PRODUCT OVERVIEW

Familiarize yourself with the physical features of your ONN. Surf tablet.

Front View

Image: The front of the ONN. Surf tablet, displaying the screen with app icons and the front-facing camera at the top center.

The front of the tablet features the 7-inch LCD touchscreen display and a front-facing camera, ideal for video calls.

Side and Angled Views

Image: An angled view of the ONN. Surf tablet, highlighting the power button and volume rocker on the side, along with the charging port and headphone jack.

The sides of the tablet house the power button, volume controls, charging port, and headphone jack for easy access.

Back View

Image: The back of the ONN. Surf tablet, showing the textured dark blue casing and the rear camera lens in the top left corner.

The back of the tablet features the ONN logo and the rear camera (0.3 MP).

SETUP

1. Initial Charging

Before first use, fully charge your tablet. Connect the charging cable to the tablet's charging port and the power adapter to a wall outlet. The battery indicator on the screen will show charging status.

2. Powering On/Off

- **To Power On:** Press and hold the Power button on the side of the tablet until the ONN logo appears.
- **To Power Off:** Press and hold the Power button until a menu appears. Select "Power off" and confirm.

3. Initial Setup Wizard

The first time you power on your tablet, you will be guided through a setup wizard:

1. **Language Selection:** Choose your preferred language.
2. **Wi-Fi Connection:** Select your Wi-Fi network and enter the password to connect to the internet.
3. **Google Account:** Sign in with your existing Google account or create a new one. This is necessary for accessing the Google Play Store and other Google services.
4. **Date & Time:** Set the correct date and time, or allow the network to set it automatically.
5. **Security:** Set up a screen lock (PIN, pattern, or password) for device security.

OPERATING YOUR TABLET

Navigation

Your tablet uses a touchscreen for navigation:

- **Tap:** To select an item or open an app.
- **Touch & Hold:** To access contextual menus or move items.
- **Swipe:** To scroll through screens or lists.
- **Pinch:** To zoom in or out on images and web pages.

Connecting to Networks

- **Wi-Fi:** Go to *Settings > Network & internet > Wi-Fi*. Turn Wi-Fi on and select your desired network.
- **Bluetooth:** Go to *Settings > Connected devices > Bluetooth*. Turn Bluetooth on and pair with compatible devices.

Installing and Managing Apps

The ONN. Surf tablet runs on Android 9.0 Pie (Go Edition), optimized for efficiency. You can download and install applications from the Google Play Store.

- **Install Apps:** Open the *Play Store* app, search for your desired app, and tap *Install*.
- **Uninstall Apps:** Touch and hold the app icon on the home screen or app drawer, then drag it to *Uninstall*, or go to *Settings > Apps & notifications > See all apps*, select the app, and tap *Uninstall*.

Maintenance

Cleaning the Device

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using abrasive cleaners or solvents.

Battery Care

The tablet has an average battery life of 4 hours. To prolong battery life:

- Reduce screen brightness.
- Turn off Wi-Fi and Bluetooth when not in use.
- Close unused applications.
- Avoid extreme temperatures.

Software Updates

Periodically check for system updates to ensure optimal performance and security. Go to *Settings > System > System update*.

TROUBLESHOOTING

If you encounter issues with your tablet, try the following solutions:

- **Tablet not powering on:** Ensure the tablet is charged. Connect it to the charger and wait a few minutes before attempting to power on again.
- **Wi-Fi connection issues:** Restart your Wi-Fi router. On the tablet, turn Wi-Fi off and then on again in Settings. Forget the network and reconnect.
- **Apps crashing or freezing:** Close the app and reopen it. If the issue persists, clear the app's cache (*Settings > Apps & notifications > See all apps > [App Name] > Storage & cache > Clear cache*).
- **Slow performance:** Close unused apps, clear cache, and ensure sufficient storage space.
- **Factory Reset:** As a last resort, you can perform a factory reset (*Settings > System > Reset options > Erase all data (factory reset)*). **Warning: This will erase all data on your tablet. Back up important data before proceeding.**
