USHA Janome Marvella

Usha Janome Marvela Automatic Zig-Zag Electric Sewing Machine User Manual

Model: Janome Marvella

INTRODUCTION

The Usha Janome Marvela sewing machine is designed for ease of use and portability, making it an excellent choice for various sewing projects. This compact machine offers seven built-in stitches, including a buttonhole stitch, and supports seven applications such as lace fixing, quilting, smocking, and rolled hemming. Its features include a dial for pattern selection and an extra lift of the pressure foot, which is beneficial for quilting tasks. This manual provides essential information for the safe and effective operation, maintenance, and troubleshooting of your sewing machine.

IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic safety precautions should always be followed, including the following:

- Read all instructions before using this sewing machine.
- Keep these instructions in a convenient place near the machine.
- Always unplug the sewing machine from the electrical outlet immediately after using and before cleaning, removing covers, lubricating, or making any other user servicing adjustments mentioned in the instruction manual.
- Do not allow to be used as a toy. Close attention is necessary when this sewing machine is used by or near children.
- Use this product only for its intended use as described in this manual. Use only accessories recommended by the manufacturer.
- Never operate this sewing machine if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water.
- Never drop or insert any object into any opening.
- Do not use outdoors.
- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.

UNPACKING AND INITIAL SETUP

Carefully remove the sewing machine and all accessories from the packaging. Ensure all components are present before discarding packaging materials.

What's in the Box:

- Usha Janome Marvela Sewing Machine
- Standard accessories (bobbins, needles, seam ripper, various presser feet)

Image: Included accessories for the Usha Janome Marvela sewing machine, featuring bobbins, needles, a seam ripper, and different presser feet.

Machine Placement:

Place the sewing machine on a stable, flat surface with adequate lighting. Ensure there is enough space around the machine for comfortable operation and fabric handling.

Power Connection:

Connect the power cord to the machine and then plug it into a suitable electrical outlet. Ensure the voltage matches the machine's requirements.

OPERATING INSTRUCTIONS

Threading the Machine:

Proper threading is crucial for smooth operation and quality stitches. Refer to the diagrams on the machine for the correct upper thread path. For bobbin winding and insertion, follow the specific instructions provided in the full manual or quick start guide.

Selecting Stitches:

The Marvela machine features seven built-in stitches, including a buttonhole stitch. Use the pattern selection dial on the front of the machine to choose your desired stitch. Rotate the dial until the indicator points to the desired stitch pattern.

Basic Sewing:

1. Raise the presser foot using the lever at the back of the needle bar.
2. Place your fabric under the presser foot.
3. Lower the presser foot.
4. Gently press the foot pedal to start sewing. Control your speed by varying the pressure on the pedal.
5. Guide the fabric gently; do not pull or push it forcefully.
6. To stop, release the foot pedal. Raise the needle to its highest position, lift the presser foot, and remove the fabric.

Advanced Applications:

The Usha Janome Marvela supports various applications to enhance your sewing projects:

- **Lace Fixing:** Use appropriate stitches and presser feet for attaching lace.
- **Quilting:** The extra lift of the pressure foot provides more clearance for thicker fabrics and batting, making quilting easier.
- **Smocking:** Create decorative gathers and pleats with specific stitch settings.
- **Rolled Hemming:** Achieve neat, narrow hems on lightweight fabrics.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your sewing machine.

- Cleaning:** Regularly clean lint and dust from the bobbin case area, feed dogs, and tension discs using a small brush. Always unplug the machine before cleaning.
- Needle Replacement:** Replace the needle frequently, especially after every 8-10 hours of sewing or if it becomes bent or dull. Use the correct needle type and size for your fabric.
- Oiling:** Refer to your full instruction manual for specific oiling points and frequency. Use only high-quality sewing machine oil.
- Storage:** When not in use, cover the machine to protect it from dust. Store it in a dry place.

TROUBLESHOOTING

If you encounter issues with your sewing machine, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Thread breaks	Incorrect threading, needle bent/dull, tension too tight, poor quality thread.	Re-thread the machine, replace needle, adjust tension, use quality thread.
Skipped stitches	Incorrect needle, bent needle, needle inserted incorrectly, wrong thread for fabric.	Replace needle with correct type/size, ensure needle is fully inserted.
Fabric jams	Incorrect tension, pulling fabric, lint buildup.	Adjust tension, guide fabric gently, clean feed dogs and bobbin area.
Machine not starting	Power cord not connected, foot pedal not connected, main power switch off.	Check all connections, ensure power switch is on.

If the problem persists after attempting these solutions, please contact customer support.

SPECIFICATIONS

Brand	USHA
Model Number	Janome Marvella
Color	Blue
Material	Acrylonitrile Butadiene Styrene (ABS)
Product Dimensions (LxWxH)	25 x 25 x 20 Centimeters (approx. from 8D x 14.5W x 11H)
Item Weight	5.5 Kilograms
Power Source	Corded Electric
Manufacturer	Usha International Ltd
Country of Origin	India
