VINGLI B083B9JL5P

VINGLI 80 Quart Rolling Ice Chest Instruction Manual

Model: B083B9JL5P

1. PRODUCT OVERVIEW

The VINGLI 80 Quart Rolling Ice Chest is designed for convenient beverage cooling and serving at outdoor and indoor events. It features a durable construction, ample capacity, and portability for ease of use.

2. SETUP AND ASSEMBLY

The VINGLI Rolling Ice Chest requires minimal assembly. Follow these steps to set up your cooler:

1. **Attach the Legs:** Securely fasten the four legs to the bottom of the cooler unit using the provided hardware.
2. **Install Wheels:** Attach the four multi-directional wheels to the bottom of the legs. Two of the wheels include locking mechanisms for stability.
3. **Mount Handles:** Fasten the handles to both sides of the cooler body. These handles aid in portability.

4. **Attach Bottle Opener and Cap Catcher:** Secure the integrated bottle opener and the accompanying cap catcher to the side of the cooler.
5. **Place Bottom Tray:** Position the bottom tray onto the lower frame of the cart for additional storage.

Assembly is designed to be tool-free for most components, ensuring a quick setup.

3. OPERATING INSTRUCTIONS

Filling the Cooler

- The cooler has an 80-quart capacity, capable of holding approximately 96 aluminum cans or a mix of beverages and ice.
- Lift the split lids to access the interior. The lids can be opened independently or removed completely for full access.
- Add ice and your desired beverages. The cooler is designed to keep contents cool for up to 48 hours and warm for up to 8 hours.

VARIOUS APPLICATIONS

Image 3: The VINGLI Rolling Ice Chest in a patio setting, illustrating its use for keeping beverages cool or warm.

Using the Bottle Opener

The integrated bottle opener is located on the side of the cooler. Simply use it to open bottled beverages. The attached cap catcher will collect bottle caps, preventing them from scattering.

Portability and Stability

- Use the side handles to maneuver the cooler. The multi-directional wheels allow for easy movement across various surfaces.
- To secure the cooler in place, engage the locking mechanisms on two of the wheels.

4. MAINTENANCE

Draining and Cleaning

- After use, unscrew the drain plug located at the bottom side of the cooler to remove excess water.
- A detachable hose is provided to direct the drainage, which is particularly useful when the cooler cannot be easily moved.
- Wipe the interior and exterior surfaces with a damp cloth. Ensure the cooler is dry before storing.

Image 4: Close-up of the cooler's drain plug and detachable hose, facilitating easy water removal.

Storage

Store the cooler in a dry place when not in use. A protective cover (not included with this model, but available separately) is recommended for prolonged outdoor storage to protect against elements.

5. TROUBLESHOOTING

- **Poor Cooling/Warming Performance:** Ensure the lids are properly closed and sealed. Check if sufficient ice or warming elements are used for the desired duration.
- **Water Leakage:** Verify that the drain plug is securely tightened. Inspect the drain hose for any damage or improper attachment.
- **Difficulty Moving:** Check if the wheel locks are disengaged. Ensure wheels are free from debris.

6. SPECIFICATIONS

Feature	Detail
Brand	VINGLI
Model Name	PatioCooler01
Capacity	80 Quarts (approx. 96 cans)
Color	Black
Material	Iron, Stainless Steel (Insulation)
Product Dimensions (D x W x H)	15.8"D x 31"W x 31.2"H
