LEGO Minions: Brick-Built Minions and Their Lair (75551) Instruction Manual

Model: 75551 | Brand: LEGO

Introduction

This instruction manual provides detailed guidance for assembling and interacting with the LEGO Minions: Brick-Built Minions and Their Lair (75551) building kit. This creative set allows builders to construct brick-built versions of Kevin and Stuart, which can then be reconfigured to build Bob. Each large Minion model opens to reveal an intricate room playset inside, complete with various accessories for imaginative play. The set is designed to offer an engaging building experience and features interactive elements such as turning eyes.

What's Included

The LEGO Minions: Brick-Built Minions and Their Lair (75551) set contains 876 LEGO building elements. These elements are used to construct the large Minion figures and their internal lairs, along with smaller Minion figures and various accessories.

Operating: Play Features

Once constructed, the Minion models offer several interactive play features:

- **Turning Eyes:** Each large Minion figure features turning eyes, adding expressive character to your display and play scenarios.
- **Hidden Lairs:** The back of each large Minion model opens up to reveal a detailed room playset.
- **Kevin's Lab:** Explore Kevin's lab, equipped with various gadgets and tools for inventing.
- **Stuart's Bedroom:** Discover Stuart's bedroom, a cozy space for relaxation.
- **Bob's Kung Fu Dojo:** When Kevin is rebuilt into Bob, his interior transforms into a dojo for practicing kung fu.
- **Accessories:** The set includes various accessories such as tools, hats, and weapons to enhance role-play.

Maintenance

To ensure the longevity and cleanliness of your LEGO Minions set, follow these simple maintenance tips:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap to gently clean the LEGO bricks. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the assembled models or loose bricks in a cool, dry place away from direct sunlight to prevent discoloration and damage.
- **Handling:** Handle the models with care to avoid accidental disassembly, especially when moving them.

Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** In the rare event of missing pieces, please contact LEGO Customer Service directly through their official website.
- **Assembly Difficulties:** Refer to the detailed step-by-step instructions in the included manual or the digital Instructions PLUS app for visual guidance. Ensure all pieces are correctly oriented and firmly pressed together.
- **Loose Connections:** If parts feel loose, double-check that they are fully connected to the studs. Sometimes a firm press is needed.
