VIAGDO Dog Stroller Instruction Manual

Model: be3d5530-4171-43df-8579-2be4d0050307
Brand: VIAGDO

1. Introduction

This instruction manual provides detailed information on the assembly, operation, and maintenance of your VIAGDO Dog Stroller. Designed for small and medium dogs and cats, this 4-wheel jogging stroller offers a comfortable and secure way to transport your pets during walks, jogs, or travel. It features a high load-bearing capacity, ample space, and convenient storage options.

Figure 1: The VIAGDO Dog Stroller, featuring a black frame with red fabric accents, designed for comfortable pet transport.

2. Setup

The VIAGDO Dog Stroller is designed for quick and easy setup, requiring no tools. Follow these steps for initial assembly:

1. Unfold the stroller frame by releasing the locking mechanism.
2. Attach the wheels securely. The 4 front wheels are 6 inches and swivel 360 degrees, while the 2 rear wheels are 8 inches and include locking brakes.
3. Ensure all components are securely locked into place before placing your pet inside.

Figure 2: The stroller features a convenient one-hand folding mechanism, making it easy to collapse and store in a car trunk for travel.

3. Operating Instructions

3.1 Pet Compartment and Safety

The pet compartment is spacious, designed to accommodate medium or large pets, or multiple smaller pets, with a capacity of at least 35 lbs. It features multiple entry points with zippers on both sides, back, and front for easy access. Detachable mesh windows provide excellent airflow and visibility for your pet. The interior includes a removable, washable pad for comfort and double seat leashes to keep your pets secure during travel.

Figure 3: Key features of the pet compartment include detachable mesh windows for ventilation, a removable pad with double seat belts for safety and comfort, and a sturdy frame with additional storage.

3.2 Wheels and Braking System

The stroller is equipped with 6 wheels for smooth maneuverability. The four 6-inch front wheels feature 360-degree rotation and shock absorption, ensuring a comfortable ride even on uneven terrain. The two 8-inch large rear wheels are fitted with locking brakes to keep the stroller stationary when needed. To engage the brake, push the lever down. To release, pull the lever up.

Figure 4: Operational features include a breathable mesh top, a convenient cup holder and storage tray, and clearly marked safety brakes on the rear wheels and swiveling front wheels.

3.3 Storage and Convenience

For your convenience, the stroller includes a cup holder and a tray holder for treats. An extra storage basket is located under the pet compartment, ideal for carrying personal items such as a purse, toys, treats, or water bottles. The stroller's compact folded size (31.5"H x 17.7"L x 7.9"W) and light weight (11.3 lbs) make it easy to transport and store.

Figure 5: Detailed dimensions of the stroller, both folded for compact storage and unfolded for use, highlighting its portability.

4. Maintenance

Proper maintenance ensures the longevity and optimal performance of your VIAGDO Dog Stroller. Follow these care instructions:

- **Frame Cleaning:** Spot clean the alloy steel frame as needed using a damp cloth and mild soap. Avoid abrasive cleaners.
- **Fabric Cleaning:** The interior pad is removable and machine washable for easy cleaning. For the Oxford Cloth canopy and main compartment, spot clean with a damp cloth and mild detergent. Allow to air dry completely before folding or storing.
- **Wheel Maintenance:** Regularly check the wheels for debris and ensure they spin freely. Lubricate axles if necessary.
- **Storage:** When not in use, store the stroller in a dry, cool place away from direct sunlight to prevent material degradation.

5. Troubleshooting

If you encounter any issues with your VIAGDO Dog Stroller, please refer to the following common troubleshooting tips:

- **Stroller not folding/unfolding smoothly:** Ensure all locking mechanisms are fully disengaged or engaged. Check for any obstructions in the folding joints.
- **Wheels not rolling freely:** Inspect wheels for tangled hair, dirt, or debris. Clean thoroughly. If the issue persists, check for proper wheel attachment and consider lubricating the axles.

- **Pet compartment zippers sticking:** Apply a small amount of zipper lubricant or graphite to the zipper teeth.
- **Stroller instability:** Ensure all wheels are properly attached and locked. Verify that the frame is fully extended and locked into position.

For issues not covered here, please contact customer support.

6. Specifications

Feature	Detail
Product Dimensions	32.3 x 18.1 x 38.9 inches
Item Weight	11 Pounds
Folded Size	31.5"H x 17.7"L x 7.9"W
Maximum Weight Recommendation	35 Pounds
