Yaheetech Metal Dining Chairs User Manual

Model: 14720963477673

1. INTRODUCTION

This manual provides essential information for the safe and effective use, assembly, and maintenance of your Yaheetech Metal Dining Chairs. Please read these instructions carefully before assembly and use, and retain them for future reference.

2. SAFETY INSTRUCTIONS

To ensure safe operation and prolong the life of your chairs, please observe the following:

- Handle with care during unpacking and assembly to avoid injury or damage.
- Keep away from children during assembly due to small parts.
- Ensure stability when stacking or using on various surfaces. Always place chairs on a flat, stable surface.
- Do not exceed the maximum weight capacity of 331 lbs (150 kg) per chair.
- Regularly check all screws and connections to ensure they remain tight.

3. PACKAGE CONTENTS

Your Yaheetech Metal Dining Chairs package should contain the following items for each chair:

- 1 x Chair Seat Frame
- 1 x Backrest
- Assembly Hardware (screws, Allen wrench)

Note: This product is typically sold as a set of 4 chairs. Please verify all components are present before beginning assembly.

4. ASSEMBLY INSTRUCTIONS

The Yaheetech Metal Dining Chairs are designed for straightforward assembly. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Attach Backrest:** Align the backrest with the pre-drilled holes on the chair seat frame. Insert the provided screws and tighten them using the Allen wrench. Ensure the backrest is securely fastened.
3. **Final Check:** Once the backrest is attached, gently shake the chair to ensure all connections are stable and tight. Adjust if necessary.

For a visual guide on assembly, please refer to the official product video below:

5. FEATURES AND USAGE

Your Yaheetech Metal Dining Chairs offer several key features for durability and versatility:

- **Solid & Durable Construction:** Made from powder-coated iron, reinforced with cross-shaped bars beneath the seat, ensuring stability and a maximum load capacity of 331 lbs.
- **Stackable Design:** Chairs can be stacked for convenient storage, saving space when not in use.
- **Detachable Backrest:** The backrest can be removed, allowing the chair to function as a backless stool.
- **Water-Resistant Surface:** The painted surface provides water resistance, making the chairs suitable for various environments.
- **Scratch-Proof Footpads:** Each leg is equipped with protective rubber footpads to prevent sliding and protect floors from scratches.

- **Ventilation Holes:** Several holes on the seat surface improve ventilation and reduce pressure for comfort.

6. MAINTENANCE

To keep your Yaheetech Metal Dining Chairs in optimal condition:

- **Cleaning:** Wipe down with a damp cloth and mild detergent. Avoid abrasive cleaners that may damage the finish.
- **Inspection:** Periodically check all screws and connections for tightness. Re-tighten if necessary to maintain

structural integrity.

- **Storage:** When not in use, especially for extended periods, store chairs in a dry, protected area. Utilize the stackable feature to save space.
- **Footpads:** Ensure rubber footpads are intact to protect floors and prevent slipping. Replace if worn.

7. TROUBLESHOOTING

If you encounter any issues with your chairs, consider the following common solutions:

- **Wobbling:** Check if all screws are tightened evenly. Ensure the chair is on a flat surface.
- **Difficulty Stacking:** Ensure backrests are properly aligned or removed if stacking as stools.
- **Scratches on Floor:** Verify that all protective footpads are present and in good condition. Replace damaged footpads.

If problems persist, please contact customer support for further assistance.

8. SPECIFICATIONS

Attribute	Detail
Brand	Yaheetech
Model Number	14720963477673
Material	Metal (Iron)
Color	Black
Product Dimensions (D x W x H)	20.75"D x 17.52"W x 33.66"H
