UGREEN 80708

UGREEN Adjustable Aluminum Phone Stand (Model 80708) - User Manual

Model: 80708 | Color: Space Grey

1. Introduction

Thank you for choosing the UGREEN Adjustable Aluminum Phone Stand. This manual provides essential information for the proper setup, operation, and maintenance of your device. This stand is designed to securely hold your smartphone or small tablet, offering adjustable viewing angles and a stable base for various uses.

2. Key Features

- **Dual Arms for Optimal Sturdiness:** Engineered with dual supporting arms for enhanced stability and secure device holding.
- **Full Padding Base for Enhanced Stability:** Features anti-slip silicone padding on the base and device contact points to prevent slipping and scratches.
- **Flexible Hinges for Multi-Angle Viewing:** Dual hinges allow for easy adjustment of angles and height, providing optimal viewing for various activities.

- **Compact for Portable Use:** Fully foldable design for space-saving storage and easy portability, fitting conveniently into bags or carry-ons.
- **Broad Compatibility:** The wider hook holder accommodates smartphones and small tablets up to 7.9 inches, including various iPhone models (17, 16, 15, 14, 13, 12, 11, XS, XR, X, SE), iPad Mini 7.9, Nintendo Switch, Samsung Galaxy S series, LG G/V series, Motorola Moto G Power, Google Pixel 6a, Kindle, and more.

3. Setup and Adjustment

The UGREEN Phone Stand is designed for intuitive setup and flexible adjustment. No assembly is required.

3.1 Unfolding the Stand

1. Gently unfold the stand from its compact, folded position. The dual hinges will allow the arms to extend.
2. Position the base firmly on a flat, stable surface. The silicone pads on the base prevent slipping.

3.2 Adjusting Viewing Angle and Height

1. The stand features two adjustable hinges. Hold the base firmly and gently adjust the upper and lower arms to achieve your desired viewing angle and height.
2. The hinges are designed to be firm, ensuring that once set, the stand maintains its position without collapsing.

4. Operating Instructions

4.1 Placing Your Device

Place your smartphone or tablet onto the stand's cradle. The silicone pads on the cradle will protect your device from scratches and hold it securely.

5. Maintenance

To ensure the longevity and optimal performance of your UGREEN Phone Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, damp cloth to remove dust or smudges. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish or silicone pads.
- **Storage:** When not in use, fold the stand into its compact form for easy storage. Store it in a dry place away from extreme temperatures.
- **Inspection:** Periodically check the hinges and silicone pads for any signs of wear or damage.

6. Troubleshooting

If you encounter any issues with your UGREEN Phone Stand, please refer to the following common solutions:

- **Stand is unstable:** Ensure the stand is placed on a flat, level surface. Check that the hinges are fully extended and locked into a stable position. The silicone pads on the base should make full contact with the surface.
- **Device is slipping:** Verify that your device is properly seated in the cradle. The silicone pads on the cradle are designed to prevent slipping; ensure they are clean and free of debris.
- **Hinges are too loose/tight:** The hinges are factory-set for optimal tension. If they feel too loose or too tight over time, contact UGREEN customer support for assistance. Do not attempt to force or disassemble the hinges.

7. Specifications

Feature	Detail
Product Dimensions	3.11 x 4.92 x 1.38 inches
