

SR SUN RISE 10 Inch

SR SUN RISE 10-Inch Square Brushed Nickel Rainfall Shower Head User Manual

1. INTRODUCTION AND OVERVIEW

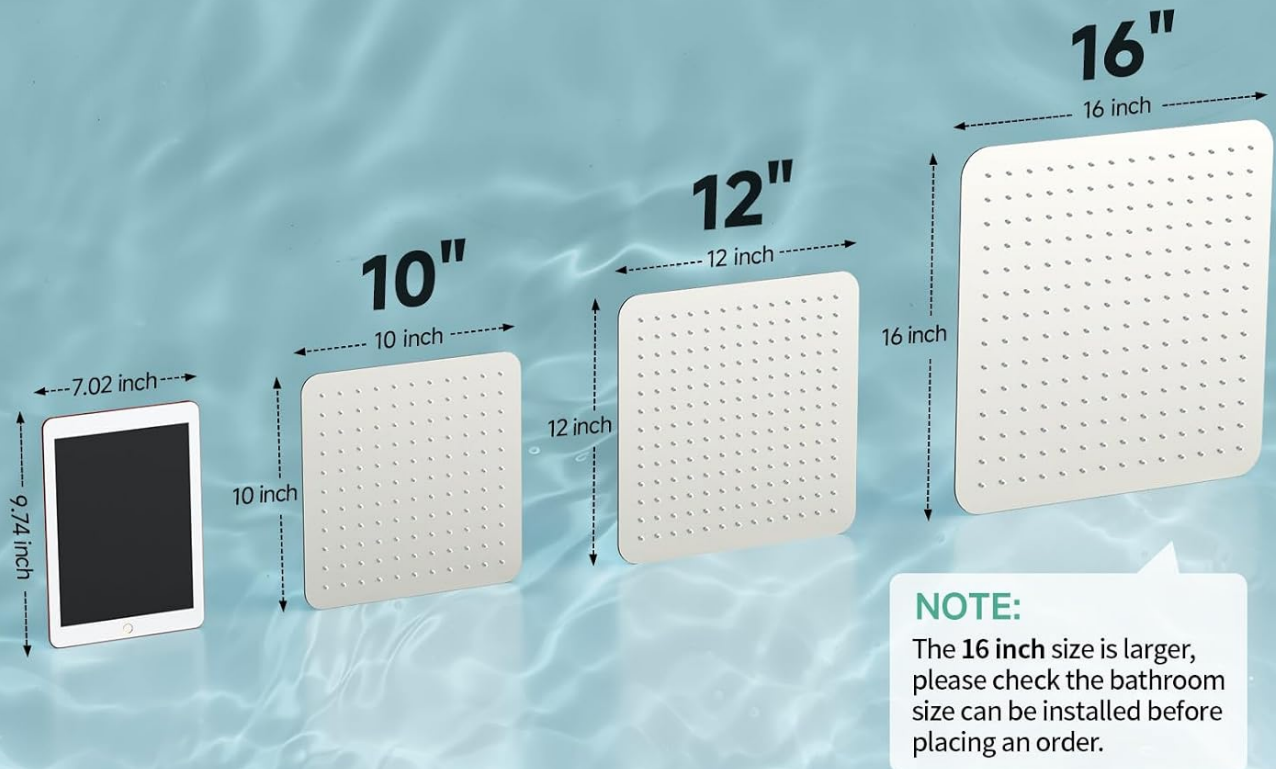

Thank you for choosing the SR SUN RISE 10-Inch Square Brushed Nickel Rainfall Shower Head. This manual provides essential information for the proper installation, operation, and maintenance of your new shower head. Designed for a luxurious and efficient showering experience, this product combines high-quality materials with user-friendly features.

Enjoy a wide coverage rainfall experience with consistent high pressure, all while benefiting from its durable stainless steel construction and easy-to-clean silicone nozzles.

