AWESAFE 7-inch 2 DIN Car Radio for Ford Instruction Manual

Model: 55603228-e499-464c-9af8-622eafd1a038

1. Introduction

This manual provides detailed instructions for the installation, operation, and maintenance of your AWESAFE 7-inch 2 DIN Car Radio. This unit is designed for specific Ford models and offers a range of features including a touch screen, Bluetooth, GPS navigation, FM/RDS radio, CD/DVD player, USB/SD media playback, steering wheel control support, Mirrorlink functionality, and parking assistance.
Please read this manual thoroughly before using the product to ensure proper operation and to prevent damage.

2. Vehicle Compatibility

This car radio is compatible with the following Ford models. Please verify your vehicle's model and year before installation. The front panel dimensions are 230 mm x 120 mm.

- Ford Focus: 2005-2007
- Ford Kuga: 2008-2012
- Ford C-Max: 2005-2007
- Ford S-Max: 2006-2011
- Ford Fiesta: 2005-2007
- Ford Fusion: 2006-2011
- Ford Transit: 2005-2011
- Ford Connect: 2007-2009
- Ford Galaxy: 2006-2008
- Ford Mondeo: 2003-2007

Note: If the unit's size is correct but the vehicle year does not match, steering wheel controls may not function correctly.

Figure 2.1: Compatible Ford Models and Years.

3. Setup and Installation

The car radio comes with all necessary cables and a frame for installation. It features quick connectors that directly fit into your vehicle's existing wiring harnesses, eliminating the need for cutting or stripping wires.

3.1 General Installation Steps

1. Ensure the vehicle's ignition is off and the battery is disconnected before starting installation.
2. Remove the original car radio from the dashboard.
3. Connect the provided wiring harness to the car radio and the vehicle's wiring.
4. Connect the GPS antenna and route it to a suitable location on the dashboard for optimal signal reception.
5. If installing a rear camera (not included), connect it to the designated RCA input.
6. Carefully slide the new car radio into the dashboard opening.
7. Reconnect the vehicle battery and test the unit's functions.

3.2 CD/DVD Player Preparation

Before using the CD/DVD player, ensure that any transport screws located on top of the radio unit are removed. Failure to do so may prevent discs from being fully inserted or ejected.

Figure 3.1: CD/DVD Player and RGB Buttons. Remember to remove transport screws.

4. Operating Instructions

4.1 General Interface and Controls

Figure 4.1: Main Interface and Equalizer Settings.

The unit features a 7-inch touch screen for intuitive control. Physical buttons and knobs are also available for common functions like volume, navigation, and menu access.

4.2 GPS Navigation

The unit includes a pre-loaded SD card with European maps. You can plan routes using postal codes, addresses, Points of Interest (POIs), or coordinates. The system supports 2D/3D map views and allows for music playback during navigation. You can configure the navigator to start automatically when the vehicle is turned on.

4.3 Bluetooth Connectivity

The built-in microphone and Bluetooth functionality enable hands-free calling for both iOS and Android mobile phones. You can also stream music wirelessly from your device.

4.4 FM/AM Radio with RDS

The high-quality digital stereo tuner (RDS) allows for automatic or semi-automatic searching of radio stations. Enjoy clear

reception and station information where available.

4.5 Audio and Media Playback

Play music and videos from CD, DVD, USB, SD card, or via Bluetooth. The unit offers an equalizer with presets (Jazz, Rock, Pop, Classic, etc.) and allows individual volume control for each speaker.

4.6 Steering Wheel Controls

The system supports your vehicle's original steering wheel controls. You can configure and customize these controls to quickly change functions without taking your hands off the wheel.

Figure 4.2: Steering Wheel Control Configuration.

4.7 Mirrorlink Functionality

Duplicate the screen of your Android smartphone onto the car radio display.**Note: This feature is not compatible with iPhone devices.**

4.8 Parking Assistance (Rear Camera Support)

Connect a rear-view camera (not included) to the unit's RCA input. The screen will automatically display the camera feed when reversing, providing visual assistance for parking maneuvers.

Figure 4.3: Rear Camera Display for Parking Assistance.

4.9 Other Features

- **Screen Brightness:** Adjust screen brightness automatically or manually for day and night driving.
- **Custom Car Logo:** Personalize the unit with a custom car logo on startup.
- **RGB Buttons:** Select from seven different colors for the button backlighting or set a single fixed color.
- **AV Output:** Transfer video to headrest monitors for passenger entertainment.

Figure 4.4: AV Output Function for Headrest Monitors.

5. Maintenance

- **Cleaning the Screen:** Use a soft, lint-free cloth to gently wipe the touch screen. Avoid abrasive cleaners or solvents.
- **General Cleaning:** Keep the unit free from dust and debris. Use a dry cloth for the exterior.
- **CD/DVD Slot:** Avoid inserting damaged or dirty discs to prevent damage to the player mechanism.

6. Troubleshooting

Problem	Possible Cause	Solution
Unit does not power on.	Loose power connection, blown fuse, vehicle battery disconnected.	Check all power connections. Inspect vehicle fuses. Ensure battery is connected.
No sound.	Volume too low, mute activated, speaker wiring issue.	Increase volume. Check if mute is active. Verify speaker connections.

Problem	Possible Cause	Solution
GPS signal lost or inaccurate.	GPS antenna obstructed or improperly placed.	Ensure GPS antenna has a clear view of the sky and is securely connected.
Steering wheel controls not working.	Incorrect vehicle model year, improper wiring, or unconfigured controls.	Verify vehicle compatibility. Check wiring connections. Configure controls in the unit's settings.
Mirrorlink not working with iPhone.	Mirrorlink feature is only compatible with Android smartphones.	This is expected behavior. Mirrorlink does not support iOS devices.
CD/DVD disc not inserting/ejecting.	Transport screws not removed, disc damaged or dirty.	Ensure transport screws are removed (refer to Section 3.2). Use clean, undamaged discs.

7. Specifications

Feature	Detail
Brand	AWESAFE
Model Number	55603228-e499-464c-9af8-622eafd1a038
