2. SETUP AND ASSEMBLY

The Tribesigns L-Shaped Desk is designed for straightforward assembly. All necessary tools and detailed instructions are included in the product package. Please ensure you have ample space and follow the step-by-step guide provided with your desk.

2.1 Unpacking and Inventory

Carefully unpack all components and verify against the parts list in your assembly guide. Ensure no parts are missing or damaged before proceeding.

2.2 Assembly Steps

Refer to the included assembly manual for detailed, illustrated instructions. It is recommended to assemble the desk on a soft, clean surface to prevent scratches. Two people may be required for certain assembly steps.

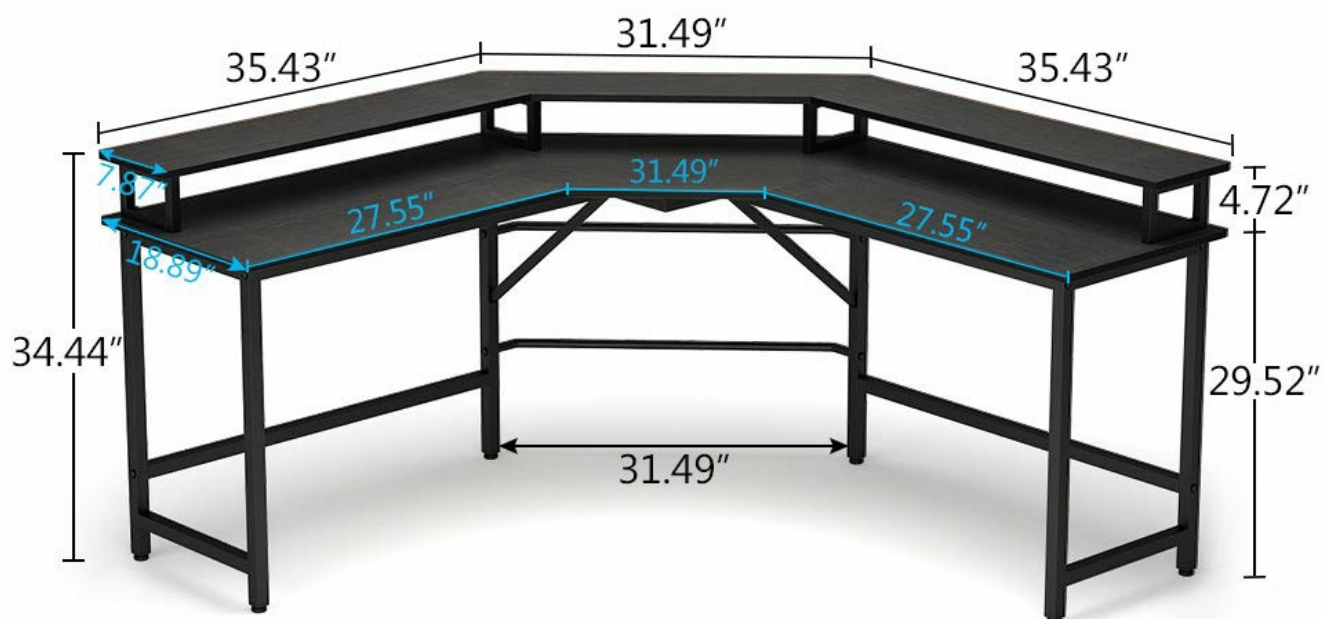

Figure 2: Desk dimensions, useful for planning your workspace during setup.

The desk features adjustable leg pads. During final assembly, adjust these pads to ensure the desk is stable and level on uneven floors or carpets.

3. OPERATION AND USAGE

The L-shaped design provides a spacious work area, ideal for multiple monitors, a computer, laptop, and other office essentials. The integrated monitor stand riser helps elevate your screens to an ergonomic viewing height.

L-Shaped Computer Desk with Monitor Stand Riser

Ergonomic Design to relax your daily work

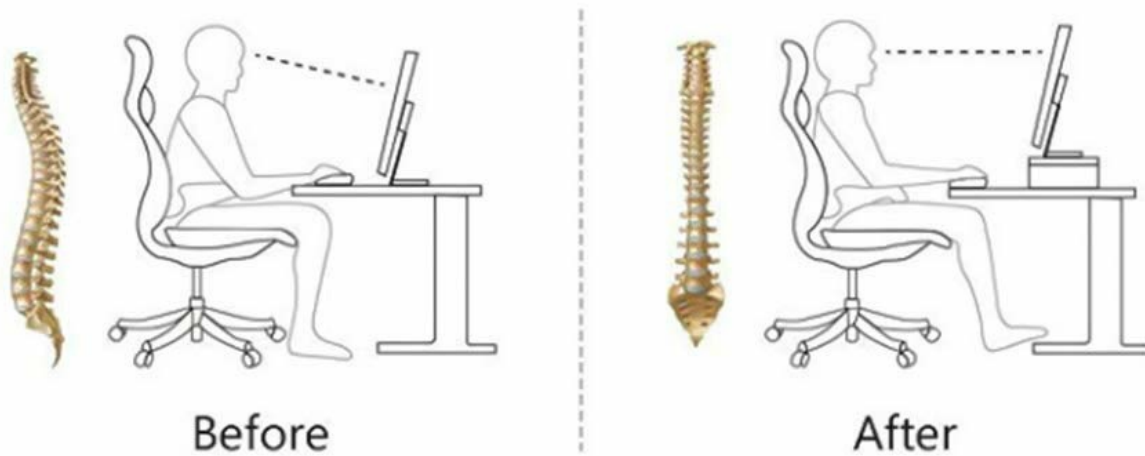

Figure 3: Illustration of the spacious work surface, accommodating multiple devices and accessories.

3.1 Ergonomic Benefits

The monitor stand riser is designed to promote a comfortable viewing posture, reducing strain on your neck and eyes. Position your monitors at eye-level to maintain proper spinal alignment.

Figure 4: The desk integrated into a home office environment, demonstrating practical use with multiple monitors.

3.2 Workspace Optimization

Utilize the L-shape to create distinct zones for different tasks, such as a primary computing area and a secondary writing or reference space. The corner design efficiently uses room space.

SPACIOUS WORK SPACE

Provides you with an abundance of work space for all your office essentials

4. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood surface.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Protection:** Use coasters for drinks and desk pads for heavy equipment to protect the surface from scratches and heat.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your desk.

5.1 Desk Wobbles or is Unstable

- **Check Leg Pads:** Ensure all adjustable leg pads are properly extended and making firm contact with the floor. Adjust them individually to level the desk.
- **Tighten Fasteners:** Verify that all assembly screws and bolts are securely tightened. Over time, fasteners can loosen.
- **Even Surface:** Confirm the desk is placed on a flat, even surface.

5.2 Scratches or Surface Damage

- **Minor Scratches:** For minor surface scratches, a furniture repair marker or wax stick matching the finish color may be used.
- **Prevention:** Always use protective mats or pads under items that might scratch the surface.
