### Key Features:

- **Bluetooth 5.0:** Stable and one-step pairing.
- **IP68 Waterproof:** Effective protection against sweat and rainwater for both earbuds and charging case.
- **Long Battery Life:** Up to 6 hours playtime per charge, with a total of 30 hours using the charging case.
- **Comfortable Fit:** Lightweight design (4.7g per earbud) with multiple ear cap sizes (S, M, L) for optimal comfort and secure wearing.
- **Button Control:** Easy management of music playback, volume, and calls directly from the earbuds.

### SETUP

## One-Step Pairing:

1. Take out both earbuds or any single earbud from the charging case.
2. On your device, search for and connect to **[X8]** in your Bluetooth settings.
3. Once connected for the first time, the earbuds will automatically connect to your device when taken out of the charging case.

## MAINTENANCE

## Charging:

The BEBEN X8 earbuds provide approximately 6 hours of playtime on a single charge. The portable charging case offers an additional 4 full charges, extending total playtime to about 30 hours. To charge the earbuds, simply place them back into the charging case. To charge the case itself, connect it using the provided Micro USB cable.

- Earbuds Charging Time: Approximately 1 hour.
- Charging Case Charging Time: Approximately 3 hours.

## Waterproof Guidelines (IP68):

The BEBEN X8 earbuds and their charging case are IP68 waterproof, offering robust protection against water and sweat. This makes them suitable for various activities, including showering, bathing, and swimming.

- **DO:** Wear them to shower, bath, swim.
- **DON'T:** Dip earbuds for extended periods or submerge them deeply. Avoid prolonged exposure to high-pressure water.

## TROUBLESHOOTING

### Reset Procedure (When 2 earbuds can't be paired & No sound of Right Earbud & Indicator light of earbuds keep showing blue light):

1. Turn off the Bluetooth function of your device. Turn off the earbuds by long pressing the Control Button for 5 seconds when your device isn't playing. You should hear 'power off'.
2. Hold the Control Buttons of both earbuds for 5 seconds simultaneously, then triple click the Control Buttons rapidly. The indicator lights will flash white for 1 second, indicating that the earbuds have cleared their record and turned off.
3. Take out both earbuds and put them back into the charging case to ensure they have power.
4. Take out both earbuds again; they will automatically pair with each other.
5. After restoring, delete **[X8]** from the Bluetooth list on your device. Then re-search and connect to**[X8]** on the Bluetooth list.
