FOREVER SB-320

Forever Smartwatch ForeVive SB-320 User Manual

Model: SB-320 | Model Number: 780461

INTRODUCTION

This manual provides comprehensive instructions for the proper use and maintenance of your Forever Smartwatch ForeVive SB-320. Please read this manual carefully before using the device to ensure optimal performance and longevity. The ForeVive SB-320 is designed to be a versatile fitness tracker and smart companion, offering features such as heart rate monitoring, sleep analysis, activity tracking, and smart notifications.

PRODUCT OVERVIEW AND COMPONENTS

The Forever Smartwatch ForeVive SB-320 comes with the main watch unit and a charging cable.

- **Main Watch Unit:** Features a 1.3-inch LCD color screen (240x240 px), various sensors, and a removable strap.
- **Charging Cable:** Standard USB connector integrated into the strap for convenient charging.

Image: Rear view of the ForeVive SB-320 smartwatch with a metal mesh strap, clearly showing the optical heart rate sensor with a green light and charging pins.

SETUP

1. Charging the Device

To charge your ForeVive SB-320, gently remove the upper part of the wristband. This will reveal a standard USB connector. Plug this connector directly into any standard USB port on a PC, laptop, or a compatible USB wall adapter.

- A full charge takes approximately 2 hours.
- Once fully charged, the battery life can last 4 to 7 days in standby mode, depending on usage.

2. App Installation and Pairing

For full functionality, download the dedicated "Forever Smart" application on your smartphone. The watch is compatible with Bluetooth 4.2.

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the "Forever Smart" app and follow the on-screen instructions to search for and pair with your ForeVive SB-320.

3. Once paired, the watch will automatically synchronize with your smartphone, enabling smart notifications and data transfer.

OPERATING INSTRUCTIONS

Basic Navigation

The ForeVive SB-320 features a touch-sensitive screen for navigation. Swipe left/right or up/down to access different functions and menus. A single physical button on the side typically serves as a back button or to wake the screen.

Smart Notifications

Once paired with your smartphone, the watch can display notifications for incoming calls, text messages, and various applications. Manage notification settings within the "Forever Smart" app.

Music Control

Control music playback on your connected smartphone directly from your watch. This feature allows you to play, pause, skip tracks, and adjust volume.

Multi-Sport Function

The watch supports multiple sport modes to accurately track your workouts. Select the desired sport mode before starting your activity for precise data collection.

Alarm and Weather Information

Set silent alarms through the app to wake you gently. The watch can also display weather information synchronized from your smartphone.

HEALTH MONITORING

Heart Rate Monitor

The ForeVive SB-320 continuously monitors your heart rate. You can view real-time heart rate data on the watch and track trends over time in the "Forever Smart" app. This helps in understanding your resting heart rate and its relation to your activity levels.

Image: The ForeVive SB-320 smartwatch with a silicone strap, showing a heart rate reading of 80 BPM on its display.

Sleep Analysis

The watch automatically captures your sleep patterns, providing insights into your sleep quality. Review your sleep data in the app to help improve your rest.

Activity Tracking

Accurately track your daily activities including steps taken, distance covered, and calories burned. Comprehensive analysis of your activity data is available in the companion application.

MAINTENANCE

Water Resistance (IP67)

The ForeVive SB-320 is rated IP67 water-resistant, meaning it is protected against dust and can withstand immersion in water up to 1 meter for up to 30 minutes. It is suitable for daily use and can withstand splashes, rain, and brief immersion. However, it is not recommended for swimming or showering with hot water.

Cleaning

To clean your smartwatch, wipe it gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the device. Ensure the charging contacts are clean and dry before charging.

TROUBLESHOOTING

If you encounter issues with your ForeVive SB-320, please refer to the following common solutions:

- **Device not turning on:** Ensure the watch is fully charged. Connect it to a USB power source for at least 15 minutes.
- **Cannot pair with smartphone:**
 - Ensure Bluetooth is enabled on your phone and the watch is within range.
 - Restart both the watch and your smartphone.
 - Try unpairing and re-pairing the device through the "Forever Smart" app.
- **Inaccurate heart rate/activity data:**
 - Ensure the watch is worn snugly on your wrist, not too loose or too tight.
 - Clean the sensor on the back of the watch.
 - Ensure the app is updated to the latest version.
- **Notifications not appearing:**
 - Check notification permissions for the "Forever Smart" app on your smartphone.
 - Ensure the watch is connected via Bluetooth.
 - Verify notification settings within the "Forever Smart" app.

For further assistance, please contact Forever customer support.
