WHAT'S IN THE Box

Upon opening the package, please verify that all components are present and undamaged. The box should contain:

- All dresser components (panels, drawer parts, hardware)
- Assembly Instruction Manual
- Anti-tip kit

For a detailed list of parts, please refer to the Assembly Instruction Manual included in your package. A digital version of the user guide can be found [here](#).

SETUP AND ASSEMBLY

Assembly of the DaVinci Charlie Double Dresser is designed to be straightforward. Please follow the step-by-step instructions provided in the Assembly Instruction Manual for a hassle-free setup. It is recommended to assemble the dresser in the room where it will be used.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all hardware and components using the parts list in the manual.
3. Follow the numbered steps in the Assembly Instruction Manual carefully.
4. Ensure all screws and fasteners are tightened securely, but do not overtighten.
5. Install the anti-tip kit as instructed in the manual to secure the dresser to the wall.

OPERATING AND USAGE

The DaVinci Charlie Double Dresser features six spacious drawers with Euro glides for smooth and effortless access. This dresser is designed to be adaptable for every stage of your child's growth.

- **Storage:** Utilize the six drawers to organize baby clothes, blankets, diapers, and other essentials.
- **Smooth Operation:** The Euro glides ensure that drawers open and close quietly and smoothly.
- **Adaptable Design:** This dresser can transition from a changing table to a functional dresser. For use as a changing station, the DaVinci changing tray (M0619) can be purchased separately and placed on top.

Maintenance

To keep your DaVinci Charlie Double Dresser in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth. Avoid using abrasive cleaners or strong chemicals, as they may damage the finish.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** Protect the dresser from excessive moisture and direct sunlight to prevent warping or fading.

Troubleshooting

Should you encounter any issues with your dresser, please refer to the following common solutions:

- **Drawers not sliding smoothly:** Check for any obstructions in the glides. Ensure the glides are properly aligned and securely attached.

- **Dresser wobbles:** Verify that the dresser is on a level surface. Check all assembly screws and tighten any loose ones. Ensure the anti-tip kit is correctly installed and secured to the wall.
- **Missing parts:** If any parts were missing upon delivery, please contact DaVinci customer support immediately.

If the problem persists, please contact customer support for further assistance.
