Pamapic 7-Piece Outdoor Sectional Furniture Instruction Manual

Model: 8490

INTRODUCTION

Thank you for choosing the Pamapic 7-Piece Outdoor Sectional Furniture. This manual provides essential information for the safe assembly, operation, and maintenance of your new patio set. Please read these instructions carefully before assembly and retain them for future reference.

SAFETY INFORMATION

WARNING:

- This is a multi-piece, adjustable furniture set. Always assemble according to the provided instructions to ensure stability and prevent tip-over hazards.
- Keep away from children when assembling.
- Do not exceed the weight capacity.
- Keep sharp edges away from children.
- Always use caution when adjusting the reclining levels to prevent tip-overs.

PACKAGE CONTENTS

Your Pamapic 7-Piece Outdoor Sectional Furniture set is delivered in two boxes. Please ensure all components are present before beginning assembly.

Image Description: An illustration showing the contents of Box 1, which includes two corner sofa sections and one armless sofa section.

Image Description: An illustration showing the contents of Box 2, which includes three armless sofa sections and one coffee table.

- **Box 1:** 2 Corner Sofas, 1 Armless Sofa
- **Box 2:** 3 Armless Sofas, 1 Coffee Table
- Cushions for all sofa sections
- Assembly hardware (screws, Allen wrench)

Note: You may not receive all boxes at the same time. It is recommended to assemble the set after receiving all boxes.

SETUP AND ASSEMBLY

Assembly is straightforward. An electric drill with a 6-pronged Allen wrench attachment can significantly reduce assembly time. Ensure all screws are loosely fitted before tightening completely to allow for proper alignment.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all parts listed in the "Package Contents" section are present.
2. **Assemble Sofa Sections:**
 - Attach the backrests and armrests to the seat frames using the provided screws and Allen wrench. Do not fully tighten screws at this stage.
 - Once all screws for a section are in place, gradually tighten them until secure.
3. **Assemble Coffee Table:** Attach the legs to the coffee table frame. Place the glass top securely on the table.
4. **Arrange Sections:** Position the assembled sofa sections and coffee table in your desired configuration. The modular design allows for various arrangements.
5. **Connect Sections:** Use the provided clips to connect adjacent sofa sections, ensuring stability and

preventing movement.

6. **Place Cushions:** Place the seat and back cushions on the sofa sections. Some cushions may have straps or buckles to attach them to the chair backs or frames for added security.

OPERATING INSTRUCTIONS

- **Modular Arrangement:** The 7-piece set can be freely assembled into various configurations to suit your space and needs. Experiment with different layouts to find the most comfortable and functional setup.
- **Reclining Corner Sofa:** The corner sofa features four reclining levels. To adjust, lift the backrest slightly and push it back or pull it forward to the desired angle. Ensure it locks securely into place before use.
- **Cushion Security:** Utilize the integrated clips to connect sofa sections and the fastening strips or buckles on cushions to prevent them from sliding during use.

MAINTENANCE

- **General Cleaning:** Wipe the rattan frames with a damp cloth to remove dust and dirt. For stubborn stains, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Cushion Care:** The cushion covers are removable and machine-washable. Use a gentle cycle with cold water and mild detergent. Air dry or tumble dry on low heat. Do not bleach.
- **Winter Storage:** During winter months or prolonged periods of non-use, it is recommended to store cushions indoors. Covering the furniture with a weather-resistant cover will help prolong its lifespan.
- **Frame Protection:** The steel frame is resistant to rust and corrosion. However, regular inspection for any signs of wear or damage is advised.
