

## Sluban M38-B0752

# Sluban M38-B0752 Construction Set Instruction Manual

Model: Ka-50 Black Shark

## 1. INTRODUCTION

---

This instruction manual provides detailed guidance for assembling and maintaining your Sluban M38-B0752 construction set, featuring the Ka-50 Black Shark helicopter model. This set contains 333 pieces designed for interlocking construction, suitable for ages 6 to 99 years. Please read all instructions carefully before beginning assembly.

## 2. SAFETY INFORMATION

---

- **Choking Hazard:** This set contains small parts and is not suitable for children under 3 years due to potential choking hazards.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger children.
- **Material Safety:** All components are made from non-toxic plastic.
- **Proper Use:** Use the product as intended. Do not attempt to modify or force parts together.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before starting assembly. The package should contain:

- 333 interlocking building pieces.
- 1 full-color instruction booklet.
- Additional accessories for the Ka-50 Black Shark model.

## 4. ASSEMBLY INSTRUCTIONS

---

The Sluban M38-B0752 set includes a comprehensive full-color instruction booklet. Follow the step-by-step diagrams and instructions provided in this booklet for accurate assembly of your Ka-50 Black Shark helicopter.

1. **Preparation:** Unpack all pieces and organize them by color or type as suggested in the instruction booklet.
2. **Follow Booklet:** Refer to the included full-color instruction booklet for detailed, visual assembly steps. Each step illustrates which pieces to use and where to connect them.
3. **Secure Connections:** Ensure all interlocking pieces are firmly connected to prevent the model from falling apart during play.
4. **Check for Missing Pieces:** If you encounter any missing pieces, refer to the Troubleshooting section.

## 5. OPERATING THE MODEL

Once assembled, the Sluban M38-B0752 Ka-50 Black Shark model is ready for display or imaginative play. This model is manually operated and does not require batteries.

- **Rotor Function:** The main and tail rotors can be manually spun.
- **Pilot Figure:** The included pilot figure can be placed inside the cockpit. Note that the cockpit canopy may need to be removed to insert the figure, as it may not have a swivel function.
- **Display:** The model can be displayed on a flat surface.

## 6. MAINTENANCE

---

To ensure the longevity of your Sluban M38-B0752 model, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the model gently with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent material degradation or color fading.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to small parts.

## 7. TROUBLESHOOTING

---

If you encounter any issues during assembly or use, refer to the following common solutions:

- **Missing Pieces:** Carefully re-check all packaging and the surrounding area. If a piece is genuinely missing, contact Sluban customer support for assistance.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and apply gentle, even pressure. Avoid forcing pieces, as this can cause damage.
- **Model Instability:** Double-check all connections according to the instruction booklet. Loose connections can lead to instability.
