HAYLOU GT1

HAYLOU GT1 Wireless EarBuds User Manual

Model: GT1 | Brand: HAYLOU

1. Introduction

Welcome to the user manual for your HAYLOU GT1 Wireless EarBuds. These in-ear touch Bluetooth earphones are designed to provide a superior audio experience with stable signal transmission, lower latency, and efficient power consumption. Featuring a comfortable in-ear design and intuitive touch controls, the GT1 earbuds are perfect for an active lifestyle, offering IPX5 water and sweat protection.

3. Package Contents

Upon opening your HAYLOU GT1 Wireless EarBuds package, you should find the following items:

- HAYLOU GT1 Wireless EarBuds (Left and Right)
- Charging Case
- USB Charging Cable
- Multiple Sizes of Ear Tips (S, M, L)
- User Manual

4. Setup

4.1 Charging the Earbuds and Case

1. Place the earbuds into the charging case, ensuring they are properly seated. The indicator lights on the earbuds will show their charging status.
2. Connect the USB charging cable to the charging port on the case and plug the other end into a USB power source (e.g., computer, wall adapter).
3. The indicator light on the charging case will illuminate to show it is charging. Once fully charged, the light may change color or turn off.

4.2 Pairing with Your Device

1. Take both earbuds out of the charging case. They will automatically power on and enter pairing mode.
2. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for available devices and select "Haylou-GT1" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds' indicator lights will turn off or flash slowly.
5. If pairing fails, place the earbuds back into the case, close the lid, and then repeat the steps.

5. Operating Instructions

5.1 Touch Controls

The HAYLOU GT1 earbuds feature intuitive touch controls on each earbud. Refer to the following table for common functions:

Action	Left Earbud	Right Earbud
Play/Pause	Single Tap	Single Tap
Next Track	N/A	Double Tap
Previous Track	Double Tap	N/A
Answer/End Call	Single Tap	Single Tap

Action	Left Earbud	Right Earbud
Reject Call	Long Press (1s)	Long Press (1s)
Activate Voice Assistant	Triple Tap	Triple Tap

Note: Functions may vary slightly depending on your connected device and operating system.

6. Maintenance

6.1 Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Gently clean the charging contacts on both the earbuds and the case to ensure proper charging.

6.2 Storage

- When not in use, store the earbuds in their charging case to protect them and keep them charged.
- Store the device in a cool, dry place, away from extreme temperatures and direct sunlight.

7. Troubleshooting

If you encounter issues with your HAYLOU GT1 Wireless EarBuds, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, close the lid, then open it and try pairing again. Make sure Bluetooth is enabled on your device and no other devices are connected to the earbuds.
- **No sound from one earbud:** Try resetting the earbuds by placing them in the case and then taking them out. Re-pair them with your device. Ensure both earbuds have sufficient charge.
- **Charging issues:** Check if the charging cable is securely connected to both the case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- **Low volume or poor sound quality:** Adjust the volume on your connected device. Ensure the ear tips are the correct size for a snug fit, providing optimal sound isolation. Clean any earwax buildup from the earbud nozzles.
- **Earbuds disconnect frequently:** Ensure your device is within the Bluetooth range (typically 10 meters/33 feet) and there are no significant obstacles between the earbuds and your device.

If the problem persists after trying these steps, please contact HAYLOU customer support for further assistance.
