## 2. SAFETY INFORMATION

Before using the Amopé Pedi Perfect Electronic Foot File with these refills, please read all safety warnings and instructions.

### Important Safety Warnings:

- Do not use on broken, sore, or irritated skin.
- Keep the device and refills away from water and electrical hazards.
- Avoid applying excessive pressure, which can cause discomfort or injury.
- Consult a doctor before use if you have diabetes, poor circulation, or skin conditions.
- This product is intended for use on feet only.
- Keep out of reach of children.

## 3. SETUP: REFILL INSTALLATION

To install or replace a refill head on your Amopé Pedi Perfect Electronic Foot File:

1. Ensure the device is turned off.
2. Press the release button on the side of the device to remove the existing roller head.
3. Insert the desired refill head (extra coarse or exfoliating brush) into the device until it clicks securely into place.

4. Verify that the refill head is firmly attached before turning on the device.

## 4. OPERATING INSTRUCTIONS

---

Follow these steps for effective use of your Amope Pedi Perfect Electronic Foot File with the provided refills:

1. Turn on the foot scraper device.
2. Select the appropriate refill for your needs: use the extra coarse refill for tough calluses and the exfoliating brush for gentle buffing.
3. Gently glide the foot scraper over the affected areas of your feet.
4. Avoid applying too much pressure to prevent pain or injury.
5. Do not use in one area for more than 2-3 seconds at a time.
6. After use, turn off the device.

## 5. MAINTENANCE

---

Proper maintenance ensures the longevity and hygiene of your Amope Pedi Perfect refills and device.

### Cleaning the Refill Heads:

- After each use, remove the roller head from the device.
- Rinse the roller head under running water to remove dead skin particles.
- Allow the roller head to air dry completely before reattaching or storing.
- Do not immerse the electronic device itself in water.

### Refill Replacement:

- Replace refill heads when they show signs of wear or become less effective.
- Typically, refills should be replaced every 3 months with regular use, or sooner if needed.
- Only use genuine Amope Pedi Perfect replacement roller heads.

## 6. TROUBLESHOOTING

---

If you encounter issues with your Amope Pedi Perfect Electronic Foot File or its refills, consider the following:

- **Device not turning on:** Check if the batteries are correctly inserted or need replacement. Ensure the battery compartment is securely closed.
- **Reduced effectiveness:** The roller head may be worn out and needs replacement. Ensure the roller head is clean and free of debris.
- **Roller head not spinning:** Check if the roller head is correctly installed and clicked into place. Ensure there is no obstruction preventing it from spinning.
- **Discomfort during use:** Reduce pressure. Do not use on broken or irritated skin. If discomfort persists, discontinue use.
