2. SAFETY INFORMATION

- Exercise caution around sharp edges during the assembly process.
- Always follow the provided assembly instructions carefully to ensure proper construction and stability.
- Keep the product away from direct heat sources to prevent damage or fire hazards.
- This product is not intended for use by children under 3 years of age due to the presence of small parts that may pose a choking hazard.

3. PACKAGE CONTENTS

Please ensure all components are present before beginning assembly:

- 1x Square Tabletop
- 4x Table Legs
- 2x Chair Seats
- 2x Chair Backrests
- 8x Chair Legs (4 per chair)
- Hardware Pack (screws, washers, Allen wrench if required)
- Assembly Instructions Manual

4. ASSEMBLY INSTRUCTIONS

The UTEX Kids Table and Chairs Set is designed for easy assembly. No special tools are required beyond what is typically provided in the hardware pack.

4.1. Table Assembly

1. Carefully unbox all components and verify against the package contents list.
2. Place the square tabletop upside down on a soft, clean surface to prevent scratches.
3. Locate the four table legs. Each leg has a threaded bolt at one end.
4. Align each table leg with the pre-drilled holes on the underside of the tabletop.
5. Gently spin each table leg clockwise until it is securely tightened. Do not overtighten.
6. Once all four legs are attached, carefully flip the table upright.

4.2. Chair Assembly (Repeat for both chairs)

1. Place a chair seat upside down on a soft, clean surface.
2. Locate the four chair legs for one chair. Each leg has a threaded bolt.
3. Align each chair leg with the pre-drilled holes on the underside of the chair seat.
4. Gently spin each chair leg clockwise until it is securely tightened. Do not overtighten.
5. Take the round chair backrest. Align it with the designated slots on the chair seat.

6. Secure the backrest using the provided screws and the appropriate tool (e.g., Allen wrench). Ensure it is firm and stable.
7. Once all legs and the backrest are attached, carefully flip the chair upright.
8. Repeat these steps for the second chair.

6. MAINTENANCE

- **Cleaning:** Wipe the surfaces with a dry cloth. For spills or stains, use a damp cloth with mild soap and water, then dry immediately. The UV top is designed to resist scratches and simplify cleaning.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability and safety.
- **Storage:** Store in a dry environment away from extreme temperatures and humidity to preserve the wood and finish.

7. TROUBLESHOOTING

- **Wobbly Table/Chair:** If the table or chairs feel wobbly after assembly, check that all legs are fully and evenly tightened. Sometimes, slightly loosening and re-tightening one leg can resolve minor imbalances. Ensure washers are used if provided and necessary for stability.
- **Difficulty Tightening Legs:** Ensure the threaded bolts on the legs are correctly aligned with the inserts in the tabletop/chair seat. Do not force the legs; gently rotate until they catch the thread.
- **Scratches/Dents:** While the UV top is scratch-resistant, minor damage can occur. For small scratches, touch-up paint matching the white finish may be used.
