Pamapic Patio Furniture Set - 7 Pieces Modular Outdoor Sectional Instruction Manual

Model: 8494

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Pamapic 7-piece modular outdoor sectional patio furniture set. Please read all instructions carefully before assembly and use to ensure proper function and longevity of your product.

SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not exceed the weight capacity of individual seating units.
- Keep children away from the assembly area. Small parts can be a choking hazard.
- Place furniture on a flat, stable surface to prevent tipping.
- Avoid placing hot items directly on the coffee table glass without protection.
- During strong winds or adverse weather, secure or store cushions and lightweight components to prevent damage or injury.

PACKAGE CONTENTS

Your Pamapic 7-piece modular outdoor sectional set includes the following components:

- 2 x Corner Sofas
- 4 x Armless Sofas
- 1 x Coffee Table

- Associated cushions and hardware for assembly.

SETUP AND ASSEMBLY

Assembly is required for this patio furniture set. It is recommended to have two people for easier and quicker assembly. Ensure all parts are present before beginning.

General Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Assemble the frame of each sofa section (corner and armless) using the provided hardware. Ensure all screws are tightened securely.
3. Assemble the coffee table frame and place the glass top carefully.
4. Arrange the sofa sections in your desired configuration. Use the included connectors to link the sections together, preventing them from drifting apart.
5. Place the seat and back cushions on the assembled sofa sections.

OPERATING INSTRUCTIONS

The Pamapic 7-piece modular outdoor sectional offers flexible arrangement options to suit your space and needs. The corner sofas feature an adjustable backrest for customized comfort.

Adjustable Corner Sofa:

The backrest of the corner sofa can be adjusted to four different levels. To adjust, lift the backrest slightly and move it to the desired position, ensuring it locks securely into place.

ADJUSTABLE CORNER SOFA

The corner sofa features an adjustable backrest that allows you to lie down at a comfortable height.

Modular Arrangement:

The individual sofa sections can be rearranged to create various layouts, such as an L-shape, U-shape, or separate seating units. Use the provided connectors to keep the sections together in your chosen configuration.

MAINTENANCE

Proper care will extend the life and appearance of your patio furniture set.

- **Cushions:** The cushion covers are washable. Machine wash with cold water on a gentle cycle. Air dry or tumble dry on low heat. Do not bleach.
- **Rattan Frame:** Wipe the rattan frame with a damp cloth to remove dirt and debris. For stubborn stains, use a mild soap solution and rinse thoroughly.
- **Glass Tabletop:** Clean the glass tabletop with a glass cleaner and a soft cloth.
- **Weather Protection:** While designed for outdoor use, covering the furniture during prolonged periods of harsh weather (heavy rain, snow, intense sun) or when not in use can help preserve its condition. Store cushions indoors during winter months or extended periods of non-use.

- **Rust Prevention:** The frame is made of metal. Although treated, inspect for any signs of rust, especially in areas exposed to moisture. Clean and apply rust-inhibiting paint if necessary.

TROUBLESHOOTING

Common Issues and Solutions:

- **Cushions do not stay in place:** Ensure back cushions are properly seated. Some cushions may have straps or buckles to secure them to the frame. For seat cushions, consider using non-slip pads or additional fasteners if they tend to slide.
- **Sofa sections drift apart:** Verify that all connecting clips or fasteners between the modular sections are properly installed and secured.
- **Assembly difficulties:** Refer to the assembly video and diagrams. Ensure you are using the correct hardware for each step. Do not overtighten screws until all components are loosely fitted, then tighten fully.
- **Rust spots appearing:** This can occur if the metal frame is exposed to moisture for extended periods. Clean the affected area, remove any loose rust, and apply a rust-inhibiting primer and paint. Consider using a furniture cover.

SPECIFICATIONS

Feature	Detail
Brand	Pamapic
Model Number	8494