2. PRODUCT FEATURES

- **Large Face Coverage:** The 10-inch square design ensures extensive body coverage, delivering a powerful rainfall-like stream.
- **Superior Material:** Constructed from high-quality 304 stainless steel, offering excellent resistance to rust, high temperatures, and corrosion for long-lasting durability.
- **Self-Clean Silicone Nozzles:** Equipped with silicone nozzles that prevent mineral buildup and clogging. A simple touch is all it takes to clean them, saving you time and ensuring consistent performance.
- **Easy to Install:** Designed for quick and tool-free installation in under 1 minute. Features a standard 1/2-inch thread compatible with most shower arm connectors.
- **360° Adjustable Ball Joint:** Allows for easy adjustment of the shower head angle to suit your preference.
- **Advanced Air Injection Technology:** Provides a soft shower feel with great coverage, increased water pressure, and water saving, ensuring a consistent powerful rain shower even under low water pressure.

3. WHAT'S IN THE BOX

Your SR SUN RISE shower head package includes the following components:

- 1 x 10-Inch Square Rainfall Shower Head (304 Stainless Steel)
- Extra Silicone Nozzles
- Teflon Tape
- Extra Filters

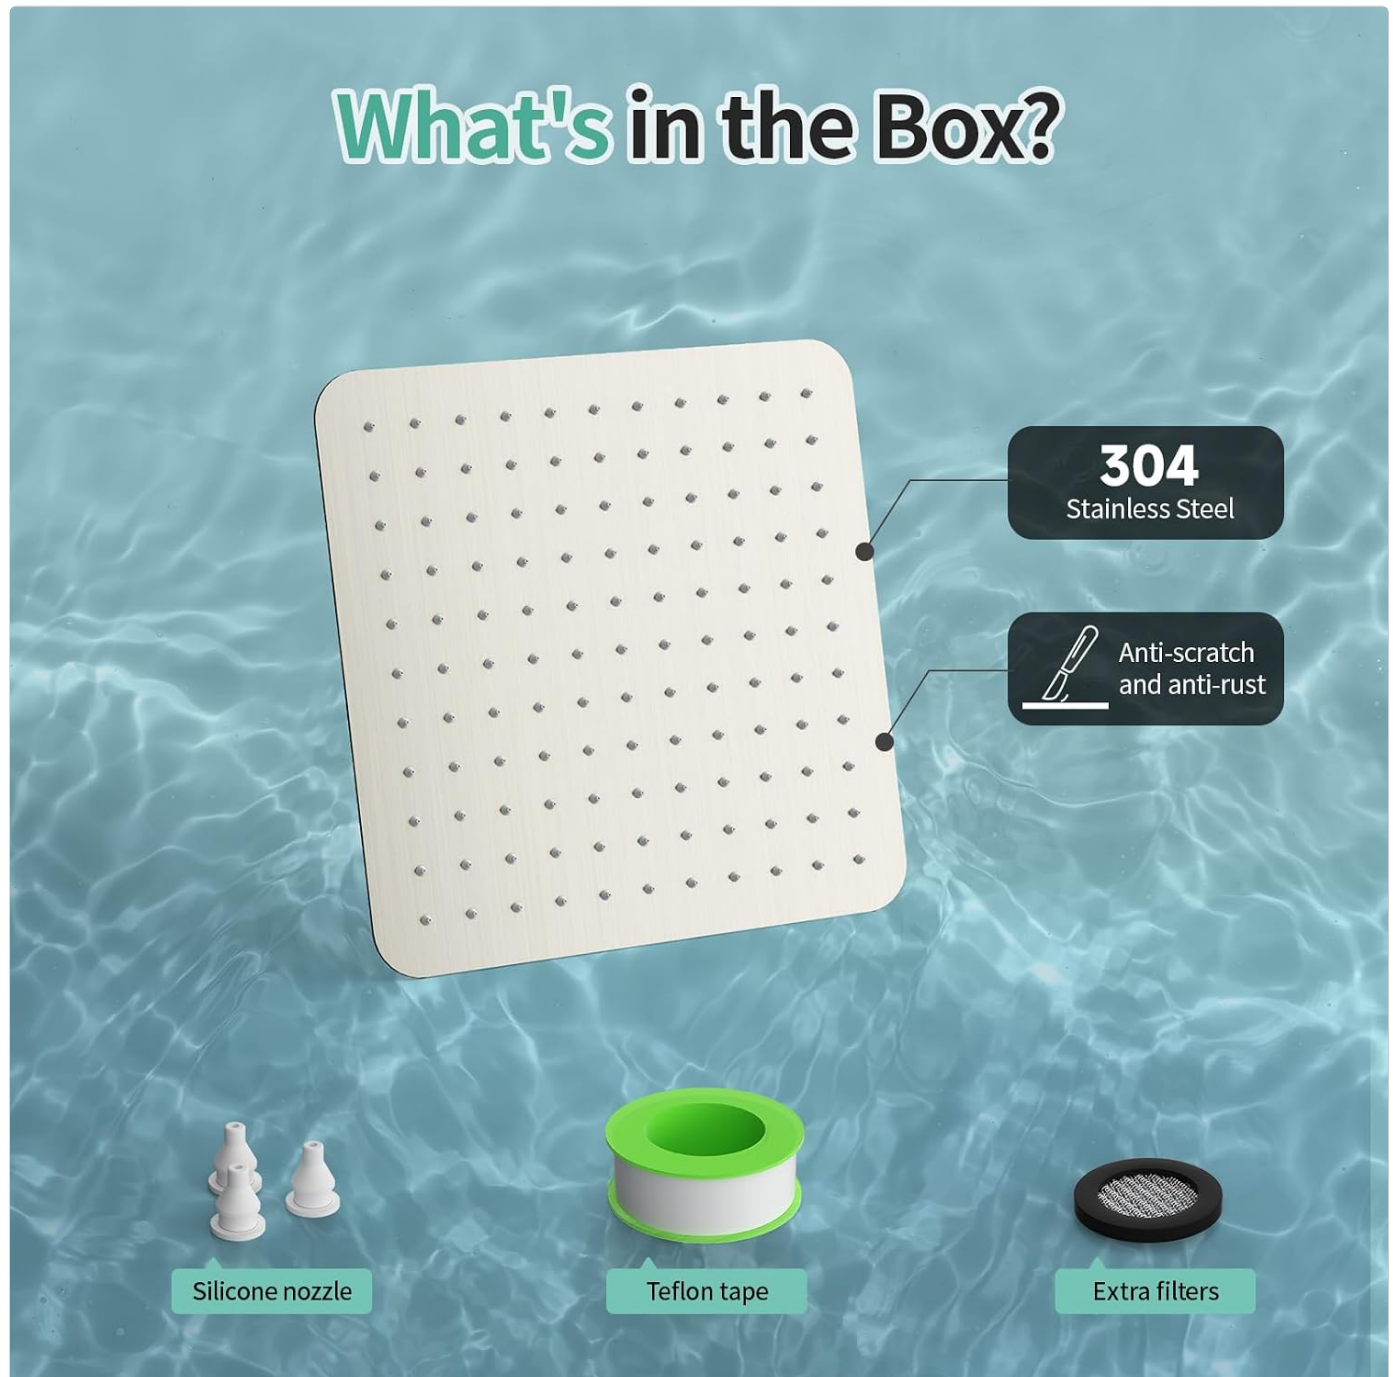

Figure 3.1: Package Contents.

