the other will flash blue slowly), enable Bluetooth on your device (smartphone, tablet, etc.).
- Search for "AIRAUX AA-UM2" in the list of available Bluetooth devices and select it to connect.
- Once connected, the LED indicators on both earbuds will flash blue slowly.

2. Single Earbud Mode: You can use either the left or right earbud independently.

- Remove only one earbud from the charging case. It will automatically enter pairing mode.
- Enable Bluetooth on your device and select "AIRAUX AA-UM2" to connect.

3. Automatic Reconnection: After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case, provided Bluetooth is enabled on the device.

4.4 Wearing the Earbuds

For optimal sound quality and comfort, choose the ear tips that best fit your ears. Insert the earbuds into your ear canal and rotate them slightly to ensure a snug fit. Adjust the ear hooks over your ears for added stability, especially during exercise.

5. OPERATING INSTRUCTIONS

The Multi-function Button on each earbud controls various functions.

5.1 Music Playback

- **Play/Pause:** Single press the Multi-function Button on either earbud.
- **Next Track:** Double press the Multi-function Button on the *right* earbud.
- **Previous Track:** Double press the Multi-function Button on the *left* earbud.

5.2 Call Management

- **Answer/End Call:** Single press the Multi-function Button on either earbud.
- **Reject Call:** Press and hold the Multi-function Button on either earbud for approximately 2 seconds.

5.3 Voice Assistant

- **Activate Voice Assistant (Siri/Google Assistant):** Triple press the Multi-function Button on either earbud.

6. MAINTENANCE

6.1 Cleaning

- Regularly clean the earbuds, ear tips, and charging contacts with a soft, dry, lint-free cloth.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.

6.2 Storage

- When not in use, store the earbuds in their charging case to protect them and keep them charged.
- Store in a cool, dry place, away from extreme temperatures and direct sunlight.

6.3 Water Resistance (IPX5)

The AIRAUX AA-UM2 earbuds are rated IPX5 water-resistant, meaning they can withstand splashes and sweat. They are suitable for workouts and light rain. However, they are not designed for swimming, showering, or submersion in water. Ensure the earbuds are completely dry before placing them back into the charging case to prevent damage.

7. TROUBLESHOOTING

If you encounter issues with your earbuds, refer to the following common solutions:

- **Earbuds not pairing with each other:**
 - Ensure both earbuds are charged.
 - Place both earbuds back into the charging case, then remove them simultaneously to force re-pairing.
 - If issues persist, try resetting the earbuds (refer to the full manual for specific reset procedures if available, or try forgetting the device on your phone and re-pairing).
- **Earbuds not connecting to device:**
 - Ensure Bluetooth is enabled on your device and the earbuds are in pairing mode.
 - Forget "AIRAUX AA-UM2" from your device's Bluetooth list and attempt to pair again.
 - Ensure the earbuds are within the Bluetooth range (typically 10 meters/33 feet).
- **No sound from one earbud:**
 - Check if both earbuds are charged.
 - Place both earbuds back into the charging case, then remove them to re-establish the stereo connection.
 - Ensure the volume on your device is turned up.
- **Charging issues:**
 - Ensure the charging cable is securely connected to both the case and the power source.
 - Clean the charging contacts on the earbuds and in the case.
 - Try a different USB cable or power adapter.
