Sluban M38-B0753

Sluban LAV Armored Vehicle (M38-B0753) Instruction Manual

Brand: Sluban | Model: M38-B0753

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sluban LAV Armored Vehicle (Model M38-B0753) building block set. This set allows you to construct a 6-wheel all-terrain vehicle designed as a tank and troop carrier, complete with two mini-figures and their accessories. The blocks are compatible with major building block brands, offering a versatile and engaging building experience.

2. Safety Information

- **Age Recommendation:** This product is recommended for ages 14 years and up. Small parts may pose a choking hazard for younger children.
- **Material Safety:** The building blocks are made from non-toxic ABS plastic.
- **Supervision:** Adult supervision is recommended during assembly and play, especially for younger users.

3. Parts List

The Sluban LAV Armored Vehicle set (M38-B0753) contains 384 pieces made from durable ABS plastic. This includes all components necessary to build the vehicle, along with two mini-figures and their associated weapons. A detailed visual parts list is provided in the separate instruction booklet included in your package. Please verify all parts are present before beginning assembly.

4. Assembly Instructions

Follow the step-by-step diagrams provided in the included instruction booklet to assemble your Sluban LAV Armored Vehicle. Ensure each piece is securely connected to prevent the model from falling apart during play. Take your time and double-check each step.

Assembly Tips:

- Organize your pieces by color and size before starting.
- Press pieces firmly together to ensure a stable connection.
- If a piece does not fit, do not force it. Recheck the previous steps in the instruction booklet.

5. Operating Instructions

Once assembled, your Sluban LAV Armored Vehicle is ready for imaginative play. This model is designed as a mobile light attack vehicle, functioning as both a tank and a troop carrier. The 6-wheel design allows for movement across various surfaces.

Key Features:

- **Movable Parts:** The turret and main cannon may have articulation points for dynamic play.
- **Mini-Figures:** Place the included mini-figures in or around the vehicle to simulate various scenarios.
- **All-Terrain Design:** The 6-wheel configuration is suitable for play on different indoor surfaces.

6. Maintenance

Proper care will ensure the longevity of your Sluban LAV Armored Vehicle.

- **Cleaning:** Wipe the model gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight and extreme temperatures. This helps prevent discoloration and warping of the plastic.
- **Handling:** Handle the model with care to avoid accidental breakage of smaller components.

7. Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Carefully check all packaging materials. If a piece is genuinely missing, please contact Sluban customer support for assistance.
- **Difficulty Assembling:** Refer back to the instruction booklet and ensure you are using the correct pieces and orientation for each step. Sometimes a small misalignment can prevent pieces from fitting together.
- **Loose Connections:** Ensure all pieces are pressed firmly together. If a connection remains loose, try swapping the pieces with similar ones from the set, if available.

8. Specifications

Feature	Detail
Brand	Sluban
Model Number	M38-B0753

Number of Pieces	384
Material	ABS Plastic
Product Dimensions	38 x 28.5 x 6.7 cm (Package); Vehicle: 16.3 cm / 6.4 inches (Length)
