

LEGO 71360

LEGO Super Mario Adventures with Mario Starter Course

Model: 71360 | Brand: LEGO

INTRODUCTION

Kids can team up with their favourite character from the game in the real world with this LEGO Super Mario Adventures with Mario Starter Course (71360) toy. The Super Mario buildable game allows rearranging bricks to create new levels to master. This set features a LEGO Super Mario interactive figure that gives instant expressive responses via the LCD screens and speaker. Players earn virtual coins moving LEGO Mario figure from the Start Pipe to the Goal Pole via spinning and cloud platforms, the ? Block, experiencing super battles with the Goomba and Bowser Jr. figures on the way. A free LEGO Super Mario app is available for enhanced play with this great gift idea for kids aged 6+ years old. It has zoom and rotate viewing tools to make building easier, suggests other creative ways to build and play, and is a safe forum to share ideas with friends. For a list of compatible Android and iOS devices, visit [LEGO.com/devicecheck](https://www.lego.com/devicecheck). Combine the Starter Course Super Mario buildable toy with LEGO Super Mario Expansion Sets to create more challenging levels and games to play with and against friends. Contains 231 pieces.

OPERATING INSTRUCTIONS

Interactive Mario Figure

The LEGO Mario figure is equipped with color sensors, LCD screens in its eyes, mouth, and belly, and a speaker. These features allow Mario to display over 100 different instant reactions to movement and interactions with the course elements. The figure plays iconic sounds and music from the classic video game.

The interactive Mario figure features LCD screens for expressive reactions and a speaker for sounds.

Gameplay

To start a game, place LEGO Mario in the Start Pipe. Players earn virtual coins by moving LEGO Mario through the course, interacting with various elements. Mario collects coins as he runs and jumps, touches 7 action bricks for different interactions, and can engage in battles with figures like Goomba and Bowser Jr. The goal is to reach the Goal Pole within the time limit, typically 60 seconds, to complete the level.

- **Cleaning:** Clean LEGO bricks and the Mario figure with a soft, damp cloth. Do not submerge the interactive Mario figure in water or use harsh chemicals, as this may damage the electronic components.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and warping of plastic elements. Keep small pieces organized to avoid loss.
- **Battery Care:** Remove batteries from the interactive Mario figure if the toy will not be used for an extended period to prevent battery leakage.

TROUBLESHOOTING

- **Mario Figure Not Responding:** Check if the batteries are correctly installed and have sufficient charge. Replace batteries if necessary. Ensure the figure is turned on.
- **App Connectivity Issues:** Make sure Bluetooth is enabled on your device and the LEGO Mario figure is within range. Restart both the app and the Mario figure. Ensure the app is updated to the latest version.
- **Incorrect Reactions:** Ensure the Mario figure's sensor on the bottom is clean and free from debris. Verify that you are placing Mario on authentic LEGO Super Mario elements with scannable codes.

SPECIFICATIONS

Product Dimensions	12.48 x 10.31 x 3.54 inches
Item Weight	1.1 pounds
Model Number	71360
Manufacturer Recommended Age	6 years and up
Batteries Required	2 AAA batteries (not included)
Release Date	August 1, 2020
Manufacturer	LEGO
