Premier Pet GMUZ-L

Premier Pet Dog Muzzle - Large Instruction Manual

INTRODUCTION

This manual provides instructions for the proper use and care of your Premier Pet Dog Muzzle. This muzzle is designed to assist in safely managing your dog's behavior by reducing nipping, biting, and barking. It features adjustable straps and padding for comfort, making it suitable for various situations such as grooming or vet visits.

IMPORTANT SAFETY INFORMATION

- Do not leave your dog unattended while wearing the muzzle.
- The muzzle should be used for short periods only. Give breaks after 45 minutes of continuous use.
- Ensure the muzzle is properly fitted to prevent discomfort or removal by the dog.
- This muzzle is intended to prevent biting and nipping, not to punish your dog.
- Always introduce the muzzle gradually and positively to your dog.
- Do not use the muzzle if it causes your dog distress or difficulty breathing.

SETUP AND FITTING INSTRUCTIONS

Proper fitting is essential for your dog's comfort and the muzzle's effectiveness. Follow these steps to ensure a secure and comfortable fit:

1. **Measure Your Dog's Snout:** Use a soft tape measure to find the widest part of your dog's nose. For the Large-sized muzzle, this measurement should be between 9 inches and 10 inches long.
2. **Position the Muzzle:** Gently place the muzzle over your dog's snout.
3. **Adjust Snout Strap:** Adjust the strap that goes around the snout to ensure it is snug but not overly tight. Your dog should be able to pant slightly. The muzzle is padded for comfort.
4. **Adjust Neck Strap:** Bring the neck strap behind your dog's ears and buckle it securely. Adjust the strap so that it is firm enough to prevent the muzzle from being pulled off, but loose enough for two fingers to fit comfortably underneath.
5. **Check the Fit:** Once both straps are adjusted, observe your dog. The muzzle should not rub against their eyes or restrict their breathing.

OPERATING AND USAGE GUIDELINES

The Premier Pet Dog Muzzle is designed for temporary use in specific situations. Here are guidelines for its effective use:

- **Initial Introduction:** Allow your dog to get used to wearing the muzzle gradually. Start with very short periods, offering treats and praise.
- **Situational Use:** Ideal for situations where your dog might nip, bite, or bark excessively, such as during vet visits, grooming sessions, or nail clipping.
- **Time Limits:** Do not use the muzzle for extended periods. Provide breaks after approximately 45 minutes of continuous use to ensure your dog's comfort and well-being.
- **Supervision:** Always supervise your dog while they are wearing the muzzle.

Prevent nipping, biting and barking

Perfect for any situation

CARE AND MAINTENANCE

To ensure the longevity and hygiene of your Premier Pet Dog Muzzle, follow these care instructions:

- **Cleaning:** Hand wash the muzzle with mild soap and warm water. Rinse thoroughly to remove all soap residue.
- **Drying:** Air dry completely before storing or reusing. Do not machine wash or tumble dry.
- **Inspection:** Regularly inspect the muzzle for any signs of wear, tear, or damage to the straps and buckles. Discontinue use if any damage is found.
- **Storage:** Store in a clean, dry place away from direct sunlight when not in use.

TROUBLESHOOTING

If you encounter issues with your Premier Pet Dog Muzzle, consider the following:

- **Muzzle comes off easily:**

- Ensure both the snout and neck straps are adjusted snugly. The neck strap should allow two fingers to fit underneath, but no more.
- Re-measure your dog's snout to confirm the muzzle size is appropriate.
- Check for any damage to the buckles or adjustment mechanisms that might cause loosening.

- **Dog shows discomfort or resistance:**

- Re-check the fit to ensure it's not too tight or rubbing.
- Introduce the muzzle more gradually, using positive reinforcement (treats, praise).
- Ensure the dog can still pant and drink water.

- **Muzzle is ineffective at preventing behavior:**

- Confirm the muzzle is the correct size for your dog's snout.
- Ensure the muzzle is positioned correctly and securely.
- Consider consulting a professional dog trainer or veterinarian for behavioral guidance.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Premier Pet
Model Number	GMUZ-L-BLK
Size	Large (Snout 9-10 inches)
Color	Black
Material	Nylon
Closure Type	Buckle
Manufacturer	Radio Systems Corporation
UPC	729849163553
