# BIGGERFIVE Slim Kids Fitness Tracker Watch User Manual

Model: ID115U

## 1. INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your BIGGERFIVE Slim Kids Fitness Tracker Watch. Please read this manual thoroughly to ensure proper use and to maximize the benefits of your new device.

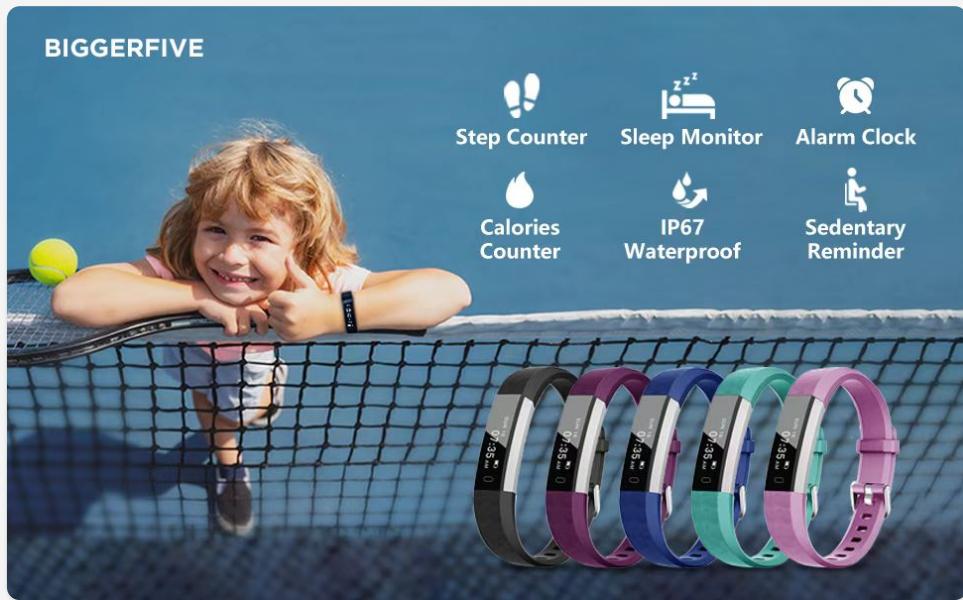

The BIGGERFIVE Slim Kids Fitness Tracker Watch, shown with both light purple and dark purple interchangeable bands.

## 2. KEY FEATURES

- High Quality Dual Straps:** The fitness tracker includes two slim and adjustable wristbands, suitable for children aged 5 and above. Made from flexible, durable TPU material, they are lightweight (17g) and comfortable for extended wear.
- All-Day Activity Tracking:** Automatically tracks steps, distance covered, and calories burned. Data can be viewed directly on the watch display or through the companion mobile application.
- Sleep Tracker & Vibrating Alarm Clock:** Monitors sleep quality and patterns throughout the night, with detailed data available in the app. Features a silent vibration alarm clock to wake users without disturbing others.
- Built-in USB Design & Long Battery Life:** The tracker features an integrated USB plug for convenient charging with any standard USB adapter, eliminating the need for an extra charger. A 1-2 hour charge provides up to 7 days of battery life.

- **Compatibility:** Works with the free "VeryFitPro" application, compatible with most smartphones.
- **IP67 Waterproof:** Designed to be resistant to water splashes and brief immersion, suitable for daily activities like hand washing or playing in the rain.
- **Sedentary Reminder:** Can be set to alert the user when they have been inactive for a prolonged period, encouraging movement.

An overview of the fitness tracker's main functions.

### 3. SETUP GUIDE

#### 3.1 Charging the Device

To charge your fitness tracker, gently remove one end of the strap to reveal the built-in USB plug. Insert this plug directly into any standard USB port (e.g., computer, USB wall adapter, power bank). The charging indicator on the screen will illuminate. If the indicator does not appear, try flipping the charging port over and reinserting it, as it may only connect in one orientation.

Proper method for USB charging the fitness tracker.

## 3.2 App Installation and Pairing

1. Download the "VeryFitPro" app from your smartphone's app store (App Store for iOS, Google Play Store for Android).
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the "VeryFitPro" app and follow the on-screen instructions to search for and pair with your BIGGERFIVE fitness tracker. The app will guide you through the connection process.
4. Once paired, the time and date on your tracker will automatically synchronize with your phone.

## 3.3 Adjusting the Strap

The fitness tracker comes with an adjustable strap designed to fit wrist sizes from approximately 5.1 inches to 7.5 inches, making it suitable for a wide range of children's wrists. Adjust the buckle to find a comfortable and secure fit.

### Adjustable Slim Strap

**The adjustable strap make it suits for kids 5 +**

The adjustable strap ensures a comfortable fit for various wrist sizes.

