Xiaomi MQXJQ01KL

XIAOMI MIJIA Lint Remover User Manual

Model: MQXJQ01KL | Brand: Xiaomi

INTRODUCTION

The XIAOMI MIJIA Lint Remover is a portable fabric shaver designed to efficiently remove lint, fuzz, and pills from various types of clothing and fabrics. Its compact design and rechargeable battery make it convenient for home use and travel, helping to restore the fresh appearance of your garments.

WHAT'S IN THE Box

- XIAOMI MIJIA Lint Remover Unit
- USB Type-C Charging Cable
- Cleaning Brush

Image: The lint remover unit alongside its retail packaging, showcasing the compact design and included accessories.

PRODUCT FEATURES

- **0.35mm Micro-Arc Knife Net:** Designed to prevent damage to clothes by avoiding deformation of the knife net.
- **5-Blade Whirlwind Floating Cutter Head:** Increases shearing efficiency for effective fluff removal.
- **Negative Pressure Centrifugal Fan Blade:** Features a new design for stable and reliable suction.
- **Anti-Backflow Air Duct Design:** Prevents lint from flowing back and re-soiling clothes.
- **Double Safety Protection Device:** Automatically cuts off power when the cutter head cover or lint bin is removed.
- **90 Minutes Long Endurance:** Provides extended use with a 1300mAh lithium battery and two hours of fast charging.
- **Hidden Indicator Light:** Displays the machine's working status and power level.
- **Transparent Lint Bin:** Allows users to easily monitor the accumulated lint.

SETUP

1. **Initial Charge:** Before first use, fully charge the lint remover. Connect the provided USB Type-C cable to the charging port on the device and plug the other end into a compatible USB power adapter (not included). The hidden indicator light will show charging status.
2. **Inspect Device:** Ensure the lint bin is securely attached and the cutter head cover is properly in place before operation.

Image: The compact design of the lint remover, easily held in one hand, ready for use.

OPERATION

- 1. Prepare Fabric:** Lay the garment or fabric flat on a hard, smooth surface. Ensure the fabric is taut to prevent it from being pulled into the shaver.
- 2. Turn On:** Press the power button located on the device to turn it on. The indicator light will illuminate.
- 3. Apply to Fabric:** Gently glide the shaver head over the pilled or lint-covered area. Apply light, even pressure. Avoid pressing too hard, as this can damage the fabric or the device.
- 4. Observe Results:** Continue moving the shaver over the affected areas until the lint and pills are removed. The transparent lint bin allows you to see the collected debris.
- 5. Turn Off:** Once finished, press the power button again to turn off the device.

Image: The lint remover effectively removing pills from a coat, showcasing its versatility on different fabric types.

MAINTENANCE

1. **Emptying the Lint Bin:** After each use, or when the transparent bin appears full, slide off the lint collection container. Dispose of the collected lint.
2. **Cleaning the Cutter Head:** Use the provided cleaning brush to gently remove any remaining lint or debris from the cutter head and the inside of the device. Ensure the device is turned off before cleaning.
3. **Reassemble:** Securely reattach the lint bin and cutter head cover.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Low battery; Safety protection activated.	Charge the device fully. Ensure the lint bin and cutter head cover are correctly installed.
Lint not effectively removed.	Lint bin is full; Blades are dull or clogged; Incorrect usage.	Empty and clean the lint bin. Clean the cutter head with the brush. Ensure fabric is flat and taut, and apply gentle, even pressure.
Unusual noise during operation.	Lint or debris caught in blades; Loose parts.	Turn off and carefully clean the cutter head. If the issue persists, contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	Xiaomi Mijia

Feature	Detail
Product Model	MQXJQ01KL
Net Weight	213g
Product Dimensions	145x62x65mm (5.71"H x 2.44"W x 2.56"D)
Product Color	White
Input Parameters	5V==1A
Rated Voltage	DC3.7V
Rated Power	2W
Battery Type	1300mAh Lithium Battery
Charging Time	Approx. 2 hours
Operating Time	Approx. 90 minutes
Material	Stainless Steel (Blades/Handle)

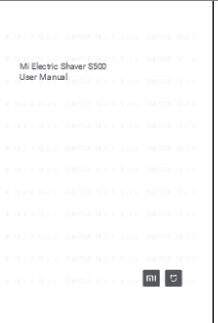

WARRANTY & SUPPORT

For warranty information, technical support, or service inquiries, please refer to the official Xiaomi website or contact your local authorized dealer. Keep your purchase receipt as proof of purchase for warranty claims.
