3. PRODUCT FEATURES

- **Compact & Portable:** Weighing only 50g, designed for easy portability and single-hand operation.
- **Versatile Wearing Options:** Can be worn on the wrist, clipped to clothing, or hung from a pocket.
- **Enhanced Audio:** Built-in professional audio chip produces 3W HD sound with enhanced bass.
- **Bluetooth 5.3:** Ensures stable and ultra-fast connection with all Bluetooth-enabled devices.
- **Built-in Microphone:** Allows for convenient hands-free calls with one-tap answering.
- **Long Battery Life:** Up to 9.5 hours of playtime (at 1/3 max volume) and 18 hours standby time. Fully recharges in 1.5 hours.
- **IPX6 Waterproof:** Fully sealed design provides resistance to rain, sweat, and dust, making it suitable for outdoor and shower use.
- **White Noise Player:** Features a built-in white noise player with 17 natural sounds and a 30-minute auto playback function for relaxation.

4. SETUP AND CHARGING

4.1 Initial Charge

Before first use, fully charge your speaker. Connect the provided Type-C USB cable to the charging port on the speaker and the other end to a USB power source (e.g., computer, wall adapter). The charging indicator light will show the charging status.

A full charge takes approximately 1.5 hours.

5. OPERATING INSTRUCTIONS

5.1 Bluetooth Pairing

1. Ensure the speaker is powered on and the indicator light is flashing, indicating it's in pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "ANCwear" from the list of devices to connect.
4. Once connected, the speaker will emit a confirmation tone, and the indicator light will remain solid.

5.2 True Wireless Stereo (TWS) Pairing

To enjoy enhanced stereo sound, you can pair two ANCwear TWS-BT208T speakers together:

1. Ensure both speakers are powered off.
2. Simultaneously long press the 'O' button on both speakers to power them on.
3. The speakers will automatically enter TWS pairing mode and connect to each other. A confirmation tone will sound once paired.
4. Once TWS paired, connect your device to one of the speakers via Bluetooth as described in Section 5.1. Both speakers will then play audio in stereo.

6. WEARING OPTIONS

The ANCwear speaker offers multiple ways to wear it, adapting to your activity:

- **Wristband:** Attach the speaker to the provided wristband for a wearable audio experience, similar to a smartwatch.
- **Hanger Clip:** Use the hanger clip to attach the speaker to your pocket, backpack, or other straps.
- **Clothing Clip:** Secure the speaker directly to your clothing, such as a shirt collar or waistband, using the dedicated clip.

7. WATERPROOFING (IPX6)

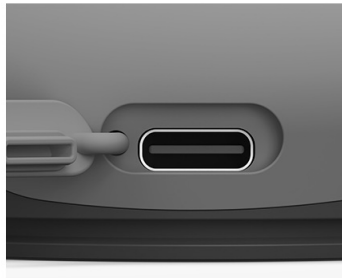

The ANCwear speaker is rated IPX6 waterproof, meaning it is protected against high-pressure water jets from any direction. This makes it suitable for use in the shower, during rainy outdoor activities, or in dusty environments.

While it can withstand water splashes and jets, it is not designed for submersion in water. Ensure the charging port cover is securely closed before exposing the speaker to water.

Only 60g

Lightweight fit, All-day comfort

1.5h full charge

Up to 9.5h playtime, 18h standby mode

Egg-sized

Fits in your palm, Easy to carry anywhere

Playtime	Up to 9.5 hours (at 1/3 max volume)
Standby Time	Up to 18 hours
Special Feature	Built-in Microphone, TWS Pairing, White Noise Player

9. MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. Charge it regularly, even if not in use for extended periods.
- **Waterproof Seal:** Always ensure the charging port cover is properly sealed to maintain IPX6 water resistance.

10. TROUBLESHOOTING

Problem	Solution
Speaker does not power on.	Ensure the speaker is fully charged. Connect it to a power source and try again.
Cannot pair with Bluetooth device.	Make sure the speaker is in pairing mode (flashing indicator light). Turn off and on your device's Bluetooth. Ensure the speaker is not connected to another device.
No sound or low volume.	Check the volume levels on both the speaker and your connected device. Ensure the speaker is properly paired.
TWS pairing fails.	Ensure both speakers are powered off before attempting simultaneous power-on for TWS pairing. Keep them close during pairing.
Poor call quality.	Ensure you are within Bluetooth range of your device. Reduce background noise.

11. WARRANTY AND SUPPORT

This ANCwear product comes with a **Limited Warranty**. For specific details regarding warranty coverage, duration, and terms, please refer to the warranty card included in your product packaging or visit the official ANCwear website.

If you encounter any issues or have questions not covered in this manual, please contact ANCwear customer support through the following channels:

- **Online Support:** Visit the [ANCwear Store on Amazon](#).
- **Email:** Refer to your product packaging for customer service email address.

ANCwear promises a 30-day return and 2-year sales service. You can contact them about any issues at any time for a satisfactory solution.
