## Eviva EVVN30-28X18WH

# Eviva Happy 28 Inch White Bathroom Vanity

USER MANUAL

## Introduction

Thank you for choosing the Eviva Happy 28 Inch White Bathroom Vanity. This manual provides essential information for the proper installation, use, and maintenance of your new bathroom vanity. Please read these instructions carefully before beginning installation and retain them for future reference.

Image: Front view of the Eviva Happy 28 Inch White Bathroom Vanity, showcasing its white finish, quartz top, and integrated porcelain sink.

The Eviva Happy vanity is designed to enhance your bathroom with its functional features and elegant aesthetic. It includes solid wood construction, soft-closing doors and drawers, a pre-drilled single-hole faucet mount, a Quartz Countertop (White Carrara Marble pattern, no backsplash), and an undermount porcelain sink.

## Safety Information

Please observe the following safety precautions during installation and use:

- Always ensure the vanity is securely installed to prevent tipping.
- Use appropriate tools and follow all local plumbing and electrical codes.
- Exercise caution when handling heavy components to avoid injury.
- Keep small parts away from children to prevent choking hazards.
- This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm (Proposition 65 warning).

## Product Components

The Eviva Happy 28 Inch White Bathroom Vanity includes the following main components:

- Vanity Cabinet (Solid Wood Construction)
- Porcelain Sink (Undermount)
- Quartz Countertop (White Carrara Marble pattern, pre-drilled for single-hole faucet)
- Brushed Chrome Handles/Knobs
- Soft Closing Doors & Drawers

**Note:** Faucet and mirror are NOT included with the vanity.

Image: Close-up view of the vanity's quartz countertop with a highly water-resistant finish, showing the integrated sink and faucet area.

## Setup & Installation

The Eviva Happy vanity is designed for straightforward installation. It comes pre-assembled, simplifying the setup process.

### Dimensions

Ensure the vanity dimensions fit your intended space. The overall dimensions are 18"D x 28"W x 33.75"H.

Image: Diagram illustrating the dimensions of the vanity: 28 inches wide, 18 inches deep, and 34 inches high.

### Placement and Plumbing

This is a freestanding vanity. Position the vanity in its desired location. The design includes an exposed back panel to allow for easy plumbing access and connection to your existing water supply and drain lines.

Image: Rear view of the vanity with the back panel open, showing the pre-assembled structure and clear access for plumbing connections.

Secure the vanity to the wall if desired for added stability, using appropriate fasteners for your wall type (fasteners not included).

## Usage

The Eviva Happy vanity is designed for daily bathroom use, offering both functionality and storage.

### Storage Features

The vanity features multiple drawers and a cabinet area for organizing bathroom essentials. The drawers are designed with full extension capabilities, allowing complete access to their contents, and feature dovetail joints for enhanced durability.

Image: Side view of the vanity with drawers fully extended, demonstrating the soft-closing mechanism and dovetail drawer construction.

### Soft-Closing Mechanism

All doors and drawers are equipped with a soft-closing mechanism to prevent slamming and ensure quiet operation. While they may feel slightly tight initially, this is normal and they will operate smoothly with continued use.

## Maintenance

Proper care will ensure the longevity and appearance of your Eviva Happy vanity.

### Countertop Care

The quartz countertop is pre-sealed for protection. For daily cleaning, use a soft cloth and mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive pads that could damage the surface. While the countertop is resistant to stains, promptly wipe up spills to prevent etching or discoloration. For stubborn spots, a hard surface polish can be used to restore shine.

### Cabinet and Finish Care

The vanity features a highly water-resistant finish. Clean the cabinet surfaces with a soft, damp cloth and a mild soap solution. Dry immediately with a clean cloth to prevent water spots. Avoid excessive moisture and direct exposure to harsh cleaning agents.

### Sink Care

Clean the porcelain sink with a non-abrasive cleaner suitable for ceramic surfaces. Rinse thoroughly after cleaning.

## Troubleshooting

- **Drawers feel stiff or tight:** This is normal for new soft-closing mechanisms. They will loosen and operate more smoothly with regular use.
- **Water spots on countertop:** Wipe immediately with a soft cloth. For dried spots, use a mild cleaner and polish as described in the Maintenance section.
- **Minor scratches on hardware:** Brushed chrome finishes are durable, but minor scratches can occur. Use a non-abrasive metal polish designed for chrome if needed.

## Specifications

**Eviva Happy 28 Inch White Bathroom Vanity Specifications**

| Feature | Detail |
|---|---|
| Brand | Eviva |
| Model Name | Eviva Happy 28 inch x 18 inch |
