MAINTENANCE

Cleaning

To clean the figures and accessories, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the paint or material. Ensure all parts are dry before storing.

Storage

Store the figure set in a cool, dry place away from direct sunlight to prevent fading or material degradation. Keep small accessories in a designated container to avoid loss.

TROUBLESHOOTING

Figures Not Standing

Ensure figures are placed on a flat, stable surface. Adjust the poseable legs to find a balanced stance. Some figures may require careful positioning due to their unique designs.
