SANJICHA Waterproof Car Seat Organizer Instruction Manual

Model: vanyo-001

INTRODUCTION

Thank you for choosing the SANJICHA Waterproof Car Seat Organizer. This manual provides detailed instructions for the proper installation, use, and maintenance of your new car accessory. Designed to keep your vehicle tidy and protect your seats, this organizer offers convenient storage and entertainment options for passengers.

PRODUCT OVERVIEW AND FEATURES

The SANJICHA Car Seat Organizer is designed to enhance your travel experience by providing organized storage and seat protection. Key features include:

- **Spacious Organization:** Measures 62 x 42 cm, fitting most car models. Features 6 compartments of various sizes for snacks, toys, bottles, and other travel essentials.
- **Clear Tablet Holder:** Includes a transparent viewing window for tablets up to 12.5 inches, offering touch sensitivity for easy media consumption.
- **Seat Protection:** Constructed from durable 600D Oxford material, which is waterproof and easy to clean, protecting your car seat from scratches, dirt, and wear.
- **Easy Installation:** Equipped with adjustable straps and buckles for secure attachment to the headrest and rear seat.
- **Universal Compatibility:** Compatible with 99% of cars, trucks, SUVs, and other vehicles.

SETUP AND INSTALLATION

Installing the SANJICHA Car Seat Organizer is quick and straightforward. Follow these steps for a secure fit:

1. Position the organizer against the back of the front car seat, ensuring the tablet holder is at an appropriate viewing height for the rear passenger.
2. Locate the top adjustable strap. Wrap it around the headrest posts and secure the buckle. Adjust the strap length to ensure the organizer hangs securely and flat against the seat back.
3. Locate the bottom adjustable strap. Wrap it around the base of the car seat or the seat's connection point to the backrest. Secure the buckle and tighten the strap to prevent the organizer from swinging or shifting during travel.
4. Ensure all straps are snug but not overly tight, allowing for easy removal if needed.

OPERATING AND USAGE

Once installed, the SANJICHA Car Seat Organizer is ready for use. Utilize its various compartments to keep your car tidy and your essentials within reach.

- **Tablet Holder:** Insert your tablet (up to 12.5 inches) into the clear pocket. The touch-sensitive screen allows for interaction without removing the device.
- **Storage Pockets:** Use the multiple pockets to store drinks, snacks, books, small toys, tissues, and other items. The varied sizes accommodate different objects.
- **Seat Protection:** The durable Oxford fabric acts as a barrier, protecting the back of your car seat from scuffs, dirt, and spills, especially from children's feet.

MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your SANJICHA Car Seat Organizer, follow these simple maintenance guidelines:

- **Cleaning:** The 600D Oxford material is waterproof and easy to clean. Wipe down any spills or dirt with a damp cloth. For tougher stains, a mild soap solution can be used.
- **Drying:** Allow the organizer to air dry completely before reinstalling it in your car. Do not machine wash or tumble dry.
- **Storage:** When not in use, the organizer can be folded for compact storage.

TROUBLESHOOTING

If you encounter any issues with your SANJICHA Car Seat Organizer, refer to the following common solutions:

- **Organizer is not stable/sags:** Ensure both the top and bottom adjustable straps are securely fastened and tightened appropriately. Adjust the strap length to achieve a snug fit against the seat back.
- **Tablet screen is not responsive through the clear pocket:** Ensure the tablet is properly seated within the pocket and that there are no air bubbles or debris between the screen and the clear film. Some screen protectors on the tablet itself might affect touch sensitivity.
- **Pockets seem too small/large:** The organizer features pockets of various sizes. Ensure you are using the appropriate pocket for the item you wish to store.
