T'nB EBTITANBK

TNB Titan Bluetooth 5.0 TWS Sport Earphones

Model: EBTITANBK | Brand: T'nB

Introduction

The T'nB Titan Bluetooth 5.0 TWS Sport Earphones are designed for active users, offering unparalleled freedom of movement and a secure fit. With True Wireless Stereo (TWS) technology, these earphones provide a cable-free listening experience, allowing you to focus entirely on your performance. They feature integrated controls for easy management of audio and calls, and a long-lasting battery for extended use.

Package Contents

- TNB Titan Bluetooth 5.0 TWS Sport Earphones (Left and Right)
- USB 5V / Dual Micro USB Charging Cable
- Soft Silicone Eartips (pre-installed or various sizes)
- User Manual (this document)

Product Overview

Figure 1: Side view of a single TNB Titan Sport Earphone, highlighting the ergonomic ear hook design for a secure fit during physical activity.

Figure 2: Angled view of the earphone, showcasing the integrated control button and the sleek, compact design.

Figure 3: Close-up view of the earphone's eartip and inner structure, designed for comfortable intra-aural wear.

Figure 4: Both left and right TNB Titan Sport Earphones displayed together, illustrating their symmetrical and ergonomic design.

Setup

1. Charging the Earphones

Before first use, fully charge your TNB Titan earphones.

1. Connect the included USB charging cable to the charging port on each earphone.
2. Plug the other end of the USB cable into a compatible USB power source (e.g., computer USB port, USB wall adapter).
3. The LED indicator on the earphones will show charging status (e.g., red for charging, blue/off for fully charged).
4. A full charge provides approximately 9 hours of listening time.

2. Bluetooth Pairing

To connect your earphones to a Bluetooth-enabled device (smartphone, tablet, MP3 player):

1. Ensure the earphones are charged and turned off.
2. Press and hold the multi-function button on one earphone until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your device, enable Bluetooth and search for available devices.
4. Select "TNB Titan" (or similar name) from the list of found devices.
5. Once connected, the LED indicator on the earphone will typically turn solid blue or stop flashing.
6. Repeat the process for the second earphone if they do not automatically pair with each other (True Wireless functionality usually handles this automatically after the first pairing).

Operating Instructions

Wearing the Earphones

The TNB Titan earphones feature flexible ear hooks for a secure and comfortable fit. Gently place the earbud into your ear canal and adjust the ear hook over the top of your ear until it feels stable and comfortable.

Controls

The earphones are equipped with integrated controls for easy management:

- **Power On/Off:** Press and hold the multi-function button.
- **Play/Pause:** Single press the multi-function button during music playback.
- **Next Track:** Double press the multi-function button.
- **Previous Track:** Triple press the multi-function button.
- **Volume Control:** Specific buttons for volume up/down may be present, or volume is controlled via the connected device.
- **Answer/End Call:** Single press the multi-function button during an incoming call or active call.
- **Reject Call:** Press and hold the multi-function button during an incoming call.
- **Activate Voice Assistant:** (If supported) Press and hold the multi-function button for a few seconds when not on a call or playing music.

Maintenance

Proper maintenance ensures the longevity and optimal performance of your earphones.

- **Cleaning:** Regularly clean the silicone eartips and the earphone body with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earphones in a clean, dry place, away from extreme temperatures and direct sunlight.
- **Water Resistance:** While designed for sport, avoid submerging the earphones in water. They are resistant to sweat and light splashes, but not waterproof.

Troubleshooting

Problem	Possible Cause	Solution
Earphones do not turn on.	Low battery.	Charge the earphones fully.
Cannot pair with device.	Earphones not in pairing mode; Bluetooth off on device; too far from device.	Ensure earphones are in pairing mode (flashing red/blue). Turn on Bluetooth on your device. Move earphones closer to the device (within 10m).
No sound.	Volume too low; not connected; incorrect audio output.	Increase volume on earphones and device. Ensure earphones are successfully paired. Check device's audio output settings.
Intermittent connection.	Interference; too far from device; low battery.	Move away from sources of interference (Wi-Fi routers, other Bluetooth devices). Stay within 10m range. Charge earphones.

Specifications

Feature	Detail
Model Name	EBTITANBK
Brand	T'nB
Connectivity Technology	Wireless (Bluetooth 5.0)
Wireless Communication Technology	Bluetooth
Form Factor	Intra-Aural (In-Ear) with Ear Hook

Frequency Range	20-20,000 Hz
Wireless Range	Up to 10 meters (max)
Color	Black
Material	Rubber
Headphone Jack	USB (for charging)
Included Components	Cable (USB charging cable)

Safety Information

- Do not expose the earphones to extreme temperatures, humidity, or corrosive substances.

- Avoid listening at high volume levels for extended periods to prevent hearing damage.
- Do not use the earphones in situations where inability to hear ambient sounds could be dangerous (e.g., driving, cycling, walking in traffic).
- Keep out of reach of children and pets.
- Do not attempt to disassemble or modify the earphones. This will void the warranty and may cause damage.

Warranty and Support

Information regarding specific warranty terms and conditions for the TNB Titan earphones is not available in this document. Please refer to the packaging or contact T'nB customer support for detailed warranty information and technical assistance.
For further support or inquiries, please visit the official T'nB website or contact their customer service department.
