HOOBRO EBF75CW01G1

HOOBRO Storage Bench Instruction Manual

Model: EBF75CW01G1

PRODUCT OVERVIEW

The HOOBRO Storage Bench is a versatile and robust furniture piece designed for efficient storage and comfortable seating. This rustic brown chest, measuring 76 x 40 x 48 cm, features safety hinges to prevent abrupt lid closure, making it suitable for households with children. It can serve multiple purposes, including a toy chest, shoe bench, or general storage unit for various items like pillows, blankets, and books. Its industrial style and engineered wood construction ensure durability and compatibility with diverse interior decors.

SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- The product is equipped with safety hinges to prevent the lid from slamming shut. Do not attempt to remove or modify these hinges.
- Do not exceed the maximum weight capacity of 100 kg on the bench surface.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Place the bench on a flat, stable surface. The adjustable feet can compensate for slight irregularities.

SETUP AND ASSEMBLY

The HOOBRO Storage Bench is designed for simple assembly. All necessary tools and numbered parts are included. Please follow the illustrated instructions provided in the package carefully.

Before You Begin:

- Unpack all components and verify against the parts list in the manual.
- Clear a spacious area for assembly.
- Have a Phillips head screwdriver (not always included, but good to have) ready, although the manual states tools are provided.

Assembly Steps:

1. Identify all numbered parts as per the instruction manual.
2. Attach the side panels to the front and back panels using the provided screws and connectors. Ensure proper alignment.
3. Secure the bottom panel into the assembled frame.
4. Install the safety hinges onto the main body and the lid according to the diagrams. Ensure the hinges are oriented correctly for smooth operation and safety.
5. Attach the lid to the main body, ensuring the safety hinges function properly to prevent sudden closing.
6. Screw in the four adjustable feet to the base of the bench. Adjust them as needed to ensure the bench is level and stable on your floor.
7. Perform a final check to ensure all screws are tightened and the structure is stable.

Image: A diagram illustrating the dimensions of the HOOBRO Storage Bench: 76 cm length, 40 cm width, and 48 cm height. The internal depth is approximately 35 cm, and leg height is 8.5 cm.

OPERATING INSTRUCTIONS

The HOOBRO Storage Bench is designed for straightforward use as both a seating area and a storage unit.

Using as a Storage Chest:

- To open the lid, gently lift it upwards. The safety hinges will hold the lid open at various angles, preventing it from falling.
- Place items such as toys, blankets, books, or shoes inside the spacious compartment.
- To close the lid, gently push it downwards. The safety hinges will ensure a slow and controlled descent, preventing sudden closure.

Using as a Bench Seat:

- Ensure the lid is fully closed and securely seated before using the bench for seating.

- The bench can support up to 100 kg. Do not exceed this weight limit.
- Avoid standing on the bench or using it as a step stool.

Image: The HOOBRO Storage Bench placed at the foot of a bed in a child's room, with the lid open revealing a pillow and two stuffed animals inside, demonstrating its use as a toy chest.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your HOOBRO Storage Bench.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the rustic finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage to the engineered wood.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which may cause fading or discoloration over time.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood material.
- **Hinges:** Periodically check the safety hinges for smooth operation. If they become stiff, a small amount of silicone-based lubricant can be applied, but avoid over-lubrication.
- **Fasteners:** Occasionally check and retighten any loose screws or fasteners to maintain structural integrity.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lid slams shut or closes too quickly.	Safety hinges not installed correctly or damaged.	Verify hinge installation as per assembly instructions. Ensure hinges are not obstructed. If damaged, contact customer support for replacement parts.
Bench wobbles or is unstable.	Uneven floor surface or loose adjustable feet.	Adjust the leveling feet at the bottom of the bench until it is stable. Ensure all assembly screws are tightened.
Difficulty assembling parts.	Incorrect part orientation or missing hardware.	Refer to the illustrated assembly instructions. Double-check part numbers and orientations. Ensure all hardware is present and correctly used.
Surface scratches or minor damage.	Accidental impact or abrasive cleaning.	For minor scratches, a wood repair marker or furniture polish matching the rustic brown finish may help. Avoid abrasive materials for cleaning.

SPECIFICATIONS

Model: EBF75CW01G1

Brand: HOOBRO

Dimensions (L x W x H): 76 x 40 x 48 cm (29.9 x 15.7 x 18.9 inches)

Weight: 11 kg (24.2 lbs)