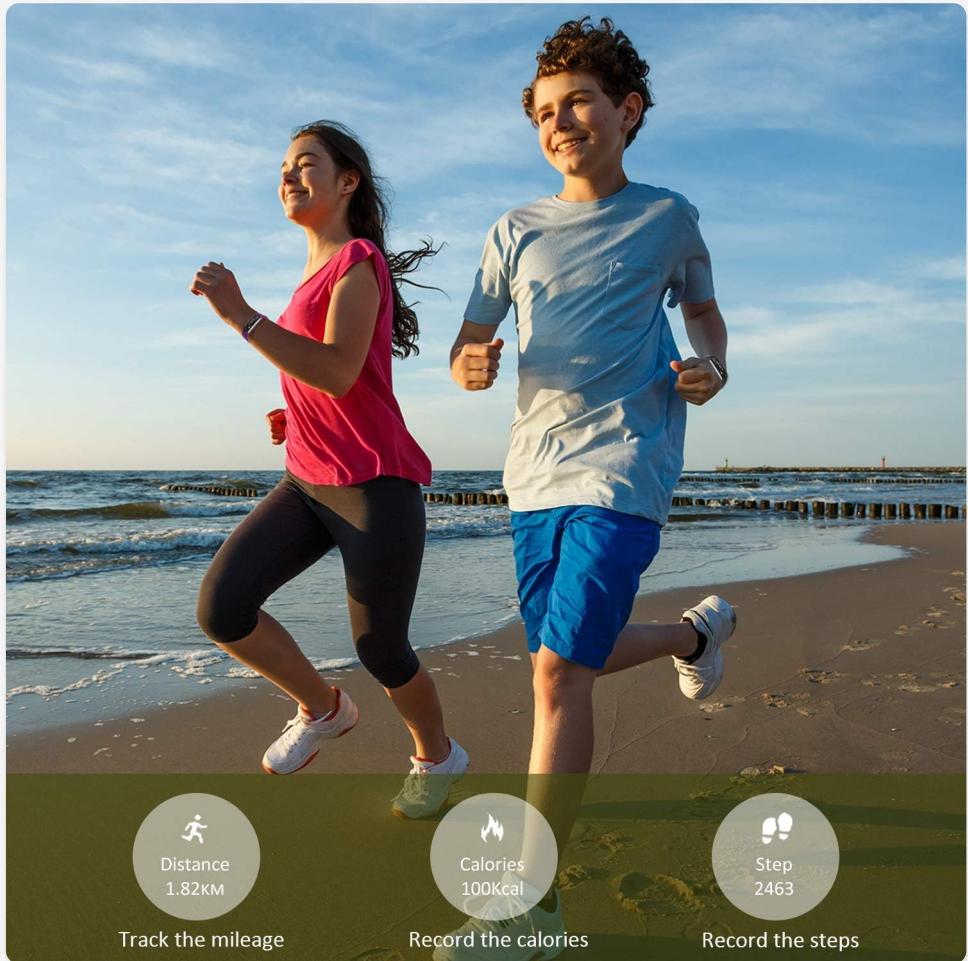

## 4. OPERATING INSTRUCTIONS

### 4.1 Basic Navigation

Tap the touch-sensitive area on the watch display to cycle through different modes and view information such as time, date, steps, distance, calories, and battery level.

### 4.2 Activity Tracking

The tracker automatically records your child's daily steps, distance traveled, and calories burned. This data is displayed on the watch and can be viewed in more detail within the "VeryFitPro" app.

The tracker monitors distance, calories, and steps during activities.

### 4.3 Sleep Monitoring

Wear the tracker to bed, and it will automatically monitor sleep duration and quality. Access detailed sleep trend data, including deep sleep, light sleep, and awake times, through the "VeryFitPro" app.

The device tracks sleep quality and can be used with a vibrating alarm.

#### 4.4 Alarm Clock

Set up to 10 vibrating alarms through the "VeryFitPro" app. The silent vibration will gently wake your child without disturbing others.

#### 4.5 Sedentary Reminder

Configure sedentary reminders in the app to encourage your child to move after periods of inactivity. The tracker will vibrate to alert them.

### 5. MAINTENANCE

#### 5.1 Cleaning

Regularly clean the tracker and strap with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the device.

#### 5.2 Water Resistance

The BIGGERFIVE Slim Kids Fitness Tracker Watch is IP67 waterproof, meaning it is resistant to splashes, rain, and brief immersion in water (up to 1 meter for 30 minutes). It is suitable for daily use like hand washing or playing in the rain. However, it is not recommended for swimming, showering with hot water, or diving, as steam and prolonged submersion can affect its performance.

#### 5.3 Battery Care

To prolong battery life, avoid fully discharging the battery frequently. Charge the device when the battery level is low.

Store the device in a cool, dry place when not in use for extended periods.

## 6. TROUBLESHOOTING

- Device not charging:** Ensure the USB plug is inserted correctly into the USB port. If the charging indicator does not appear, try flipping the plug over. Ensure the USB port is functional.
- Cannot connect to the app:** Make sure Bluetooth is enabled on your phone. Confirm you are using the correct app, "VeryFitPro," not a different BIGGERFIVE app. Restart both your phone and the fitness tracker (if possible) and try pairing again. Ensure the tracker's battery is not completely drained.
- Inaccurate step count:** Ensure the tracker is worn snugly on the wrist. Arm movements not associated with walking (e.g., typing, waving) can sometimes be misinterpreted as steps.
- Screen not responding:** Ensure the device is charged. If unresponsive, try connecting it to a charger to see if it powers on.
