

XJD XJD-PG302XS

XJD Toddler Helmet Instruction Manual

Model: XJD-PG302XS

1. INTRODUCTION

This manual provides essential information for the proper use, adjustment, and maintenance of your XJD Toddler Helmet. Please read these instructions carefully before use to ensure maximum safety and comfort for the wearer. This helmet is designed for multi-sport activities including biking, roller skating, inline skating, and skateboarding.

2. SAFETY INFORMATION

The XJD Toddler Helmet is engineered with safety as a priority. It combines a super strong injection molded outer shell with a protective EPS foam inner shell for impact resistance. For optimal protection, ensure the helmet is always worn correctly and securely fastened.

- Always wear the helmet when participating in relevant activities.
- Ensure the helmet fits snugly and does not move freely on the head.
- The chin strap must be securely fastened under the chin.
- Inspect the helmet regularly for any signs of damage. If damaged, replace immediately.
- This helmet is CPSC certified for users aged 1 year and older.

3. PRODUCT FEATURES

The XJD Toddler Helmet offers several features designed for protection and comfort:

- **Impact Resistance:** Features a strong outer shell and EPS foam inner shell.
- **Ventilation:** Equipped with 14 air vents to reduce sweating and keep the wearer comfortable.
- **Integrated Bug Mesh:** Front vents include a bug mesh to prevent insects from entering.
- **Soft Velcro Padding:** Interior padding is soft, comfortable, removable, and washable.
- **Adjustable Fit Dial:** A rear dial allows for easy adjustment to achieve a secure fit as the child grows.
- **Quick Release Buckle:** For easy and pinch-free fastening and removal.

The XJD Toddler Helmet features a durable outer shell and adjustable straps for a secure fit.

Quick Release Buckle

Fast on and off
no pinching

Adjustable Straps/Buckle

Adjustable shoulder
strap length

Adjustment Knob

Turn right to tighten and left to
loosen, adjust to fit kids head size

Soft Chin Pad

Prevent rubbing or pinching
your child's sensitive skin.

Key features include a quick-release buckle for easy use, adjustable straps for a secure fit, a rear adjustment knob for head size, and a soft chin pad for comfort.

4. SIZING AND FIT

A properly sized and fitted helmet is crucial for safety. Follow these steps to determine the correct size and ensure a snug fit:

4.1. Measuring Head Circumference

1. Use a flexible measuring tape.
2. Measure above the hair, approximately 1 inch (2.5 cm) above the eyebrows and ears.
3. Measure several times to ensure accuracy and select the largest measurement.

Please measure the child's head circumference correctly Choose the appropriate size

1. Use a flexible measuring tape to measure the circumference of the head.

2. Measure above the hair with a tape measure Above the eyebrows and ears, as shown in the picture

3. Measure several times and select the largest one

Size	Age	Head Circumference	
XS	1-5	18.9-20.5inch	(48-52cm)
S	5-8	20.5-22 inch	(52-56cm)

Proper head measurement is essential for selecting the correct helmet size. Use a flexible tape measure above the eyebrows and ears.

4.2. Size Chart

Size	Recommended Age	Head Circumference (inches)	Head Circumference (cm)
------	-----------------	-----------------------------	-------------------------

Size	Recommended Age	Head Circumference (inches)	Head Circumference (cm)
X-Small	1-5 years old	18.11-20.08 inches	46-51 cm
Small	5-8 years old	20.47-22.05 inches	52-56 cm

5. SETUP AND ADJUSTMENT

Achieving a proper fit is essential for the helmet's effectiveness. Follow these steps to adjust the helmet:

- Place the Helmet:** Position the helmet squarely on the head, covering the forehead. It should not tilt back or forward.
- Adjust the Fit Dial:** Locate the adjustable fit dial at the back of the helmet. Turn it clockwise to tighten and counter-clockwise to loosen until the helmet feels snug but comfortable.
- Adjust Straps:** Ensure the side straps form a 'V' shape just below the ears. Adjust the strap length as needed.
- Fasten Buckle:** Secure the quick-release buckle under the chin. Tighten the chin strap so that only one or two fingers can fit between the strap and the chin.
- Check Fit:** The helmet should not move more than an inch in any direction when shaken. The chin strap should be snug without causing discomfort.

6. MAINTENANCE

Proper maintenance will extend the life of your helmet and ensure continued hygiene.

- Cleaning the Shell:** Use a soft cloth, mild soap, and water to clean the outer shell. Avoid harsh chemicals or abrasive cleaners.
- Cleaning the Padding:** The internal padding is removable and washable. Hand wash with mild soap and water, then air dry completely before reinserting.
- Storage:** Store the helmet in a cool, dry place away from direct sunlight and extreme temperatures.
- Inspection:** Regularly check straps, buckles, and the shell for any signs of wear, cracks, or damage.

7. TROUBLESHOOTING

If you encounter issues with your helmet, consider the following:

- Helmet feels loose:** Re-measure head circumference and consult the size chart. Ensure the adjustment dial is tightened sufficiently and straps are snug.
- Helmet is uncomfortable:** Check for proper positioning on the head. Ensure straps are not twisted or too tight. Adjust padding if necessary.
- Buckle not fastening:** Inspect the quick-release buckle for any obstructions or damage.

If problems persist or if the helmet has sustained an impact, it is recommended to replace the helmet.

8. SPECIFICATIONS

Feature	Detail
Brand	XJD
Model Name	W022
Manufacturer Part Number	XJD-PG302XS
Color	Blue
Age Range (Description)	Toddler
Size	X-Small: 18.11"-20.08" / 46-51 cm