4. SETUP (INSTALLATION)

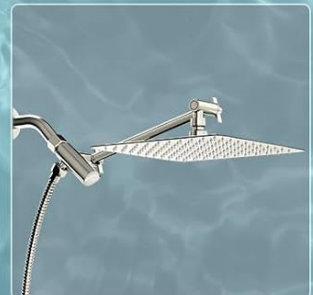

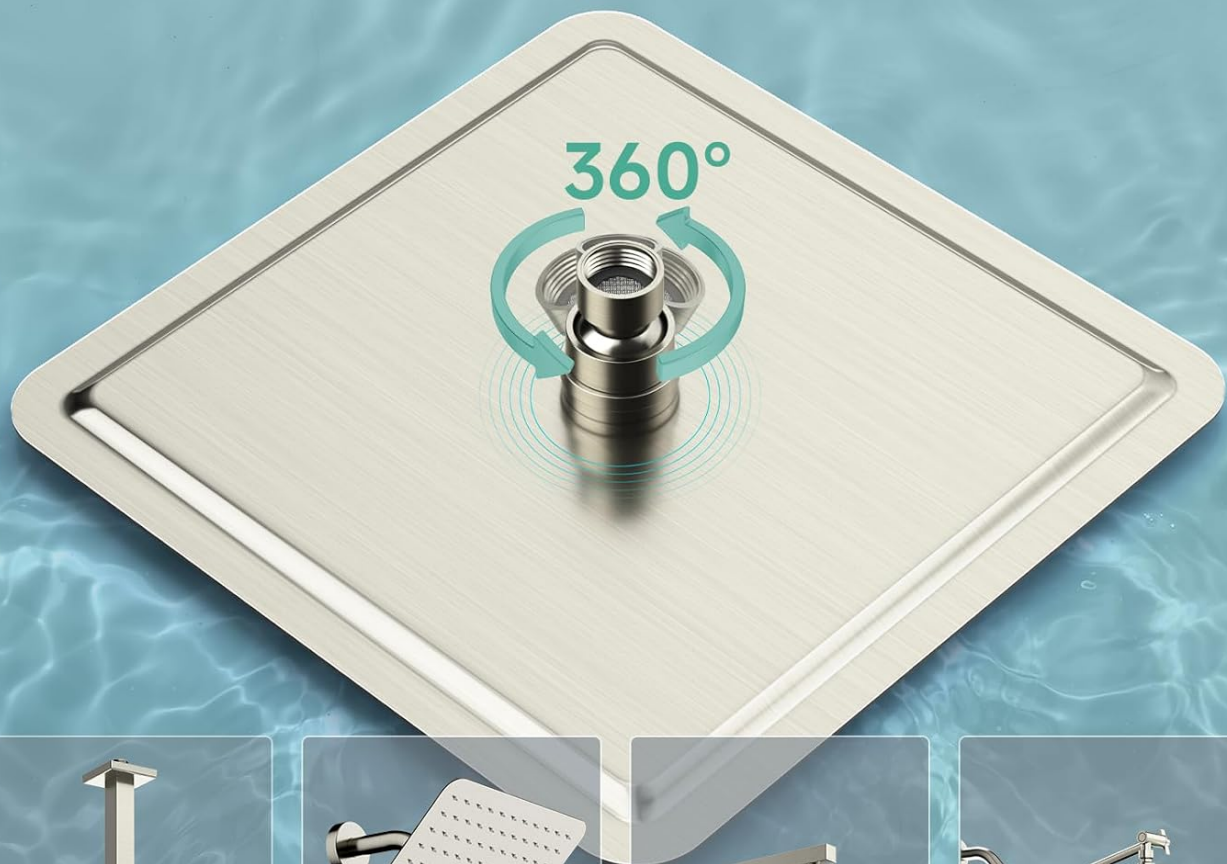

Installation of your SR SUN RISE shower head is designed to be quick and easy, requiring no special tools. Follow these steps for a seamless setup:

1. Ensure your existing shower arm is clean and free of debris.
2. Apply the provided Teflon tape clockwise around the threads of your shower arm.
3. Screw the SR SUN RISE shower head onto the shower arm. Hand-tighten until snug. Avoid over-tightening to prevent damage.
4. Adjust the angle of the shower head using the 360° adjustable ball joint to your desired position.
5. Turn on the water supply and check for any leaks. If leaks occur, tighten slightly more or reapply Teflon tape.

6. MAINTENANCE

To ensure the longevity and optimal performance of your SR SUN RISE shower head, regular maintenance is recommended.

Self-Cleaning Silicone Nozzles

The shower head features self-cleaning silicone nozzles. To remove any mineral deposits or buildup, simply rub your

fingers across the nozzles periodically. This helps maintain consistent water flow and prevents clogging.

General Cleaning

For general cleaning of the brushed nickel finish, use a soft cloth and mild soap. Avoid abrasive cleaners or scouring pads, as these can damage the finish.

7. TROUBLESHOOTING

If you encounter any issues with your shower head, please refer to the following common troubleshooting tips:

- **Low Water Pressure:**

- Check if the silicone nozzles are clogged and clean them as described in the Maintenance section.
- Ensure the water supply valve is fully open.
- Verify that the filter gasket is clean and not obstructed by debris.

- **Leaks from Connection:**

- Ensure the shower head is securely hand-tightened onto the shower arm.
- Reapply Teflon tape to the threads of the shower arm, ensuring a tight seal.

- **Uneven Water Flow:**

- Clean the silicone nozzles to remove any blockages causing uneven spray.

If the issue persists after attempting these steps, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
Manufacturer	SR SUN RISE
