2. SETUP: BATTERY INSTALLATION

The remote control requires two (2) AAA batteries for operation. Batteries are not included with the remote control and must be purchased separately.

1. Locate the battery compartment on the back of the remote control.
2. Slide the battery compartment cover downwards or in the direction indicated by an arrow to open it.
3. Insert two (2) AAA batteries, ensuring that the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery compartment cover back into place until it clicks securely.

Figure 2: Back of the remote control showing the open battery compartment (left) and the closed battery compartment (right). This illustrates where to insert the AAA batteries and how to secure the cover.

Once batteries are inserted, the remote control is ready for use with compatible RCA television models without any additional programming.

3. OPERATING INSTRUCTIONS

This replacement remote control is designed for immediate use with compatible RCA television models. No programming or pairing is required. Simply point the remote at your television and press the desired function button.

Basic Functions:

- **Power Button:** Turns the television on or off.
- **Number Buttons (0-9):** Directly select channels.
- **Volume Up/Down:** Adjusts the sound level.
- **Channel Up/Down:** Changes the television channel.

- **Mute Button:** Silences the television audio.
- **Menu Button:** Accesses the television's on-screen menu.
- **Navigation Pad (Up/Down/Left/Right/Enter):** Navigates through menus and confirms selections.
- **Source/Input Button:** Switches between different input sources (e.g., HDMI, AV).
- **Exit Button:** Exits the current menu or function.

For specific advanced functions or smart TV features, refer to your RCA television's original user manual, as button labels on this replacement remote correspond to standard television functions.

4. COMPATIBILITY

This remote control is specifically designed to be compatible with the following RCA Smart LCD LED HDTV TV models:
