

JBL JBLT700BTBLKAM

JBL TUNE 700BT Wireless Over-Ear Headphones

USER MANUAL

Model: JBLT700BTBLKAM

Introduction

The JBL TUNE 700BT Wireless Over-Ear Headphones are designed to deliver powerful JBL Pure Bass Sound wirelessly. Featuring a lightweight, foldable design, these headphones offer maximum comfort and immersion in sound, making them ideal for any adventure. With convenient buttons on the earcup, you can easily manage calls hands-free and activate voice assistants. Enjoy extended listening sessions thanks to the impressive 27-hour battery life, or continue the fun endlessly with the included detachable audio cable. The multi-point connection feature allows simultaneous connection with two Bluetooth devices, ensuring you never miss a call while streaming content.

Setup

Charging the Headphones

Before first use, fully charge your JBL TUNE 700BT headphones. Connect the included charging cable to the charging port on the earcup and a USB power source. A full charge takes approximately 2 hours, providing up to 27 hours of playback time.

Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power button on the earcup until the LED indicator flashes blue, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.

4. Select "JBL TUNE 700BT" from the list of devices.
5. Once connected, the LED indicator will turn solid blue.

The JBL TUNE 700BT supports **Multi-Point Connection**, allowing you to connect to two Bluetooth devices simultaneously. For example, you can seamlessly switch between listening to music on your tablet and taking a call on your phone.

Hands-free Calls and Voice Assistant

Manage your calls and access your device's voice assistant directly from the headphones:

- **Answering/Ending Calls:** Press the Multi-function button once.
- **Rejecting Calls:** Press and hold the Multi-function button.

- **Activating Voice Assistant:** Double-press the Multi-function button to activate Siri, Google Assistant, or other voice assistants on your connected device.

Maintenance

To ensure the longevity and optimal performance of your JBL TUNE 700BT headphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the earcups and headband. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, fold the headphones for compact storage and place them in a protective pouch or case to prevent damage.
- **Avoid Moisture:** The headphones are not water-resistant. Keep them away from liquids and extreme humidity.
- **Temperature:** Do not expose the headphones to extremely high or low temperatures.

Troubleshooting

Problem	Possible Cause	Solution
No power	Battery is depleted.	Charge the headphones fully.
Cannot pair via Bluetooth	Headphones not in pairing mode or device Bluetooth is off.	Ensure headphones are in pairing mode (flashing blue LED). Turn off and on Bluetooth on your device.
No sound or low volume	Volume too low on headphones or device, or not connected.	Increase volume on both headphones and connected device. Re-establish Bluetooth connection.
Poor sound quality	Interference or device too far from headphones.	Move closer to the connected device. Avoid obstacles between headphones and device.

Specifications
