3. OPERATING INSTRUCTIONS

The Funko Pop! Mandalorian (Chrome) figure is a static collectible. Its primary function is for display. The head is designed to bobble, which is a characteristic feature of Funko Pop! bobbleheads.

- To activate the bobblehead feature, gently tap the head of the figure.
- Avoid excessive force when handling the bobblehead to prevent damage to the spring mechanism.

4. MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your Funko Pop! figure.

Cleaning:

- Use a soft, dry cloth to gently wipe away dust from the figure.
- For more stubborn marks, a slightly damp cloth with plain water can be used. Avoid harsh chemicals or abrasive cleaners, as these can damage the paint or chrome finish.
- Ensure the figure is completely dry before returning it to display.

Storage:

- If storing the figure, keep it in its original packaging or a protective container to prevent dust accumulation and potential damage.
- Store in a cool, dry place away from direct sunlight and extreme temperature fluctuations.

5. TROUBLESHOOTING

While Funko Pop! figures are generally robust, minor issues can occasionally occur.

Common Issues and Solutions:

- **Minor Paint Imperfections:** Due to the manufacturing process, slight variations or minor paint imperfections may occur. These are generally considered normal for mass-produced collectibles and do not typically affect the figure's overall display quality.
- **Bobblehead Head Position:** If the bobblehead's head appears misaligned or facing an unintended direction, gently adjust it by hand. The spring mechanism allows for minor repositioning.
- **Dust Accumulation:** Refer to the "Maintenance and Care" section for cleaning instructions.
