## SETUP

Setting up your E-YOOSO K600 keyboard is a straightforward process. Follow these steps to get started:

- 1. Unpack the Keyboard:** Carefully remove the keyboard and any included accessories from the packaging.
- 2. Connect to Computer:** Locate an available USB port on your computer. Insert the USB connector of the E-YOOSO K600 keyboard firmly into the USB port.
- 3. Driver Installation (Automatic):** Your operating system (Windows, macOS, etc.) should automatically detect and install the necessary drivers for the keyboard. This process usually takes a few moments.

4. **Verify Functionality:** Once connected, the keyboard's backlight should illuminate. Test the keys by typing in a text editor or browser to ensure all keys are responsive.

The keyboard is compatible with Windows 10, Windows 8, Windows 7, Mac OS X, Windows XP, and Windows VISTA.

## OPERATING INSTRUCTIONS

---

### Key Features and Functions

- **104-Key Layout:** Full-sized keyboard with a numeric keypad for comprehensive functionality.
- **N-Key Rollover:** All 104 keys feature N-Key Rollover, ensuring that every keystroke is registered accurately, even during rapid, simultaneous presses. This prevents ghosting and provides ultimate gaming performance.

## MAINTENANCE

---

Proper maintenance ensures the longevity and optimal performance of your E-YOOSO K600 keyboard.

- **Cleaning:**

- Disconnect the keyboard from your computer before cleaning.
- Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe down the keycaps and chassis.
- For dust and debris between keys, use compressed air.
- Avoid using harsh chemicals or abrasive materials, as these can damage the keyboard's finish or keycap legends.

- **Spill Resistance:** The keyboard features a water-resistant design, providing added protection against accidental spills. While it can withstand minor liquid exposure, it is not fully waterproof. In case of a spill, immediately disconnect the keyboard and allow it to dry completely before reconnecting.
