Vanity Planet Aira Ionic Facial Steamer

USER MANUAL

Introduction

Welcome to the Vanity Planet Aira Ionic Facial Steamer user manual. This guide provides essential information for the safe and effective operation, maintenance, and troubleshooting of your new facial steamer. The Aira Ionic Facial Steamer is designed to provide a spa-like experience at home, helping to detoxify, cleanse, and moisturize your skin for a healthier, more radiant complexion.

Safety Information

Warning:

- To avoid risk of burns or injury, ensure you are no closer than 25 centimeters (approximately 10 inches) to the nozzle during operation.
- Only use distilled water in the water tank. Using essential oils or regular tap water directly in the tank may cause damage or cracking.
- Keep out of reach of children.
- Do not immerse the device in water or any other liquid.
- Unplug the device when not in use and before cleaning.

Product Components

Built to Fit Your *Beauty Ritual*

Image: Overview of the Aira Facial Steamer and its key components.

- **Adjustable Nozzle:** Directs steam flow.
- **Power Button:** Activates and deactivates the steamer.
- **Water Tank Opening:** Area to access the water tank for filling.
- **Water Tank:** Holds 85ml of distilled water.
- **Essential Oil Baskets (3 included):** For aromatherapy use with essential oils.
- **Base of the Device:** Provides stability, often with suction cups.

Setup and Initial Use

Simple to Use

1

Fill the 85 ml tank with distilled water

2

Insert and secure the tank

3

Press button to start steaming

4

Add oils to basket for aromatherapy

● Use 15 min a day

● 2-3x/week

Image: Simple steps for setting up and using your Aira Steamer.

1. **Fill Water Tank:** Remove the 85ml water tank by unscrewing its plug. Fill it with distilled water only. Do not exceed the maximum fill line.
2. **Secure Water Tank:** Close the water tank, fasten the plug, and insert the water tank back into the device until it clicks securely into place.
3. **Power On:** Plug the steamer into a suitable power outlet. Press the power button to begin the steaming process. The device will heat up quickly.
4. **Position Face:** Once steam begins to emit, position your face approximately 25cm (10 inches) away from the nozzle. Adjust the nozzle as needed to direct the steam.
5. **Essential Oil Use (Optional):** To use essential oils, soak the foam portion of one of the three included baskets with your preferred essential oil. Place the basket onto the device's nozzle. Use separate baskets for different oils to prevent mixing.

Operating Instructions

The Aira Ionic Facial Steamer is designed for ease of use. After setup, simply press the power button to start the steam generation. The device will produce a consistent, fine mist for up to 15 minutes. For optimal results, use the steamer two to three times a week.

The ionic steam helps to open pores, allowing for deeper cleansing and better absorption of subsequent skincare products. The adjustable nozzle allows you to direct the steam precisely where you need it most.

Benefits for Different Skin Types

Ideal for Every *Complexion*

Skin Type	Effect of Aira Facial Steamer
<i>Sensitive</i>	Soothes redness and inflammation
<i>Oily</i>	Prevents breakouts and mattifies skin
<i>Dry</i>	Boosts moisture and smoothness
<i>Combination</i>	Balances skin and improves texture

Image: How the Aira Steamer benefits various skin types.

- **Sensitive Skin:** Soothes redness and inflammation.
- **Oily Skin:** Prevents breakouts and mattifies skin.

- **Dry Skin:** Boosts moisture and smoothness.
- **Combination Skin:** Balances skin and improves texture.

The Aira Steamer helps to deeply cleanse pores, boost circulation, prepare skin for skincare product absorption, and promote an overall healthy complexion.

Maintenance

Regular cleaning ensures the longevity and optimal performance of your Aira Facial Steamer.

- **After Each Use:** Unplug the device and allow it to cool completely. Empty any remaining water from the tank.
- **Cleaning the Water Tank:** Rinse the water tank with distilled water. For a deeper clean, you can use a mild soap solution, ensuring to rinse thoroughly afterward to remove all soap residue. Allow it to air dry completely before reassembling.
- **Exterior Cleaning:** Wipe the exterior of the steamer with a soft, damp cloth. Do not use abrasive cleaners or immerse the unit in water.
- **Essential Oil Baskets:** Rinse the essential oil baskets after each use. If using different oils, ensure the basket is thoroughly cleaned or use a new basket to prevent scent mixing.

Troubleshooting

If you encounter issues with your Aira Facial Steamer, please refer to the following common solutions:

- **No Steam Production:**
 - Ensure the water tank is filled with distilled water and correctly inserted.
 - Check if the device is properly plugged into a working power outlet.
 - Allow a few minutes for the device to heat up after pressing the power button.
- **Unusual Odor:**
 - Ensure you are only using distilled water in the main tank.
 - Clean the water tank thoroughly as per the maintenance instructions.
- **Power Compatibility (International Users):**
 - This product is designed for 120V outlets (North America). If using in regions with 240V (e.g., Australia), a suitable voltage converter/transformer is required. Using without one may damage the unit and void the warranty.

If problems persist after attempting these solutions, please contact Vanity Planet customer support.

Specifications

Feature	Detail
Product Dimensions	5.2 x 4.69 x 8.03 inches
Item Weight	1.9 Pounds
Model Number	VP59321-3400
